ACFN® businesses are part of the ACFN® automated teller machine (“ATM”) network and provide ATM services, financial transaction processing services, and related financial services, and ancillary goods to businesses and individuals. ACFN® franchisees will market ATM services to hotels, retail locations, and other entertainment and travel-based businesses and will install ATMs at those host locations accepting the services, and will perform all services and maintenance required of the ATMs.

The total investment necessary to begin operation of an ACFN® business is from \$40,385 to \$67,794, assuming the operation of one to 3 ATMs. This includes \$31,035 to \$41,444 that must be paid to us or our affiliate.

This disclosure document summarizes certain provisions of your franchise agreement and other information in plain English. Read this disclosure document and all accompanying agreements carefully. You must receive this disclosure document at least 14 calendar days before you sign a binding agreement with, or make any payment to, the franchisor or an affiliate in connection with the proposed franchise sale. **Note, however, that no governmental agency has verified the information contained in this document.**

STATE COVER PAGE

Your state may have a franchise law that requires a franchisor to register or file with a state franchise administrator before offering or selling in your state. REGISTRATION OF A FRANCHISE BY A STATE DOES NOT MEAN THAT THE STATE RECOMMENDS THE FRANCHISE OR HAS VERIFIED THE INFORMATION IN THIS DISCLOSURE DOCUMENT.

Call the state franchise administrator listed in Exhibit C for information about the franchisor, or about franchising in your state.

MANY FRANCHISE AGREEMENTS DO NOT ALLOW YOU TO RENEW UNCONDITIONALLY AFTER THE INITIAL TERM EXPIRES. YOU MAY HAVE TO SIGN A NEW AGREEMENT WITH DIFFERENT TERMS AND CONDITIONS IN ORDER TO CONTINUE TO OPERATE YOUR BUSINESS. BEFORE YOU BUY, CONSIDER WHAT RIGHTS YOU HAVE TO RENEW YOUR FRANCHISE, IF ANY, AND WHAT TERMS YOU MIGHT HAVE TO ACCEPT IN ORDER TO RENEW.

Please consider the following RISK FACTORS before you buy this franchise:

1. THE FRANCHISE AGREEMENT REQUIRES YOU TO RESOLVE DISPUTES WITH US BY ARBITRATION OR LITIGATION ONLY IN CALIFORNIA. OUT-OF-STATE ARBITRATION OR LITIGATION MAY FORCE YOU TO ACCEPT A LESS FAVORABLE SETTLEMENT FOR DISPUTES. IT MAY ALSO COST MORE TO ARBITRATE OR LITIGATE WITH US IN CALIFORNIA THAN IN YOUR OWN STATE.
2. THERE MAY BE OTHER RISKS CONCERNING THIS FRANCHISE.

**NOTICE REQUIRED
BY
STATE OF MICHIGAN**

THE STATE OF MICHIGAN PROHIBITS CERTAIN UNFAIR PROVISIONS THAT ARE SOMETIMES IN FRANCHISE DOCUMENTS. IF ANY OF THE FOLLOWING PROVISIONS ARE IN THESE FRANCHISE DOCUMENTS, THE PROVISIONS ARE VOID AND CANNOT BE ENFORCED AGAINST YOU.

Each of the following provisions is void and unenforceable if contained in any documents relating to a franchise:

- (a) A prohibition on the right of a franchisee to join an association of franchisees.
- (b) A requirement that a franchisee assent to a release, assignment, novation, waiver, or estoppel which deprives a franchisee of rights and protections provided in this act. This shall not preclude a franchisee, after entering into a franchise agreement, from settling any and all claims.
- (c) A provision that permits a franchisor to terminate a franchise prior to the expiration of its term except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provision of the franchise agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.
- (d) A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration of the franchisee's inventory, supplies, equipment, fixtures, and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures, and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This subsection applies only if: (i) the term of the franchise is less than 5 years and (ii) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising, or other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least 6 months advance notice of franchisor's intent not to renew the franchise.
- (e) A provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.
- (f) A provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude the franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.

THIS MICHIGAN NOTICE APPLIES ONLY TO FRANCHISEES WHO ARE RESIDENTS OF MICHIGAN OR LOCATE THEIR FRANCHISES IN MICHIGAN.

(g) A provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:

(i) The failure of the proposed transferee to meet the franchisor's then-current reasonable qualifications or standards.

(ii) The fact that the proposed transferee is a competitor of the franchisor or subfranchisor.

(iii) The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.

(iv) The failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer.

(h) A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if the franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in the manner provided in subdivision (c).

(i) A provision which permits the franchisor to directly or indirectly convey, assign, or otherwise transfer its obligations to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual services.

The fact that there is a notice of this offering on file with the attorney general does not constitute approval, recommendation, or endorsement by the attorney general.

Any questions regarding this notice should be directed to the Department of the Attorney General, State of Michigan, 670 Williams Building, Lansing, Michigan 48913, telephone (517) 373-7117.

ITEM 1

THE FRANCHISOR AND ANY PARENTS, PREDECESSORS, AND AFFILIATES

To simplify the language in this disclosure document, “we,” “us,” “our,” or ACFN means ACFN Franchised Inc., the franchisor. “You” or “your” means the franchisee. If you are a legal entity, “you” includes your owners.

Us (the Franchisor) and Our Affiliate

We are a California corporation formed in December 2002. Our principal business address is Community Towers, Sixth Floor, 111 W. Saint John Street, San Jose, California 95113. We intend to do business under our corporate name, and under the ACFN® name and the American Consumer Financial Network™ name. Our agents for service of process are listed in Exhibit C.

A.F.F.A. Inc. (“AFFA”), a California corporation, is our affiliate. AFFA’s principal business address is the same as ours. The ACFN® franchise we offer under this disclosure document is modeled after the automated teller machine (“ATM”) business developed and previously operated by AFFA. This business conducts business under the ACFN® name and under the American Consumer Financial Network™ name. AFFA operated a company-owned ATM business from 1996 to 2011, until it transferred its last accounts to franchisee owners. As a result, AFFA no longer owns and operates any company-owned ACFN® businesses. AFFA owns the ACFN® trademark and other “Marks” (as defined below), and has granted us a license us to use certain of the Marks, including the ACFN® trademark, in the operation of the ACFN® franchise system. AFFA does not now and has never in the past offered franchises in any line of business.

We have been offering ACFN® franchises for sale since February 21, 2003, and act as the franchisor of the ACFN® system. We do not operate ACFN® businesses. We or our affiliates may, however, periodically acquire, own and operate existing ATMs and locations. While we anticipate that we and our affiliates will sell some of these ATMs and locations to new or existing ACFN® franchisees, we or our affiliates may elect to continue to own and operate some of them. If we or our affiliate offer to sell to you any existing ATMs and locations and you elect to purchase those items, you will pay us or our affiliate a Corporate ATM Acquisition Fee and sign our then-current form Purchase Agreement or any other related agreements or documentation that we require. Our current form Purchase Agreement is attached as Exhibit H. Other than as described above, we do not engage in any other business activity and we have no parents, affiliates or predecessors required to be disclosed in this Item.

Franchise We Offer

The franchise we offer to you in this disclosure document is the right and license to establish and operate an ACFN® business under the terms and conditions of the ACFN® Franchise Agreement (the “Franchise Agreement”). A copy of our current form Franchise Agreement is attached as Exhibit A. The franchised business you will operate is referred to in this disclosure document as the ACFN® franchise or ACFN® business. You will operate your

ACFN® business using the “Marks” (including the ACFN® trademark), and the “System,” as these terms are defined in Section 1.1 of the Franchise Agreement.

ACFN® businesses provide ATM services, financial transaction processing services, and related financial services. You will market ATM services to hotels, retail locations, and other entertainment and travel-based businesses and will install ATMs at those host locations accepting the services and that we have approved. Your franchise will place each ATM on site at no cost to the host location and will perform all services and maintenance required of the ATM. We will monitor the ATMs at all times and notify you that service is required on a specific ATM. The ATMs will be authorized to process transactions for most major ATM networks and will be able to process the vast majority of both debit and credit card transactions. Host businesses will get paid for every surcharged transaction performed at the ATM. You will manage your ATM locations with our support. Under the Franchise Agreement, you may locate and operate multiple ATMs within your Area of Operation (defined below), provided you receive our prior approval of each ATM location that we recommend and you review, or you select, and you meet all of our then-current requirements for operating additional ATMs at the time you desire to begin operating each additional ATM. We manage the ACFN® network of franchisees. You are not required to maintain an office as part of your ACFN® business.

You will operate your ACFN® business within a non-exclusive geographic area (the “Area of Operation”) defined in Appendix C to the Franchise Agreement. You must also participate in our Multiple Location Accounts (or MLA) Program, which is designed to facilitate the delivery of ACFN® ATM services to host businesses with multiple locations by subsidizing the underperforming ATMs in locations of that host business with revenues from the better performing ATMs in other locations of the same host business.

As of the issuance date of this disclosure document, we have established a referral program for our existing franchisees, subject to certain qualifications. Generally, if an existing franchisee refers a qualified candidate to us with whom we have not had previous communications and we execute a franchise agreement with that candidate within a certain period of time, we will pay the referring franchisee a referral fee we establish. We reserve the right to either modify or cancel this referral program at any time.

Market and Competition

The services our franchises provide are well recognized by consumers and are generally available from other sources. The market for our franchisee’s services is well developed. Our services and ancillary products are provided to businesses and to individuals. Our business is not seasonal. Your competitors include national, regional and local businesses that offer ATM services to consumers.

Industry-Specific Laws and Regulations

Your ACFN® business will be subject to various federal, state and local laws, statutes, codes, rules, regulations and ordinances that apply to businesses generally, such as the Americans with Disabilities Act (“ADA”), Fair and Accurate Credit Transactions Act (“FACTA”), Occupational Safety and Health Act (“OSHA”), wage and hour laws, privacy laws, and business

licensing and permit requirements. In addition, there may be other laws, statutes, codes, rules, regulations and ordinances specific to the financial services offered by this type of business in the state or local area in which you will operate your ACFN® business, including those requiring you to place specific notices on your ATMs. It is your responsibility to fully investigate and to comply with all laws, statutes, codes, rules, regulations and ordinances that apply to your ACFN® business.

ITEM 3

LITIGATION

No litigation is required to be disclosed in this Item.

ITEM 4

BANKRUPTCY

No bankruptcies are required to be disclosed in this Item.

ITEM 5

INITIAL FEES

You must pay us a nonrefundable initial franchise fee in the amount of \$25,000 before your business opens. As described in Item 10, we may finance up to \$10,000 of the initial franchise fee. Except for any part of the initial franchise fee we agree to finance, the initial franchise fee is due when you sign the Franchise Agreement, with any outstanding amount payable in agreed upon equal monthly installments of up to 3 years. The initial franchise fee is not refundable under any circumstances, regardless whether you pay it in full when you sign the Franchise Agreement or whether you elect to have us finance part of the initial franchise fee. The initial franchise fee represents payment to us for the right to use the Marks and System in the development and operation of your ACFN® business during the initial term of the Franchise Agreement, and is in no way payment to us for any services

If you are an existing ACFN® franchisee in good standing with us, you qualify to acquire a second or subsequent ACFN® franchise from us, and you agree to sign a separate Franchise Agreement for that franchise, we have the right, at our option, to reduce the initial franchise fee. We do not, however, offer financing for any reduced initial franchise fee.

You also must pay us a nonrefundable initial training fee of \$995 for your “Managing Owner” (as defined in Item 15) and up to one other person to attend the initial training program. This initial training fee is not refundable under any circumstances.

In addition to the initial franchise fee and initial training fee, you must purchase from us a certain number of ATMs (our then-current designated make and model) and related equipment before you begin operating your ACFN® business. This amount will vary depending upon the items you purchase from us. If you purchase one ATM for \$4,545 (which includes a low topper sign and economy shipping in the 48 contiguous states) and an extra cash cassette for \$495, you will pay us \$5,040. If you purchase 3 ATMs for \$4,545, an extra cash cassette for \$495, one ATM cabinet for \$1,094, which includes shipping in the 48 contiguous states, and one wireless unit for one ATM for \$225, you will pay us \$15,449. The cost for these items are not refundable under any circumstances.

If you are a new franchisee who enters into a Purchase Agreement with us or our affiliate for the purchase of existing ATMs and locations, you will still pay to us the initial franchise fee and training fee, but instead of the fees described in the preceding paragraph, you will pay to us or our affiliate the Corporate ATM Acquisition Fee we agree upon. The amount of the Corporate ATM Acquisition Fee will vary based upon a number of factors, including the number of ATMs and related equipment being sold, the type, age and condition of these items, the average number of transactions that occur at these ATMs, the purchase price we or our affiliate paid for the ATMs and locations, the host locations for the ATMs, and the terms and conditions of the agreement(s) with the host locations. Because of the number of factors involved, it is difficult for us to provide a meaningful range for these fees. We anticipate, however, that if you were to purchase 3 existing ATMs and locations from us or our affiliate, the amount of the Corporate ATM Acquisition Fee would exceed the \$15,449 amount described in the preceding

paragraph. We reserve the right to collect from you a refundable deposit of up to 25% of the applicable Corporate ATM Acquisition Fee before you sign the Purchase Agreement. Once you sign the Purchase Agreement and pay the Corporate ATM Acquisition Fee, it is not refundable.

During our 2013 fiscal year (January 1, 2013, to December 31, 2013), new ACFN® franchisees paid us initial fees ranging from \$31,035 to \$48,215.

In addition, except as otherwise noted above, we will collect all fees payable to us (or our designees) by direct debit of the ATM transaction surcharges we collect on your behalf, under our “Methods of Operations,” as defined in Article 4.5 of the Franchise Agreement. ATM transaction surcharges are the fees the ATM customer cardholder pays to you (as the ATM owner) for use of your ATM.

Notes:

- (1) For purposes of determining the monthly Ad Fee, “Net Revenue” means the amount payable by us to you each month after all costs have been deducted, excluding the Virtual Office Fee.
- (2) As the term is used in the Franchise Agreement, “Gross Revenue” means all revenue you derive from operating the franchise, and whether from cash, check or credit transactions, but excluding all federal, state or municipal sales, use or service taxes collected from customers and paid to the appropriate taxing authority and excluding customer refunds, adjustments, credits and allowances actually made by the franchise in compliance with our Methods of Operation.
- (3) The MLA Program is a strategy used with certain “Multiple Location Accounts” or “MLAs,” which are clients that (a) have multiple locations, and (b) desire full ATM coverage for all or most their locations. Because full ATM coverage for a particular MLA may involve the on-going servicing of unqualified locations (i.e., locations that otherwise would not meet our standards) and/or locations that underperform and would normally be removed and installed in a better location, we use the MLA Program to reallocate some of the losses and gains between the various locations that are part of the MLA.

If we determine that a particular MLA will be a part of the MLA Program, we will establish a separate MLA Program for that MLA. If you currently operate, or later operate, an ATM at a location that is part of a MLA, you must participate in that MLA Program. We will not assess any extra fees to administer a MLA Program and will distribute all revenue monthly so there are no deficits or overages.

An ATM located within a MLA is not eligible to receive revenue until its third full calendar month of operation. In addition, an ATM located within a MLA will not be eligible to receive revenue for a particular calendar month if the ATM was not active (i.e., online and operating) for the entire calendar month. The minimum guaranteed payment to underperforming locations within a MLA is currently \$250 per ATM, per month. This means that if you are operating an ATM at a location within a MLA that produces less than \$250 in net revenue for a given month, you will still be paid up to \$250 for that month, with locations earning above \$350 participating in offsetting this shortage. Conversely, if you are operating an ATM at a location within a MLA that produces more than \$350 in net revenue for a given month, you must participate in offsetting any shortages for any locations within the MLA that produce less than \$250 in net revenue for that month. Participation will be based on a percentage of revenue above net revenue of \$350.

Underperforming locations within a MLA will only receive monthly minimum guaranteed payments to the extent that the total amount of their collective shortages in a given month are offset by the total amount collected (for the purposes of offsetting shortages) from locations within the MLA that produce more than \$350 for that month.

As a result, if the total amount collected (for the purpose of offsetting shortages) from locations within a MLA for a given month does not completely offset the total amount of the collective shortages of the underperforming locations within the MLA for that month, the underperforming locations will each share in the total amount collected (for the purpose of offsetting shortages) on a percentage basis determined by comparing their respective shortages to the total amount of the collective shortages. We do not contribute our own funds to offset any monthly individual or collective shortages for underperforming locations within an MLA, and do not ensure that underperforming locations within a MLA will receive the minimum guaranteed payment for any given month. We may increase or decrease, from time to time, the minimum guaranteed payment, as well as the other amounts established for the MLA Program, and these payments and amounts can be different for each MLA. We may also modify or discontinue, at any time, the MLA Program or any particular MLA.

- (4) For example, you will pay a \$150 fee if your monthly share of fees is between \$5,000 and \$10,000, a \$200 fee if your monthly share of fees is between \$10,000 and \$15,000, and so on.
- (5) This amount is equal to the number of full term years transferee is receiving under the then-current franchise agreement it is signing minus the remaining full term years under the existing franchise agreement, as of the date of the transfer, times \$2,000. Transferee is required to sign an addendum to the new franchise agreement in the form that we prescribe (see Appendix E to the Franchise Agreement for our current form) to establish that this amount is being paid in lieu of an initial franchise fee under the new franchise agreement.
- (6) We or our affiliates(s) may acquire and or operate ATM locations that we may elect to offer for acquisition to franchise operators. You acknowledge and agree that if we do elect to offer you any such ATM location, in our sole business judgment, and you elect to acquire such ATM location, in your sole discretion, you will pay us a Corporate ATM Acquisition Fee to which we will mutually agree for the ATM location, and you must sign with us our then-current form Purchase Agreement or any other related agreements or documentation that we require pertaining to such ATM location, under our Methods of Operation. Our current form Purchase Agreement is attached as Exhibit H.
- (7) We may use signing bonuses as a marketing tool to secure agreements with host location owners. If you desire to place an ATM at a host location for which we have negotiated a signing bonus with its owner, you must agree to pay the signing bonus as a condition of placing an ATM at that host location.
- (8) We have the right to charge you additional fees to cover our reasonable costs in taking advantage of any new revenue sources that may become available to us and/or the ACFN® franchise system, or opportunities for us to allow ACFN® franchisees to offer additional services or participate in addition programs.

The expenses in this Item 7 are estimates of your initial investment in one ACFN® franchise before you begin operations, and for additional funds you will need during your first 3 months of operations. We cannot guarantee that you will not have additional expenses starting

your ACFN® business. Your costs will depend on how closely you follow the ACFN® system standards, your management skill, experience and business acumen, local economic conditions, the acceptance by local consumers of our approved services, prevailing wage rates, competition, etc. We have included no estimates regarding real estate acquisition or lease costs and costs associated with a building, such as utilities. We do not require you to acquire or lease real estate for an office, nor do we require you to acquire or lease real estate for your approved ATM locations.

Except as described below, all payments to us are non-refundable. Whether payments made to others will be refundable will depend on your arrangements with them. Except as described below, we do not offer any direct or indirect financing.

Notes:

- (1) The initial franchise fee is \$25,000. Under certain circumstances, however, we may offer a reduced initial franchise fee to qualifying existing ACFN® franchisees. See Item 10 for more information regarding the circumstances under which we may finance up to \$10,000 of the initial franchise fee.
- (2) Business signs should be minimal because of the nature of this business.
- (3) The estimated cost for each ATM is \$4,545, including a low topper sign and economy shipping in the 48 contiguous states. The low-end figure assumes that you will purchase one ATM, an extra cash cassette (currently \$495), no wireless units and no ATM cabinets before you begin operations. The high-end figure assumes the purchase of 3 ATMs with an extra cash cassette before you begin operations, possibly one ATM cabinet (currently \$1,094, which includes shipping in the 48 contiguous states), and possibly one wireless unit for one ATM (currently \$225). We assumed only one ATM cabinet in the high-end figure because ATM cabinets are not required by us and are only required by a minority of current host location owners. In addition, we assumed no wireless units in the low-end figure and only one wireless unit in the high-end figure because wireless units are not required for all host locations, but only those that elect the wireless option. Sales tax is charged separately by each state and is not included these estimates. You are responsible for paying all applicable sales tax. You will incur additional fees for shipping to Alaska or Hawaii.

If you are a new franchisee who enters into a Purchase Agreement with us or our affiliate for the purchase of existing ATMs and locations, you will pay to us or our affiliate the agreed upon Corporate ATM Acquisition Fee instead of fees described in the preceding paragraph. Because the amount of the Corporate ATM Acquisition Fee will vary based on a number of factors, it is difficult for us to provide a meaningful range for these fees. We anticipate, however, that if you were to purchase 3 existing ATMs and locations from us or our affiliate, the amount of the Corporate ATM Acquisition Fee would exceed the \$15,449 high-end figure.

- (4) This represents the required cash inventory for each ATM, which is estimated to be \$7,000.

- (5) The low end of this range is the estimated cost of the required cell phone/voice mail system, but does not include any costs of a personal computer, printer, copier and fax machine, as most franchisees will already have a version of these items that complies with our required standards. The high end of this range includes the estimated cost of the required cell phone/voice mail system (\$200), plus the cost to purchase a personal computer, printer, copier and fax machine that complies with our required standards, which we estimate to be \$600 to \$1,000, depending on the brand and model of the items you select and the software you purchase.
- (6) You should allocate \$200 for gas costs and other expenses in conducting initial local marketing for your ACFN® business.
- (7) This represents an estimate of the first year premium for general business liability and property/casualty insurance.
- (8) Professional fees include setting up an accounting system and business licenses.
- (9) The initial training fee for your Managing Owner and up to one other person is \$995 and is included in the chart above. You also must pay for related travel expenses, hotel accommodations, meals and other expenses for your Managing Owner and any other training attendees during initial training, which we estimate to be \$200 to \$700 or more, depending on the number attendees.
- (10) Additional funds is an estimate of the amount of cash required to cover any operating expenses during your first 3 months of operation.
- (11) We relied upon our 11 years of experience, and AFFA's 16 years of experience in the ATM business to compile these estimates. You should review these figures carefully with a business advisor before making any decision to purchase an ACFN® franchise.

ITEM 8

RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

The goods, services, supplies, fixtures, equipment, inventory, computer hardware and software, and other items relating to the establishment or operation of the ACFN® business that you must purchase or lease from us, an affiliate, a designated supplier, an approved supplier, or for which we have required specifications, are described below.

ATMs and ATM-Related Equipment and Supplies

We have the right to establish the make and model and/or the required specifications of the ATMs and related equipment and supplies, like cabinets and wireless units, you must purchase and use as part of your ACFN® business, and will describe these items in our Operations Manual. As of the issuance date of this disclosure document, we have established the

Triton RL2000 ATM (“Triton ATM”) as the required ATM make and model for the ACFN® franchise system. The Triton ATM is manufactured by Triton Systems, Inc. (“Triton”), with headquarters located at 522 East Railroad Street, Long Beach, Mississippi 39560. The Triton ATM includes the following components: ARGO 12” Color LCD, 56K modem, EPP T7 PCI Compliant Keypad, Electronic Lock, 2MB Memory, ADA Voice, TCP/IP (with SSL), Dip Card Reader, 60mm Printer, Integrated Topper, Integrated Leveling Feet, EMV ICM330 Card Reader for US Market, SDD-1700 DeLarue Dispenser.

As of the issuance date of this disclosure document, you must purchase from us at least one ATM and an extra cash cassette when you sign the Franchise Agreement. In addition, you must purchase from us each additional ATM and any ATM-related equipment and supplies that you use as part of your ACFN® business, and we are the only designated supplier of these items. As further described below, we will derive revenue as a result of your required purchases of these items. Due to our significant volume of ATM purchases from Triton, we qualify for preferred pricing from Triton. As a result, the difference in the cost to us and what we charge you and other ACFN® franchisees for each Triton ATM (\$4,545) leaves us with a gross profit of approximately \$1,395 per ATM, part of which we will use to pay our account manager that will work with franchisees to find new ATM locations. Presently, the above cost includes shipping for each ATM we provide in the continental United States (Hawaii and Alaska are extra). All sales taxes must be paid by you as well. Above prices do not include sales tax. Certain host location owners may require you to have a cabinet for an ATM and if so, you must purchase the ATM cabinet from us. The current cost of ATM cabinets is \$1,094 each (which includes shipping in the 48 contiguous states), and we may derive an estimated profit of up to \$175 on your purchase of the cabinets from us. In addition, certain host locations may select a wireless option. In such case, you may be required to purchase a wireless unit for the ATM at that location from us, our affiliate, a designated or approved supplier, or from a source that meets our specifications, as we have the right to periodically prescribe. If you purchase a wireless unit from us, the current cost is \$225 (not including shipping), and we do not derive any profits from your purchase of wireless units from us.

We have the right to change the make and model of new ATMs and any ATM-related equipment and supplies we require you to use as part of the ACFN® franchise system, and we have the right to increase the price and mark-up we charge you for these items and for any related shipping. On rare occasion, certain host locations may require wall ATMs, which are more expensive than stand-alone ATMs and require construction costs for installation.

You must use our proprietary lead allocation and tracking software and our related proprietary forms. As of the issuance date of this disclosure document, we provide these items to you at no charge, but we reserve the right to charge you a fee for them in the future. As part of the operation of your ACFN® franchise, you and your employees must wear the shirts we designate bearing the Marks, including the ACFN® trademark. As of the issuance date of this disclosure document, you must purchase these shirts from our designated supplier Land’s End.

We or our affiliate may offer to sell to you existing ATMs and locations. If you elect to purchase those items, you will pay us or our affiliate an agreed upon Corporate ATM Acquisition

Fee. The Corporate ATM Acquisition Fee will be based on a number factors and may be higher than the amount we or our affiliate paid to acquire these items.

ATM-Related Services and Participation in Our ATM Network

As of the issuance date of this disclosure document, you must purchase from or through us all ATM-related services for your ACFN® business, including those involving ATM set-up, programming, transaction processing, communication, monitoring and support, and must participate in our ATM network, and we are the only designated supplier of these services and the ATM network. Some of the current costs and fees you must pay to us for these ATM-related services and your participation in our ATM network are further expanded on below.

Each of your ATMs must be programmed to our specifications so that we may provide technical support to you as part of our ATM network and so that we may monitor all ACFN® ATM locations to insure our service standards are being followed. All transactions made at any ATMs that you operate must be processed through our network system and we will derive revenue each month for processing these transactions. Presently, you must pay us \$12 per month, per ATM location that you operate for our processing for the location. If we determine that any ATM that you operate is at any time not being processed through our network according to our Methods of Operation, you must pay us \$200 per month for processing for that ATM for the remaining term of the Franchise Agreement. Also, presently, you must pay us a \$0.08 Transaction Fee per transaction to cover communications and other transaction-related costs. In addition, you pay us each month a Virtual Office Fee for customer service and ATM location support functions that we will provide to you. The amount of the Virtual Office Fee starts at \$0 and will increase to up to \$100 or more depending upon your monthly share of fees collected from your ATM locations.

Our primary income is derived from the collection from third parties of Interchange fees for the processing of the transactions from each of your ATM locations. A network provides an array of services that link together the ATMs. The basic operational activity of the network is to support ATM cash withdrawals by the deposit account holders of any member bank. This function requires the network to transfer electronically, or “switch,” the transaction information from the ATM to the account holder’s bank and back again. This communication and sorting activity is accomplished through the aid of leased or dial-up telephone lines and centralized computers. The Interchange fee is paid by the ATM customer cardholder’s bank to the ATM network member to compensate the network member for the costs of managing and servicing the ATM at which a transaction was initiated. Banks pay Interchange fees to members of their ATM network. As of the issuance date of this disclosure document, we get paid \$.13 to \$.66 per transaction (although the vast majority of Interchange fees we receive fall within the \$.13 to \$.35 per transaction range), and various additional fees, if any, for international transactions. The collection of these fees require ATM network membership and we are a member of most major ATM networks. If the Interchange fee system is ever eliminated or eroded during the term of the Franchise Agreement, we will assess a reasonable ATM transaction surcharge fee per transaction at each of your ATMs to offset our loss of the Interchange fee revenue derived from Interchange fees. ATM transaction surcharges are the fees paid by the ATM customer cardholder to you for use of your ATM. In addition, we may charge you any and all fees charged to us by processors,

banks or other third parties in connection with your ATMs. Currently, we pass on all surcharges and fees for international transactions to you.

In addition to the required services described above, periodically we may make available to you optional services we or third parties offer for additional fees we establish. For example, if a third party provider offers an optional service, such as electronic record keeping, we may offer that service to you.

Further, as the ATM industry changes and evolves, new revenue sources may become available to us and the ACFN® franchise system, and new opportunities may arise for us to allow ACFN® franchisees to offer additional services or participate in addition programs. In such case, we have the right in our sole discretion to review and determine from time to time if and how we and/or the ACFN® franchise system take advantage of such new revenue sources and opportunities, and the terms of any participation, which we have the right to make mandatory for you and all other ACFN® franchisees. Participation in these new revenue sources and opportunities may require you to purchase additional services or other items from us, our affiliates or our approved or designated suppliers.

Signs, Office Equipment and Supplies, and Other Items

For those items for which we have established a designated supplier or suppliers (including those cases described above where we are the only designated supplier), you may not request that we approve an alternative supplier. For all other items you use as a part of your ACFN® business, like signs and office equipment and supplies, we may establish approved suppliers and specifications that you must follow. Approved suppliers and specifications are described in our Operations Manual. Approved suppliers and specifications are determined based on the current needs for operating ACFN® businesses. We evaluate existing and potential approved suppliers based on price, service, quality, and other commercially reasonable benchmarks. The identity of approved suppliers and these specifications are updated periodically in writing by modifying the appropriate pages of the Operations Manual. We will send you modified pages through the United States Mail or by any other commercially reasonable means. We have procedures for approving vendors and suppliers you recommend based on safety and professional compatibility. We will notify you within 30 days of your request to evaluate an alternative vendor or supplier of our approval or disapproval of that vendor or supplier. As of the issuance date of this disclosure document, we do not charge a fee to evaluate an alternative vendor or supplier, but we reserve the right to charge a fee in the future. We may revoke our approval of any vendor or supplier with 30 days' written notice to you. As of the issuance date of this disclosure document, none of our affiliates were designated or approved suppliers, although we have the right in the future to establish our affiliates as designated or approved suppliers.

We and our affiliates reserve the right to collect rebates and other consideration from third party approved suppliers of 1% to 10% or more of franchisee purchases. The payment of these rebates or consideration may or may not be reasonably related to services we or our affiliates provide to these third parties.

Insurance

You must obtain, before beginning any operations under the Franchise Agreement, and must maintain in effect during the term of the Franchise Agreement, at your own expense, an insurance policy or policies protecting you and us. The policies must provide protection against any demand or claim relating to personal injury, death or property damage, or any loss, liability or expense arising from operation of your franchise. All policies must be written by a responsible carrier or carriers that is rated A or better by A.M. Best, and that we determine to be acceptable. All policies must name us as an additional insured, and must provide at least the types and minimum amounts of coverage specified in our Operations Manual, as we may modify periodically. You must provide us with a copy of the actual policies of insurance issued by the insurer and/or other proof of insurance at the times and in the manner that we require. Our current standard types and required amounts of insurance coverage are as follows: \$1,000,000 general liability per occurrence, \$2,000,000 aggregate limit, workers' compensation as the law requires, \$1,000,000 property/casualty, \$1,000,000 vehicle liability for non-company owned automobiles and business interruption covering loss of income, extra expenses, crime and fraud, all policies naming us as an additional insured.

General Information

During our last fiscal year ending December 31, 2013, we received revenue in the amount of \$1,189,982 from required purchases of products and services by franchisees, which was 8.4% of our total revenue of \$14,286,525 according to our audited financial statement attached as Exhibit B. During this same period, our affiliates did not receive any revenue from required purchases and leases of products and services by franchisees.

We estimate that between 50% and 70% of the cost in establishing your ACFN® business will be on required purchases and leases, and that between 20% and 60% of the cost of operating your ACFN® business will be on required purchases and leases.

We do not provide material benefits to you, i.e., special renewal privilege or additional franchises, based on your purchase of particular products or services, or your use of our designated or approved suppliers. There are no purchasing or distribution cooperatives at this time. We periodically may negotiate purchase arrangements with suppliers, including price terms, for the benefit of franchisees.

Our officers may own an interest in us. Otherwise, there are no suppliers in which one of our officers owns a material interest.

FINANCING

Neither we or our affiliates guarantee your loans or other obligations, nor receive payments or other consideration for the placing of financing. We may provide financing for qualifying prospective franchisees under our guidelines. We may add, change or delete any financing programs at any time. It is not our current practice or intent to sell, assign, or discount to a third party all or part of any financing arrangement. Except as described below in this Item, as of the issuance date of this disclosure document, neither we nor our affiliates offer directly or indirectly any franchising arrangements to ACFN® franchisees.

We may offer you financing of your initial franchise fee through a promissory note with us. A copy of our current form Promissory Note For Initial Franchise Fee ("Note") is included in Exhibit F. The table below shows the standard terms of our Note.

Item Financed (Source)	Amount Financed	Down Payment	Term (Months)	APR %	Monthly Payment	Prepay Penalty	Security Required	Liability Upon Default	Loss Of Legal Right on Default
Initial Franchise Fee (we provide financing); See Note (1) below	Up to \$10,000 of the Initial Franchise Fee	Portion of the \$25,000 Initial Franchise Fee we do not finance	36 Months See Note (1) below	11.9% See Note (1) below	Varies Depending on the Amount Financed	None	Partner or Shareholder Guarantee and security interest in Franchise Agreement See Note (2) below	Late Penalty; Acceleration of Amounts Due; Fees See Note (3) below	Waiver of Trial by Jury and Right to Interpose Any Defense, Set-Off or Counterclaim of Any Nature or Description See Note (4) below

Notes:

- (1) The initial franchise fee is \$25,000. In order to assist credit-worthy franchisees to purchase and operate an ACFN® business, we may finance up to \$10,000 of the initial franchise fee. We do not offer financing, however, if you pay a reduced initial franchise fee. The financed amount of the initial franchise fee is evidenced by a Note and is payable over a term of 3 years in equal monthly installments with an interest rate of 11.9% per annum, on the unpaid principal. Except as described below, there are no other annual finance charges. We have the right to change the terms, interest rate, and amounts financed. (A copy of our Note is attached in Exhibit F.)
- (2) If your business is a partnership, corporation or other recognized legal entity, the Note must be guaranteed individually by all partners or shareholders. The Note is secured by a security interest in the Franchise Agreement. (See Exhibit F.)
- (3) If you do not pay on time, we can charge a late penalty of 18% per annum from the due date. In the case of nonpayment or other default under the Note, we can require immediate payment of all unpaid amounts under the Note, and/or terminate the franchise, and we can also collect our reasonable attorneys' fees and all costs and expenses of collection. We may deduct the full amount of any overdue installment payments directly from any ATM transaction surcharge revenue we collect that is due to the franchisee.
- (4) Each party that signs the Note, in any litigation arising out of or relating to the Note in which a holder of the Note is an adverse party, waives trial by jury and the right to interpose any defense, set-off or counterclaim of any nature or description. (See Note in Exhibit F.)

ITEM 11

- (8) As we mutually agree, we will provide ongoing assistance to you at the hourly fee and charge we establish periodically (FA - 4.4.8).

Our Approval of ATM Locations

After you sign a Franchise Agreement, we will provide you with our then-current location criteria for ATM locations, which we may periodically modify. Our current location criteria for ATM locations focus on a number of factors, including the general location, type, size, hours of operation, type of activity and revenue. Typical ATM locations consist primarily of entertainment and travel-based businesses, hotels, city properties, sports bars, nightclubs, billiard clubs, restaurants, breweries, theatres and hospitals.

We will work with you to find ATM locations within your Area of Operation that meet our current location criteria. Accordingly, you agree to review any potential ATM locations

within the Area of Operation we recommend to you, and will notify us of any potential ATM locations you select within the Area of Operation at which you want to locate an ATM. In addition, although we have no obligation to do so, as further described in Item 12, provided you remain Active, we may from time to time market to find potential ATM locations within the Area of Operation and provide leads to you for potential ATM locations within the Area of Operation.

You may not locate and operate an ATM at a particular location under the Franchise Agreement until you have reviewed/selected that location, received our prior approval of that location and met all of our then-current criteria for operating additional ATMs. We will approve or disapprove of any potential ATM locations within your Area of Operation within 10 days of your request for our approval and your submission of location details. You understand that our recommendation and/or approval of any ATM location, and any information regarding that ATM location communicated to you, do not constitute a representation or warranty of any kind, express or implied, as to the performance of the ATM at this location or the suitability of the location for an ATM or for any other purpose. Our recommendation and/or approval of the ATM location indicates only that we believe that the ATM location falls within the location criteria for ATM locations that we have established as of the time of our recommendation and/or approval of the ATM location, or that the ATM location should be approved as part of a MLA Program. You also understand that your review, selection and acceptance of each ATM location developed under this Agreement is based on your own independent investigation of the suitability of that ATM location, including considerations relating to safety and security. Typically, you will not purchase or lease space for your ATM locations, but will pay the owner of each host location a negotiated portion of the ATM transaction surcharges. Arrangements with host location owners will be made by you and/or us. Generally, neither we or our affiliates are host location owners.

We or our affiliate may offer to sell to you existing ATMs and locations. If you elect to purchase those items, you will pay us or our affiliate an agreed upon Corporate ATM Acquisition Fee and sign a Purchase Agreement. Once a Purchase Agreement has been signed, we or our affiliate will work with the appropriate third parties to arrange for the transfer to you of the ATMs and locations, which we estimate will typically take 30 to 90 days.

You are not required to operate more than one ATM location under your Franchise Agreement to maintain your rights. You are not required to maintain an office and may operate your ACFN® business from any location that allows you to comply with your obligations under the Franchise Agreement.

Commencement of Operations

We estimate the length of time between the signing of the Franchise Agreement or the first payment of consideration for the ACFN® franchise and the commencement of operation of your ACFN® business is 30 to 60 days after you complete your initial training with us. Things that may affect the time period include your ability to purchase or lease equipment, obtain our approval of your first ATM location and subsequent ATM locations, enter into arrangements with host location owners, and/or purchase materials and supplies. You must commence

operation of your ACFN® business within 90 days of the signing of the Franchise Agreement or 60 after you complete your initial training to our satisfaction, or we have the right to terminate your Franchise Agreement. As further described in the Franchise Agreement (FA - Article 2.5), however, we may allow you additional time to commence operation of your ACFN® business if you were unable to do so as the result of circumstances beyond your reasonable control (other than lack of funds).

Advertising Fund

We have established an advertising fund (“Advertising Fund”) that we administer. You and all other ACFN® franchisees in the United States and Canada must pay a monthly Ad Fee of up to 1% of Gross Revenue to us for inclusion in the Advertising Fund. As of the issuance date of this disclosure document, the monthly Ad Fee is 1% of Net Revenue, although we may, upon written notice to you, periodically decrease or increase the Ad Fee to up to 1% of Gross Revenue. Except as described below, you and all other ACFN® franchisees will contribute to the Advertising Fund at the same rate. We and our affiliates may, but are not obligated to, contribute to the Advertising Fund. During our last fiscal year ending December 31, 2013, we used Ad Fees contributed to the Advertising Fund as follows: 92% on production and 8% on a trade show to market to host locations.

We are not limited to any specific media in which ads may be disseminated, but we anticipate using print media and/or printed materials, like marketing folders and ATM cabinet brochures, and not radio and TV advertising. We are not limited to local, regional or national programs, but may use a combination of the types of programs. We may create ads and may solicit outside ad agencies for creating advertising. We are not required under the terms of the Franchise Agreement to spend any money on or provide advertising in the area or territory where your ACFN® franchise is located in the same proportion as your contributions to the Advertising Fund. The Advertising Fund is accounted for separately from our other funds and will not be used to defray any of our general operating expenses, except for any reasonable salaries, administrative costs, travel expenses and overhead that we may incur in activities related to the administration of the Advertising Fund and its programs. We may spend, on behalf of the Advertising Fund, in any fiscal year, an amount that is greater or less than the aggregate contribution of all ACFN® businesses to the Advertising Fund in that year. Any Advertising Fund contributions we collect but do not spend in any fiscal year will be carried forward to the next fiscal year. If we incur Advertising Fund expenses in excess of Advertising Fund contributions we collect during any fiscal year, we will carry those expenses forward and pay them using Advertising Funds we collect during the next fiscal year. The Advertising Fund also may borrow from us or others to cover deficits or invest any surplus for future use. All interest earned on monies contributed to the Advertising Fund will be used to pay advertising costs before other assets of the Advertising Fund are expended. We will prepare an annual, unaudited compiled statement of monies collected and costs incurred by the Advertising Fund and furnish the statement to you upon your written request. We have the right to cause the Advertising Fund to be incorporated or operated through a separate entity at such time as we deem appropriate and such successor entity will have all of the rights and duties specified in this disclosure document and the Franchise Agreement.

We will not use the Advertising Fund to solicit potential franchisees. You can only use your own advertising material after receiving our prior approval. There are no advertising cooperatives or advertising councils composed of franchisees that advise us on advertising policies.

We reserve the right to defer or reduce contributions of an ACFN® business franchisee and, upon 30 days' prior written notice to you, to reduce or suspend your payment of Ad Fees to and suspend operations of the Advertising Fund for one or more periods of any length and to terminate (and if terminated to reinstate) the Advertising Fund. If the Advertising Fund is terminated, all unspent monies on the date of termination will be distributed to our franchisees in accordance with the terms of the Franchise Agreement.

Computer Hardware and Software

The computer we require you to use in the day-to-day operation of your ACFN® franchise is a standard personal computer with the version (or newer version) of Windows operating system that we specify (or a functionally equivalent operating system), with Internet and e-mail access through which you will communicate with us. Also, you will need a computer printer, a copier and a fax machine. You must use our proprietary lead allocation and tracking software and our related proprietary forms. Currently, we provide these items to you at no charge, but we reserve the right to charge you a fee for them in the future. Any other hardware or software is not proprietary to us. Typically, there is no cost to purchase or lease the computer system used as part of your ACFN® business because you will likely already own a standard personal computer, printer, copier and fax machine. However, if you were to purchase a version of these items that complies with our required standards, we estimate it would cost \$600 to \$1,000, depending on the brand and model of the items you select and types of software you purchase. We approve suppliers for hardware and software. Our approved suppliers have their own policies for service and maintenance as well as hardware and software upgrades. You must pay for upgrading all computer hardware and software, as necessary, in order to bring the franchise into compliance with our system standards. We estimate that the cost for annual maintenance contract is less than \$200 per year. We have no obligation to upgrade or update any computer system or software. We may, as often as we deem appropriate, including on a daily basis, access the computer systems that you must maintain in connection with the operation of the franchise and to retrieve all information relating to the operation of the franchise (FA - Article 10.2.).

Training

Before the franchise begins operating, we will provide initial training on the operation of an ACFN® business to your Managing Owner and one additional individual. Initial training consists of 3 working days of training for you (or your Managing Owner) and your employee to be furnished at our head office or at any other location that we specify. Initial training will be conducted at our mutual convenience, typically within the 60-day period before you commence operation of your ACFN® business. As part of initial training, your Managing Owner will receive 3 days of training so that he/she is qualified to install and service the ATMs you will be operating. No other additional or refresher courses are required for you to begin operation of

your franchise. Your Managing Owner must complete the initial training to our satisfaction. Your Managing Owner or must participate in all other activities required to operate the ACFN® franchise. You must pay us a \$995 initial training fee for your Managing Owner and up to one other person to attend initial training. You must pay for related travel expenses, hotel accommodations, meals and other expenses for your Managing Owner and other attendees during initial training. If we determine your Managing Owner is unable to complete initial training to our satisfaction, by written and/or oral exam or otherwise, we have the right to terminate the Franchise Agreement. Initial training will be provided substantially as follows:

TRAINING PROGRAM

Subject	Hours of Class-Room Training	Hours of On the Job Training	Location
Administration	2	0	San Jose, California
Operations	8	0	San Jose, California
Marketing	2	0	San Jose, California
ATM Installation, Operation and Maintenance	12	0	San Jose, California

Notes:

- (1) It is the nature of the ACFN® business that all subjects are integrated into the training program, and that there are no clear delineations between the subjects being learned. The instructional materials include the Operations Manual and other written materials.
- (2) Jeffrey D. Kerr, our President and CEO, and Gershon Yakir, our VP Operations, are our primary trainers. They both have extensive experience in all aspects of the ATM business. Mr. Kerr has been our President and CEO since our inception in October 2002. Mr. Yakir began working with us in January 2010. He brings engineering and managerial experience to our training and operations team.

We may require your Managing Owner and/or previously trained and experienced employees to attend periodic refresher training courses at such times and locations that we designate, and we may charge reasonable fees for such courses. We also may require you to pay us fees for our training of your new employees hired after your ACFN® business commences operations, if you so request.

Operations Manual

We will furnish or make available to you our operations manual (“Operations Manual”). Our Operations Manual contains certain standards, specifications, procedures, techniques and management systems; some of which you must follow, and some of which are optional. Our Operations Manual contain proprietary information and you must keep that information confidential. Included below is a Table of Contents of our Operations Manual as of December 31, 2013.

ITEM 12

TERRITORY

You will not receive an exclusive territory. You may face competition from other franchises, from outlets that we own, or from other channels of distribution or competitive brands that we control.

You will receive a non-exclusive Area of Operation, described in Appendix C to the Franchise Agreement, in which to locate ATMs. You will not receive a protected territory, nor will you receive any exclusive rights within your Area of Operation. We will work with you to determine to your Area of Operation, which will be based on your location, the distance you are willing and capable of traveling to service ATMs, and the location of other ACFN® ATM locations and businesses. During the term of the Franchise Agreement and for so long as you are not in default under the Franchise Agreement, however, we shall take such reasonable steps as we consider necessary to prevent any other franchisee from soliciting or serving any of the customer accounts at those locations where you have established and are presently operating ATMs within the Area of Operation. You have the right under the Franchise Agreement to locate and operate multiple ATMs within your Area of Operation, provided you receive our prior approval of each ATM location that we recommend and you review, or you select, and you meet all of our then-current requirements for operating additional ATMs at the time you desire to begin operating each additional ATM. You may not locate and operate ATM locations outside

your Area of Operation, without our prior approval, and may not use any other channels of distribution, including the Internet, catalog sales, telemarketing or other direct marketing, to provide goods and services to consumers within or outside of your Area of Operation. In addition, you may not solicit or accept orders from consumers or provide ATM and related services to consumers, except from your approved ATM locations. We may allow you to relocate your ATM locations within your Area of Operation, provided you pay us an ATM Relocation Fee, meet our then-current location criteria and receive our approval.

If you operate an ATM at a location that is part of a Multiple Location Account (“MLA”) for which we have established a MLA Program, you must participate in that MLA Program.

We and our affiliates have the right to establish and acquire, and grant to franchisees the right to establish and acquire, without any compensation to you, ACFN® ATM locations or businesses, or other ATM locations or businesses, anywhere within or outside your Area of Operation on such terms and conditions as we deem appropriate. We and/or our affiliates presently do not sell the same or similar services and goods through other channels of distribution, including the Internet, under the ACFN® trademark or different trademarks, and have no plans to sell franchises under a different trademark within the current and next fiscal year, although we reserve the right to do so in the future, without any compensation to you. We and/or our affiliates have the right to establish or acquire, without any compensation to you, other franchises or company-owned or affiliate-owned outlets selling or leasing similar services or products under a different trademark or through other channels of distribution, including the Internet, anywhere within or outside of your Area of Operation.

If we or one of our affiliates acquire ATMs and the right to operate those ATMs at locations within your Area of Operation (“Corporate ATMs” and “Corporate ATM Locations”), we may, but are not obligated to, offer you the right to purchase the Corporate ATMs and the right to operate them at the Corporate ATM Locations. We and our affiliates also may, in our sole discretion, elect to offer other parties the right to purchase the Corporate ATMs and operate them at the Corporate ATM Locations, or operate them ourselves.

Although we have no obligation to do so, provided you remain Active (as defined below), we may from time to time market to find potential ATM locations within the Area of Operation and provide leads to you for potential ATM locations within the Area of Operation. For the purpose of the preceding sentence, “Active” means that you (i) are in good standing under and not in default of the Franchise Agreement and any other agreement with us, (ii) maintain in stock one ATM and order an additional ATM from us each time you add an operating ATM to your ATM network, (iii) review any leads we provide to you for potential ATM locations within the Area of Operation and notify us within the time period we prescribe of your interest in pursuing any of the leads, (iv) deliver marketing materials to all leads you elect to pursue within the time period we prescribe and conduct any additional follow-up we prescribe, and (v) participate in our annual leads review process and conduct any related follow-up we prescribe. If at any time you fail to remain Active, we can take back and reassign any leads we previously provided to you for potential ATM locations within the Area of Operation, except to the extent you have already received our prior approval to add any of the potential ATM locations to your ATM network.

We retain the right in our sole discretion to offer a specific ATM location lead or installation opportunity previously offered to you within your Area of Operation to other parties if you fail to respond to us via email and/or phone and take action within 3 days of notifying you of that ATM location lead or installation opportunity.

If you have 3 service violations within any 3-month period or if you have 4 service violations within any 6-month period in connection with a particular ATM location, upon written notice to you, we may require you to transfer the rights to that ATM location to us, an affiliate or another ACFN® franchisee, and you must immediately remove your ATM from that location. If that ATM location is part of a MLA or other group arrangement that is not an MLA (like a group of hotels), as we have the right to determine, we may require you to transfer the rights to all of your ATM locations that are part of the MLA or the group arrangement to us, an affiliate or another ACFN® franchisee, and you must immediately remove your ATMs from those locations. A “service violation” is defined as: (1) any time an ATM runs out of cash; or (2) your failure to respond to a service call at the ATM location within 24 hours.

You do not receive any options, rights of first refusal, or similar rights to acquire additional franchises.

ITEM 13

TRADEMARKS

The Marks listed on the table below, including the ACFN® trademark (“Principal Marks”), are the principal trademarks you will use under license from us through the Franchise Agreement. AFFA, our affiliate, registered these Principal Marks with the United States Patent and Trademark Office (“USPTO”), and it has filed all required renewals and affidavits.

TRADEMARK	REGISTRATION NUMBER	DATE OF REGISTRATION	REGISTER
ACFN	2758581	September 2, 2003	Principal
ACFN Logo	2781544	November 11, 2003	Principal

AFFA has granted us the perpetual right to use and sublicense others to use the Principal Marks in the United States under a trademark license agreement with an effective date of September 15, 2003. AFFA may terminate the trademark agreement if any misuse of the Principal Marks materially impairs the goodwill associated with the Principal Marks, if we violate any provision of the license agreement or we do not comply with AFFA’s instruction concerning the quality of the Principal Marks. If the trademark agreement is terminated, any then-existing sublicenses (franchises) will continue for the term of the sublicenses provided that

the franchisees comply with all other terms of their franchise agreements. The trademark license agreement contains no other limitations.

You must use our current and future trademarks, service marks and trade names only in the ways we have approved in advance in writing as we have described in our Operations Manual or other written materials. You must cease using any trademarks, service marks or trade names we determine to be no longer part of the ACFN® franchise system, including the ACFN® trademark. You may not conduct a similar business under another name.

There are no currently effective material determinations of the USPTO, Trademark Trial and Appeal Board, the trademark administrator of any state or any court concerning the Principal Marks. There are no pending infringements, oppositions or cancellations concerning the Principal Marks. There is no pending material litigation involving the Principal Marks.

Other than as described above, there are no agreements currently in effect that significantly limit our rights to use or license the use of the Principal Marks in a manner material to the franchise.

We are not obligated, by the terms of the Franchise Agreement or otherwise, to protect your right to use the Principal Marks or to take any action when we are notified of an infringing use of the Principal Marks. Nor are we obligated to protect you against claims of infringement or unfair competition arising out of your use of the Principal Marks. You must notify us immediately of any infringement or unauthorized use of the Principal Marks of which you become aware. We have the right to control any litigation or administrative proceedings involving the Principal Marks.

We have no actual knowledge of either superior prior rights or infringing uses that could materially affect your use of the Principal Marks in the state where your franchise may be located.

ITEM 14

PATENTS, COPYRIGHTS, AND PROPRIETARY INFORMATION

There are no patents or copyrights currently registered that are material to the franchise, although we do claim copyright ownership and protection for our Franchise Agreement, Operations Manual, and other materials for which we or an affiliate do not have a registered copyright, including instructional and training materials, web site and Internet-related materials, sales promotion and marketing materials, and various other materials published periodically.

There are no currently effective determinations of the Copyright Office (Library of Congress), USPTO, Board of Patent Appeals and Interferences, or any court, or any pending infringement, opposition or cancellation proceeding or any pending material litigation involving any patents or copyrights. There are currently no agreements in effect that significantly limit our rights to use or license the use of any patents or copyrights in any manner material to the franchise. There are no infringing uses actually known to us that could materially affect your use of the patents or copyrights.

We are not obligated to protect you against infringement or unfair competition claims arising out of your use of any copyrighted materials, or to participate in your defense or indemnify you. We have the right to control any litigation related to any copyrights and we have the right to decide to pursue or settle any infringement actions related to any copyrights. We have no obligation to protect any copyrights. You must notify us promptly of any infringement or unauthorized use of the copyrights of which you become aware. If we determine that any infringement action requires changes or substitutions to any copyrighted materials, you must make the changes or substitutions at your own expense, and will have no further rights to the copyrighted materials that were changed or substituted.

You must keep confidential during and after the term of the Franchise Agreement all proprietary information and trade secrets, including the Operations Manual, the systems described in that Operations Manual, and web site structure, content and reporting. Upon termination of your Franchise Agreement, you must cease using all proprietary information and trade secrets, including the Operations Manual, computer software, and all other copyright material. We are not obligated to take any action and we have the right to decide the appropriate response to any unauthorized use of proprietary information or trade secrets. You must comply with all changes to the Operations Manual at your cost.

ITEM 15

OBLIGATION TO PARTICIPATE IN THE ACTUAL OPERATION OF THE FRANCHISE BUSINESS

You and your owners will grant to one individual owner (the “Managing Owner”), the authority to legally bind you in any dealings with us, or our affiliates, and to direct any action necessary to ensure compliance with the Agreement and any other agreements relating to your ACFN® business. You must notify us if there is any change in the identity of the Managing Owner, and we reserve the right to review and approve or disapprove that person. Although the Managing Owner must be one of your owners, there is no required amount of equity interest that the Managing Owner must have in the franchise.

Your Managing Owner must, at all times, use his or her best efforts in performing your obligations under the Franchise Agreement. Each of your owners must be bound by the terms of the Franchise Agreement, including without limitation the non-competition provisions, and personally guarantee your performance.

Your Managing Owner must personally manage and operate the franchise and will not, without our prior written consent, delegate the Managing Owner’s authority and responsibility with respect to management and operation. If you elect to hire a manager to operate or assist with the operation of the franchise and we consent to this election, the employee must successfully complete our initial training program and must be bound to the confidentiality and non-competition provisions of the Franchise Agreement, but is not required to have an equity interest in you. The manager also must be bound to the provisions of the Franchise Agreement that allow us and our representatives or agents to take and collect, and reproduce and use, photographs, videos or any electronic or other records of you, your owners or employees, your ATMs or other aspects of your ACFN® business. We have the unrestricted right to approve or

disapprove of your choice of who you can hire as an on-premises manager. At all times, the franchise must be under the direct management and supervision of a Managing Owner or a trained and qualified manager we approve. While we may consent to your request to hire an on-premises manager, we recommend that the Managing Owner maintain its authority and responsibility with respect to management and operation of the franchise.

ITEM 16

RESTRICTIONS ON WHAT THE FRANCHISEE MAY SELL

You may only offer and sell those services and related goods that we have approved. You must offer all services and related goods that we designate as required for all franchisees. These required services are ATM services for general consumer use that are marketed to hotels, retail locations, and other entertainment and travel-based businesses. You must operate your ACFN® franchise in accordance with our Methods of Operation, which we may periodically modify. You may only use ATMs that fit our specifications and that you obtain from us. You must process through us all ATM transactions at all your ATM locations, and we must program of all your ATM locations to our specifications. All related ATM parts, supplies, and equipment that you use must be approved by us.

We have the right in our sole discretion to add additional authorized services that you must offer through your ATMs. There are no limits on our right to do so.

We have the right in our sole discretion to review and determine from time to time if and how we and/or the ACFN® franchise system take advantage of any new revenue sources that may come available and any new opportunities that may arise for us to allow ACFN® franchisees to offer additional services or participate in additional programs, as well as the terms of any participation, which we have the right to make mandatory for you and all other ACFN® franchisees.

We will not restrict you from soliciting new ATM host location customer accounts, unless the account already belongs to us or another franchisee.

ITEM 18

PUBLIC FIGURES

We do not use any public figure to promote ACFN® franchises. No public figure is involved in our management or control.

ITEM 19

FINANCIAL PERFORMANCE REPRESENTATIONS

The FTC's Franchise Rule permits a franchisor to provide information about the actual or potential financial performance of its franchised and/or franchisor-owned outlets, if there is a reasonable basis for the information, and if the information is included in the disclosure document. Financial performance information that differs from that included in Item 19 may be

given only if: (1) a franchisor provides the actual records of an existing outlet you are considering buying; or (2) a franchisor supplements the information provided in this Item 19, for example, by providing information about possible performance at a particular location or under particular circumstances.

Possible Results of ACFN® Franchisee Operating 1 ATM, 5 ATMs and 10 ATMs

The following 3 tables (first, second and third tables) are presented to demonstrate possible results of an ACFN® franchisee operating 1 ATM, a small network of 5 ATMs, and a larger network of 10 ATMs, based on a combination of variables. The variables include the following: (i) Transactions Per Day; (ii) Total Transactions Per Day; (iii) Transactions Per Month; (iv) Fees Collected; (v) Transaction Fees; (vi) Profit Share; (vii) Administration Fees; and (viii) Estimated Funds.

The possible results included in the tables below are solely based on our estimates of the variables, and are not the actual results of any particular ACFN® franchisee or ACFN® ATM. Actual results, as well as the actual amounts used for each of the variables, will vary from franchisee to franchisee, ATM to ATM, area to area, and market to market.

To give the information presented in these tables a reasonable basis, however, we used averages based on every ATM surcharge transaction that took place at all operational ACFN® ATMs during our 2013 fiscal year (January 1, 2013, to December 31, 2013) in calculating several of the estimated variables. A detailed description of our estimates and the material assumptions underlying this financial performance representation are included in the notes following the tables.

General Notes Relating to 3 Tables Above

The 3 tables above are based on information compiled using every surcharge transaction that took place at all operational ACFN® ATMs located in the United States during our 2013 fiscal year. These ACFN® ATMs are referred to in this financial performance representation as the “2013 ATMs.” There were 2,033 2013 ATMs, located in 47 different states, that were operating for at least some portion of our 2013 fiscal year. The length of time each 2013 ATM was operational during our 2013 fiscal year varied as follows: 1,795 were operational for 12 full months; 78 were operational for more than 9 months, but less than 12 months; 45 were operational for more than 6 months, but less than 9 months; 62 were operational for more than 3 months, but less than 6 months; and 53 were operational for less than 3 months. The 2013 ATMs are primarily located in hotels and other travel and entertainment based businesses.

While the Transaction Fee and the Administrative Fee (as defined below) are the same for each ATM, other fees and averages described in this Item 19 may vary from state to state.

The information provided in this Item 19 regarding the 2013 ATMs is based on third-party processor network reports. We collected this information, but have not independently audited or verified it. All numbers in the above tables are rounded to the nearest dollar.

Using the information described above, we calculated the following averages:

Average Dispense – Represents the average amount of money withdrawn in a single surcharge transaction from a 2013 ATM. This average was calculated by dividing the total amount of cash withdrawn from all 2013 ATMs during our 2013 fiscal year by the total number of cash withdrawals. The average for our 2013 fiscal year was \$94.68. Of the 2,033 2013 ATMs, 1,129 or 55% were below this average, and 904 or 45% were at or above this average.

Average Surcharge Collected – Represents the average fee collected by a 2013 ATM for a single surcharge transaction, and was calculated by dividing the total surcharge collected by all 2013 ATMs during our 2013 fiscal year by the total number of surcharge transactions. The average surcharge for our 2013 fiscal year was \$2.91. Of the 2,033 2013 ATMs, 429 or 21% were below this average, and 1,604 or 79% were at or above this average.

Average Profit Share – Represents the average amount paid per surcharge transaction to the location owner of each of the 2013 ATMs, and was calculated by dividing the total paid to all 2013 ATM location owners during our 2013 fiscal year by the total number of surcharge transactions. The average profit share was \$0.96. Of the 2,033 2013 ATMs, 1,328 or 65% paid at or below this average, and 705 or 35% paid above this average.

Specific Notes Relating to Each Column on 3 Tables Above

<u>Column</u>	<u>Heading</u>	<u>Description</u>
1	# ATMs	The total number of ACFN® ATMs a franchisee owns and has placed in operation.
2	Tran. per day (Surcharge Transactions Per Day)	The average number of surcharge transactions performed at each of a franchisee's ACFN® ATMs each day. While the tables include information for average daily surcharge transactions ranging from 1 to 12 surcharge transactions, we would generally recommend that an ACFN® ATM producing less than 4 surcharge transactions per day be moved to a new location for better results, unless the ACFN® ATM is part of a MLA Program we establish.
3	Total per day (Total Surcharge Transactions Per Day)	The average number of surcharge transactions performed at each of a franchisee's ACFN® ATMs each day multiplied by the number of ACFN® ATMs in a franchisee's network. The result represents an estimate of the total number of surcharge transactions for a franchisee's ACFN® ATM network that day.
4	Tran. per mo. (Surcharge Transactions Per Month)	The estimated number of surcharge transactions performed each month by a franchisee's ACFN® ATM network based on a 30-day month.
5.	Fees Collected (Per Month)	Fees collected each month by a franchisee as owner of the ATM based on the Average Surcharge Collected for our 2013 fiscal year (as described above) of \$2.91 per surcharge transaction.
6	Tran. Fees (Transaction Fees Per Month)	\$0.08 per surcharge transaction for communications and other transaction-related costs. This is the amount currently set in the Franchise Agreement, although we periodically may reasonably increase it.
7	Profit Share (Per Month)	Paid to the ACFN® ATM location owner for participating in our "On Site ATM" program and based on our Average Profit Share for our 2013 fiscal year (as described above) of \$0.96 per surcharge transaction.

<u>Column</u>	<u>Heading</u>	<u>Description</u>
8	Admin. Fee (Administration Fee Per Month)	\$12 per ACFN® ATM per month for processing, reporting and accounting. This is the amount currently set in the franchise agreement, although we may increase it by up to 10% every 12 months.
9	Paid to Franchisee (Amount Paid to Franchisee Per Month)	The Fees Collected, less the Transaction Fees, Profit Share and Administration Fee, each month.
10	Annual Total (Annual Amount Paid to Franchisee)	The amount paid to a franchisee annually for an ACFN® ATM performing at this level based on the averages described above.
11	Estimated Funds	This represents the estimated amount of money needed by a franchisee to operate (that is, provide adequate cash) the franchisee's ACFN® ATM(s) with service calls performed once each week, and is calculated by multiplying the number of surcharge transactions per month times the Average Dispense of \$94.68, divided by 30 to calculate the daily average then multiplied by 9 so the ATM will have extra cash to prevent it from running out of cash before the next service call.
12	10 Year Total	10 times the Annual Total, plus the Estimated Funds (as these terms are described above). If a franchisee ceases operating the ACFN® ATM business at the end of 10 years, a franchisee will have received 10 times the Annual Total. In addition, the franchisee will be able to retrieve the Estimated Funds used to operate the franchisee's ACFN® ATM(s) since the funds are no longer needed.

Average Annual Franchisee Income for 2013

The following table (fourth table) presents the Average Annual Franchisee Income for the 2013 calendar year for certain ACFN® franchisees.

2013 Calendar Year

	Average Annual Franchisee Income^{2,3}	Number of 2013 Franchisees¹ At or Above the Average³
Top 5 2013 Franchisees ¹	\$176,923	3
Top 25 2013 Franchisees ¹	\$107,950	9
All 2013 Franchisees ¹	\$36,937	57

Specific Notes Relating to Table Above

- (1) 2013 Franchisees. “2013 Franchisees” means all U.S. ACFN® franchisees that completed training and signed an ACFN® franchise agreement prior to or on December 31, 2012, and were still operating an ACFN® franchise in the United States as of December 31, 2013, which consists of 165 franchisees. If a new ACFN® franchisee acquired the entire business of an existing 2013 Franchisee, we combined the information of the 2 franchisees (since it is essentially a continuation of the same business) and, for purposes of the table above, treated them as one 2013 Franchisee. ACFN® franchisees that left the system in 2013 or completed training and signed an ACFN® franchise agreement after December 31, 2012, are not included in the definition of “2013 Franchisees” and therefore not included in the table above.
- (2) Annual Franchisee Income. “Annual Franchisee Income” means the total amount we pay to an ACFN® franchisee for a particular calendar year, which equals the fees we collected on behalf of that franchisee for that calendar year, less all applicable fees described in Item 6, including without limitation transaction surcharge fees, transaction fees, profit share, administrative fees, regional/national ad fees, virtual office fees, MLA and wireless fees, if any, for that year.
- (3) Average Annual Franchisee Income. “Average Annual Franchisee Income” for the 2013 calendar year was calculated by taking the total Annual Franchisee Income of all of the 2013 Franchisees within a respective grouping (i.e., “Top 5,” “Top 25” or “All”), and dividing that total by the number of 2013 Franchisees within that grouping. Annual Franchisee Income for each 2013 Franchisee was based on our year end income statements. The third column shows the number of 2013 Franchisees at or above the

Average Annual Franchisee Income within each respective grouping: 3 or 60% for the “Top 5,” 9 or 36% for the “Top 25,” and 57 or 35% for “All”).

These figures (in this Item 19) are only estimates of what we think you may earn. Your individual results may differ. There is no assurance that you’ll earn as much.

Except for Estimated Funds described in the first 3 tables above, the figures in the tables above do not reflect the cost of sales, operating expenses, or other costs or expenses that must be deducted from the gross revenue or gross sales figures to obtain your net income or net profit. You should conduct an independent investigation of the costs and expenses you incur in operating your franchised ACFN® business. Franchisees or former franchisees listed in this disclosure document may be one source of information. Other than Estimated Funds described in the first 3 tables above, costs relating to day-to-day operation are not included in the tables above and all costs, including Estimated Funds, will vary from one franchisee to another based on location and size of franchise. Actual Fees Collected, Profit Share paid, surcharge transaction count, Estimated Funds needed and Annual Franchisee Income paid will vary and may result in lower revenue and higher expenses.

Written substantiation of the information contained in this financial performance representation will be made available to you upon reasonable request.

A. Many factors, including the location of the ACFN® business, your arrangement with the location owner, local market conditions, and other factors, are unique to each location and may significantly impact the financial performance of your business.

B. As with other businesses, we anticipate that a newly operational ACFN® business will not achieve sales volumes or maintain expenses similar to an ACFN® business that has been operating for a number of years.

C. You are responsible for developing your own business plan for your ACFN® business, including capital budgets, financial statements, projections and other elements appropriate to your particular circumstances. We encourage you to consult with your own accounting, business and legal advisors to assist you to identify the expenses you likely will incur in connection with your ACFN® business, to prepare your budgets, and to assess the likely or potential financial performance of your business.

D. In developing the business plan for your ACFN® business, you are cautioned to make necessary allowance for changes in financial results to income, expenses or both that may result from operation of your business during periods of, or in geographic areas suffering from, economic downturns, inflation, unemployment, or other negative economic influences.

E. As further described above, the figures in the above tables do not reflect the cost of sales, operating expenses, or other costs or expenses that must be deducted from the gross revenue or gross sales figures to obtain your net income. You and your advisors should consider this in your due diligence and preparation of your business plan.

Other than the preceding financial performance representation, ACFN Franchised Inc. does not make any financial performance representations. We also do not authorize our employees or representatives to make any such representations either orally or in writing. If you are purchasing an existing outlet, however, we may provide you with the actual records of that outlet. If you receive any other financial performance information or projections of your future income, you should report it to the franchisor's management by contacting Jeffrey Kerr, ACFN Franchised Inc., Community Towers, Sixth Floor, 111 W. Saint John Street, San Jose, California 95113, (888) 794-2236, the Federal Trade Commission, and the appropriate state regulatory agencies.

ACFN®
FRANCHISE AGREEMENT

THIS FRANCHISE AGREEMENT (the “Agreement”) is made and entered into this _____ day of _____, 20__, by and between ACFN Franchised Inc., a corporation formed under California law, with its principal business address at Community Towers, Sixth Floor, 111 W. Saint John Street, San Jose, California 95113 (referred to in this Agreement as “we,” “us” or “our”), and _____, whose principal business address is _____, (referred to in this Agreement as “you,” “your” or “owner”).

1. PREAMBLES, ACKNOWLEDGEMENTS AND GRANT OF FRANCHISE.

- 1.1. PREAMBLES.** We have expended considerable time and effort in developing an automated teller machine (“ATM”) network in which our franchises provide automated teller machine services, financial transaction processing services, related financial services, and ancillary goods. These businesses operate under the ACFN® name and under distinctive business formats, methods, procedures, designs, layouts, standards and specifications, all of which we may improve, further develop or otherwise modify from time to time. We use, promote and license certain trademarks, service marks and other commercial symbols in the operation of ACFN® businesses, including the ACFN® trademarks and service marks and associated logo (collectively, the “Marks”). We grant franchises to persons who meet our qualifications and who are willing to undertake the investment and effort required to own and operate an ACFN® business offering the services and products we authorize and approve and utilizing our business formats, methods, procedures, signs, designs, layouts, equipment, standards and specifications and the Marks (the “System”), irrespective of the media we use to document the System. You have indicated to us by your actions and statements that you are desirous of a franchise to own and operate an ACFN® business. The Marks, together with the System and the franchise license granted herein are referred to collectively herein as the “BUSINESS.”
- 1.2. ACKNOWLEDGMENTS.** You acknowledge that you have read this Agreement and our Franchise Offering Circular and understand and accept the terms, conditions and covenants contained in this Agreement as being reasonably necessary to maintain our high standards of quality and service and the uniformity of those standards at each ACFN® business and thereby to protect and preserve the goodwill of the Marks. You acknowledge that you have conducted an independent investigation of the business venture contemplated by this Agreement and recognize that, like any other business, the nature of the business conducted by an ACFN® business may evolve and change over time, that an investment in an ACFN® business involves business risks and that your business abilities and efforts are vital to the success of the venture. Any information you acquire from other ACFN® franchisees relating to their sales, profits or cash flows does not constitute information obtained from us, nor do we make any representations as to the accuracy of any such information. All business dealings between you and our officers, directors and employees as a result of this Agreement are solely between you and us. You acknowledge that we have advised you to seek franchise counsel to review and evaluate this Agreement. You further acknowledge we will conduct background investigations on you as part of the evaluation process. You acknowledge and agree that as a condition of entering this Agreement you must execute the attached Appendix D that is required to be executed by all our franchisees under the terms of the USA Patriot Act.
- 1.3. REPRESENTATION.** You represent to us, as an inducement to your entry into this Agreement, that all statements you have made and all materials you have submitted to us in connection with your purchase of the franchise are accurate and complete and that you have made no misrepresentations or material omissions in obtaining the franchise. We have approved of your purchasing a franchise in reliance upon all of your representations.
- 1.4. CORPORATE, PARTNERSHIP, OR LIMITED LIABILITY COMPANY FRANCHISEE.** We require that you form a business entity to operate the BUSINESS. If you are at any time a corporation, partnership, or limited liability company, or other business entity, you agree and represent that:

- 1.4.1. You will have the authority to execute, deliver and perform your obligations under this Agreement and are duly organized or formed and validly existing in good standing under the laws of the state of your incorporation or formation. You will notify us within five (5) days whenever there is a change in your corporate status or whenever you receive service of process for any reason;
 - 1.4.2. Your organizational documents or partnership agreement will recite that the issuance and transfer of any ownership interests in you are restricted by the terms of this Agreement, and all certificates and other documents representing ownership interests in you will bear a legend referring to the restrictions of this Agreement;
 - 1.4.3. Appendix A to this Agreement will completely and accurately describe all of your owners and their interests in you;
 - 1.4.4. Each of your owners, at any time during the term of this Agreement, will execute an agreement in the form that we prescribe (see Appendix B to this Agreement) undertaking to be bound jointly and severally by all provisions of this Agreement and any ancillary agreements between you and us that bind you. You and your owners agree to execute and deliver to us such revised Appendices A as may be necessary to reflect any changes in the information contained therein and to furnish such other information about your organization or information as we may request within five (5) days of change; and
 - 1.4.5. Your owners and you will grant to one individual (the “Managing Owner”), the authority to legally bind you in any dealings with us, or our affiliates, and to direct any action necessary to ensure compliance with this Agreement and any other agreements relating to the BUSINESS. You will notify us thirty (30) days in advance of any change in the identity of the Managing Owner. Where such change results from the death or incapacity of the Managing Owner, you shall immediately notify us of such death or incapacity and you will appoint a new Managing Owner within thirty (30) days after such death or incapacity and give us ten (10) days prior notice of such appointment. We reserve the right to review and disapprove of such appointed new Managing Owner. We reserve the right to review and approve the authority of such Managing Owner with respect to your Articles of Organization, LLC Operating Agreement, Partnership Agreement, Shareholders Agreement, or similar documents. Neither you nor your owners will, directly or indirectly, take any action to avoid or restrict the authority requirement for the Managing Owner.
- 1.5. GRANT OF FRANCHISE.** You desire a franchise to own and operate an ACFN® business within the non-exclusive geographic area (the “Area of Operation”) described on Appendix C to this Agreement. Subject to the terms of, and upon the conditions contained in this Agreement, we hereby grant you a franchise (the “Franchise”) to operate an ACFN® business (sometimes referred to herein as the “BUSINESS”) within the Area of Operation, and a license to use the Marks and the System in the operation thereof, for a term commencing on the date of this Agreement and expiring on the tenth (10th) anniversary, unless sooner terminated in accordance with Article 14 hereof. The BUSINESS will consist of the operation of ATMs at locations we approve within the Area of Operation, all in accordance with this Agreement.
- 1.6. YOUR PERFORMANCE.** Your Managing Owner agrees to personally manage and operate the BUSINESS and will not, without our prior written consent, delegate any authority and responsibility with respect to management and operation. You agree that you will at all times faithfully, honestly and diligently perform your obligations hereunder, continuously exert your best efforts to promote and enhance the BUSINESS and not engage in any other business or activity that conflicts with your obligations to operate the BUSINESS in compliance with this Agreement.
- 1.7. ACCOUNT PROTECTION.** You do not receive any exclusive rights within the Area of Operation, and the Area of Operation is in no way a protected territory. During the term of this Agreement and for so long as you are not in default under this Agreement, however, we shall take such reasonable steps as we consider necessary to prevent any other franchisee from soliciting or serving any of the customer accounts at those locations where you have established and are presently operating ATMs within the Area of Operation.

- 1.8. RIGHTS WE RESERVE.** We (and our affiliates) reserve any and all rights not expressly granted to you under this Agreement. Without limiting the preceding sentence, we (and our affiliates) retain the right, in our sole discretion, without any compensation to you or any other franchisees and regardless of whether they compete with the BUSINESS, to conduct any of the following activities, anywhere in the world, including without limitation within the Area of Operation:
- 1.8.1. Sell our services, whether or not using the Marks, through channels other than ACFN® businesses;
 - 1.8.2. Open and establish and/or acquire, and grant to franchisees the right to establish and/or acquire, ACFN® businesses or other ATM businesses on such terms and conditions as we deem appropriate; and
 - 1.8.3. Offer a specific ATM location lead or installation opportunity previously offered to you within your Area of Operation to other parties if you fail to respond to us via email and/or phone and take action within three (3) days of notifying you of that ATM location lead or installation opportunity.

2. ATM LOCATION SELECTION AND EQUIPMENT.

- 2.1. ATM LOCATION LEADS.** Although we have no obligation to do so, provided you remain Active (as defined below), we may from time to time market to find potential ATM locations within the Area of Operation and provide leads to you for potential ATM locations within the Area of Operation. For the purpose of this Agreement, “Active” means that you (i) are in good standing under and not in default of this Agreement and any other agreement with us, (ii) maintain in stock one ATM and order an additional ATM from us each time you add an operating ATM to your ATM network, (iii) review any leads we provide to you for potential ATM locations within the Area of Operation and notify us within the time period we prescribe of your interest in pursuing any of the leads, (iv) deliver marketing materials to all leads you elect to pursue within the time period we prescribe and conduct any additional follow-up we prescribe, and (v) participate in our annual leads review process and conduct any related follow-up we prescribe. - 2.2. ATM LOCATION SELECTION.** You acknowledge that, following your signing of this Agreement, you will review any potential ATM locations within the Area of Operation we recommend to you, and you will notify us within the time period we prescribe of any potential ATM locations you select within the Area of Operation at which you want to locate an ATM. You acknowledge and agree that you may not locate and operate an ATM at a particular location under this Agreement until you have reviewed/selected that location, received our prior approval of that location and met all of our then-current criteria for operating additional ATMs. You further acknowledge and agree that our recommendation and/or approval of any ATM location, and any information regarding that ATM location communicated to you, do not constitute a representation or warranty of any kind, express or implied, as to the suitability of the location for an ATM or for any other purpose. Our recommendation and/or approval of the ATM location indicates only that we believe that that ATM location falls within the acceptable criteria for ATM locations that we have established as of the time of our recommendation and/or approval of the ATM location, or that the ATM location should be approved as part of a MLA Program described in Article 9.11 hereof. You acknowledge and agree that your review, selection and acceptance of each ATM location developed under this Agreement is based on your own independent investigation of the suitability of that ATM location, including without limitation considerations relating to safety and security.
- 2.3. EQUIPMENT.** We shall furnish you with a list of the equipment and other accessories (collectively, the “Equipment”) required in connection with the operation of the BUSINESS. You shall purchase or lease such Equipment from us, or our affiliate, at our then-current prices, or, at our direction, from sources or suppliers approved or designated in writing by us. You acknowledge and agree that in order for us to insure consistent quality services at all our ATM locations, you must purchase all ATMs for use in the BUSINESS from us or our affiliate, and that we derive revenue from your required purchase of such

ATMs. You acknowledge and agree we have the right, upon thirty (30) days prior notice to you, to change reasonably the make and model of new ATM units we require you to use as part of the franchise system and we have the right to increase reasonably the price we charge you for such new ATM units. Other than for ATM units, ATM cabinets, and related ancillary supplies and merchandise, we may approve, in our sole discretion, any other equipment source or supplier requested by you, provided that the equipment being supplied by such other source or supplier shall meet the standards of us and the System. All expenses incurred by us in testing the equipment to be supplied by such other source or supplier, and in investigating such other source or supplier, including the costs of an independent agency or laboratory designated by us to test the equipment, shall be paid for by you, whether or not such other source or supplier is approved by us. For purposes of clarification, purchases of additional ATMs to be located at approved locations within the Area of Operation are governed by this Agreement and do not require a separate franchise agreement.

2.4. YOUR OBLIGATIONS. You agree, at your own expense, to do the following with respect to developing the BUSINESS:

- 2.4.1. Secure all financing required to develop and operate the BUSINESS;
- 2.4.2. Obtain all permits and licenses required to operate the BUSINESS;
- 2.4.3. Purchase or lease all Equipment required for the BUSINESS; and
- 2.4.4. Purchase an initial inventory of authorized and approved ancillary goods, materials and supplies.

2.5. BUSINESS COMMENCEMENT. You agree not to commence operation of the BUSINESS until:

If you are unable to commence operating the BUSINESS within the specified period due to circumstances beyond your reasonable control (other than lack of funds), then you shall be entitled to such additional time as may be reasonably required and as to which we consent in writing to commence such operation.

2.7. INITIAL LOCAL MARKETING. You agree to conduct initial local marketing for the BUSINESS and to expend up to Two Hundred (\$200) Dollars (the "Initial Local Marketing Expense") for such purpose. Such initial local marketing will utilize the marketing and public relations programs and media and advertising materials we have developed or approved. Such initial local marketing shall be conducted at such times as we consider prudent.

3. FEES.

3.1. INITIAL FRANCHISE FEE. You agree to pay us a nonrecurring and nonrefundable initial lump sum franchise fee in the amount of Twenty Five Thousand (\$25,000) Dollars, which will be due upon your execution of this Agreement. The fee will be fully earned by us upon the execution of this Agreement.

3.2. INTERCHANGE FEES/TRANSACTION SURCHARGE FEE. We may reasonably increase the ATM Network and Configuration Fee from time to time upon thirty (30) day written notice from us to you, with such increases not to exceed ten (10%) percent during any twelve (12) month period during the term of the Agreement. All amounts owed to us under this Article shall be deducted by us from the monies we collect in processing your ATM transactions, pursuant to our Methods of Operations (defined in Article 4.5. below).
- 3.8. TRANSACTION FEE.** You agree to pay us each Accounting Period a transaction fee (“Transaction Fee”) in the amount of Eight Cents (\$0.08) per ATM surcharge transaction for each ATM machine in operation by the BUSINESS during the Accounting Period. We also reserve the right to collect from you a refundable deposit of up to 25% of the applicable Corporate ATM Acquisition Fee.
- 3.11. WIRELESS CONNECTION FEE.** You acknowledge and agree that for any wireless ATM locations you operate you must pay us a Wireless Connection Fee at our then-current price during the term of the Agreement, pursuant to our Methods of Operation (defined in Article 4.5.).

The ATM Relocation Fee shall be in the amount specified under our Methods of Operation, and that reasonably we may amend from time to time during the term of the Agreement, in our sole business judgment. The ATM Relocation Fee shall be deducted by us from the monies we collect in processing your ATM transactions pursuant to our Methods of Operations. The Operations Manual contains the System and other information and rules that we prescribe from time to time, some of which for the operation of an ACFN® business and information relating to your other obligations under this Agreement and related agreements, which, taken together, we refer to as methods of operation (“Methods of Operation”). Some of the Methods of Operation contained in the Operations Manual are mandatory, while other of the Methods of Operation are optional or recommended. The Operations Manual may be modified from time to time to reflect changes in Methods of Operation. You agree to keep your copy of the Operations Manual current and in a secure location. 5 MARKS.

5.1. **OWNERSHIP AND GOODWILL OF MARKS.** Your right to use the Marks is derived solely from this Agreement and limited to your operation of the BUSINESS pursuant to and in compliance with this Agreement and Methods of Operation, which we prescribe from time to time during its term. Your unauthorized use of the Marks will be a breach of this Agreement and an infringement of our rights in and to the Marks. You acknowledge and agree that your usage of the Marks and any goodwill established by such use will be exclusively for our benefit and that this Agreement does not confer any goodwill or other interests in the Marks upon you (other than the right to operate the BUSINESS in compliance with this Agreement). All provisions of this Agreement applicable to the Marks apply to any additional proprietary trademarks and service marks and commercial symbols we authorize you to use.

5.2. **LIMITATIONS ON YOUR USE OF MARKS.** You agree to use the Marks as the trade name and sole identification of the BUSINESS, except that you agree to identify yourself as the independent owner thereof in the manner we prescribe. You may not use any Marks as part of any corporate or legal business name or as part of an Internet domain name or Internet e-mail address or with any prefix, suffix or other modifying words, terms, designs or symbols (other than logos licensed to you hereunder), or in any modified form, nor may you use any Marks in connection with the performance or sale of any unauthorized services or products or in any other manner we have not expressly authorized in writing. You may, however, use the Marks as part of a fictitious or assumed name required by applicable law or as we prescribe or require. No Marks may be used in any advertising concerning the transfer, sale or other disposition of the BUSINESS or an ownership interest in you. You agree to display the Marks prominently in the manner we prescribe at the BUSINESS, on supplies or materials we designate and in connection with forms and advertising and marketing materials. You agree to give such notices of trademark and service marks registrations, i.e., “®”, “™”, as we specify and to obtain any fictitious or assumed name registrations required under applicable law. You agree to withdraw any fictitious or assumed name registrations immediately upon termination or expiration of this Franchise Agreement.

5.3. **NOTIFICATION OF INFRINGEMENTS AND CLAIMS.** You agree to notify us immediately of any apparent infringement or challenge to your use of any Marks or copyrights, or of any claim by any person of any rights in any Marks or copyrights, and agree not to communicate with any person other than us, our attorneys and your attorneys in connection with any such infringement, challenge or claim. We have sole discretion to take such action as we deem appropriate and the right to control exclusively any litigation, United State Patent and Trademark Office (“USPTO”) proceeding or any other administrative proceeding arising out of any such infringement, challenge or claim or otherwise relating to any Marks or copyrights. You agree to sign any and all instruments and documents, render such assistance and do such acts and things as, in the opinion of our attorneys, may be necessary or advisable to protect and maintain our interests in any litigation or USPTO proceeding or other proceeding or otherwise to protect and maintain our interests in the Marks or copyrights.

- 5.4. **DISCONTINUANCE OF USE OF MARKS.** If it becomes advisable at any time in our sole discretion for us and/or you to modify or discontinue the use of any Marks, use one or more additional or substitute trademarks, or service marks or modify or discontinue any copyrights, you agree to comply with our directions within a reasonable time after receiving notice thereof. We will not be obligated to reimburse you for any loss of revenue attributed to any modified or discontinued Marks or copyrights, or for any expenditures you make to promote a modified or substitute trademark or service mark or to use a copyright.

6 CONFIDENTIAL INFORMATION.

- 6.1. **DETERMINATION OF CONFIDENTIAL INFORMATION.** We possess (and will continue to develop and acquire), and may disclose to you, certain confidential information (the “Confidential Information”) relating to the development and operation of ACFN® businesses, which may include (without limitation):

- 6.1.1. The System, the Operations Manual, any other proprietary materials, the sales and marketing techniques used, and knowledge of and experience in developing and operating ACFN® businesses;

- 6.2. **FOR BUSINESS USE ONLY.** You acknowledge and agree that you will not acquire any interest in Confidential Information, other than the right to utilize Confidential Information disclosed to you in operating the BUSINESS during the term of this Agreement, and that the use or duplication of any Confidential Information in any other business would constitute an unfair method of competition. You further acknowledge and agree that Confidential Information is proprietary, includes our trade secrets and is disclosed to you solely on the condition that you agree, and you do hereby agree, that you:

- 6.2.1. Will not use Confidential Information in any other business capacity;

- 6.3. **IDEAS, CONCEPTS, TECHNIQUES OR MATERIALS.** All ideas, concepts, techniques or materials relating to an ACFN® business, whether or not constituting protectable intellectual property, and whether created by or on behalf of you or your owners, will be promptly disclosed to us, deemed to be our sole and exclusive property and part of the System and deemed to be works made for hire for us. You and your owners agree to sign whatever assignment or other documents we may request from time to time to evidence our ownership or to assist us in securing intellectual property rights in such ideas, concepts, techniques or materials.

7 EXCLUSIVE RELATIONSHIP.

7.1. EXCLUSIVE DEALINGS. You acknowledge and agree that we would be unable to protect Confidential Information against unauthorized use or disclosure or to encourage a free exchange of ideas and information among ACFN® businesses if franchised owners of ACFN® businesses were permitted to hold interests in or perform services for a Competitive Business (defined below). You also acknowledge that we have granted the Franchise to you in consideration of and reliance upon your agreement to deal exclusively with us. You therefore agree that, during the term of this Agreement, neither you nor any of your owners (nor any of your or your owners' spouses, children or other relatives by blood or marriage) will:

7.1.1. Have any direct or indirect interest as a disclosed or beneficial owner in a Competitive Business;

7.1.2. Perform services as a director, officer, manager, employee, consultant, representative, agent or otherwise for a Competitive Business; or

7.1.3. Recruit or hire any person who is our employee or the employee of any ACFN® business without obtaining the prior written permission of that person's employer.

Therefore, at all times during the term of this Agreement, you agree to operate and maintain the BUSINESS in accordance with Methods of Operation, as we periodically modify and supplement them during the term of this Agreement. All references to this Agreement include all Methods of Operation as periodically modified.
- 8.3. MODIFICATION OF METHODS OF OPERATION.** We may periodically modify Methods of Operation, as we determine, and any such modifications may obligate you to invest additional capital in the BUSINESS (“Capital Additions”) and/or incur higher operating costs; provided, however, that such modifications will not alter your fundamental status and rights under this Agreement. We will not obligate you to make any Capital Additions when such investment cannot, in our reasonable judgment, be amortized during the remaining term of this Agreement, unless we agree to extend the term of this Agreement so that such additional investment, in our reasonable judgment, may be amortized, or unless such investment is necessary in order to comply with applicable law.

In addition, as the ATM industry changes and evolves, there may be opportunities for us to allow ACFN® franchisees to offer additional services or participate in addition programs. In such case, we have the right in our sole discretion to review and determine from time to time if and how we and/or the ACFN® franchise system take advantage of such new opportunities, and the terms of any participation, which we have the right to make mandatory for you and all other ACFN® franchisees.

You shall not delegate the entire management of the BUSINESS without our prior written consent.

9 MARKETING.

- 9.1. BY US.** Recognizing the value of advertising and marketing to the goodwill and public image of ACFN® businesses, we may establish an advertising fund (the "Advertising Fund") for such advertising, marketing and public relations programs and materials as we deem necessary or appropriate in our sole discretion. Upon our written request, you agree to contribute to the Advertising Fund such amounts that we prescribe from time to time, not to exceed one (1%) percent of Gross Revenue (the "Ad Fee"), payable monthly in accordance with our Methods of Operation (defined in Article 4.5 above). As of the date of this Agreement, we have established an Advertising Fund and you must pay to us a monthly Ad Fee of 1% of your "net revenue," which, for the purposes of this Article 9.1., means the amount payable by us to you each month after all costs have been deducted, excluding the Virtual Office Fee described in Article 9.5. below. We have the right, however, upon written request, from time to time to decrease or increase the Ad Fee to up to 1% of Gross Revenue. We will direct all programs financed by the Advertising Fund, with sole discretion over the creative concepts materials and endorsements used therein and the geographic market and media placement and allocation thereof. You agree that the Advertising Fund may be used to pay the costs of preparing and producing video, audio and written advertising materials, administering regional and multiregional advertising programs, including, without limitation, purchasing direct mail and other media advertising and employing advertising, promotion and marketing agencies to assist therewith and supporting public relations, market research and other advertising promotion and marketing activities and amounts expended pursuant to Article 9.2. below. The Advertising Fund will furnish you with samples of advertising, marketing formats, promotional formats and other materials at no additional cost to you when we deem appropriate. Multiple copies of such materials will be furnished to you at our direct cost of producing them plus any related shipping handling and storage charges.

- 9.2. ACCOUNTING.** The Advertising Fund will be accounted for separately from our other funds and will not be used to defray any of our general operating expenses, except for such reasonable salaries, administrative costs, travel expenses and overhead as we may incur in activities related to the administration of the Advertising Fund and its programs including, without limitation, conducting market research, preparing advertising promotion and marketing materials, and collecting and accounting for contributions to the Advertising Fund. We may spend, on behalf of the Advertising Fund, in any fiscal year, an amount that is greater or less than the aggregate contribution of all ACFN® businesses to the Advertising Fund in that year and the Advertising Fund may borrow from us or others to cover deficits or invest any surplus for future use. All interest earned on monies contributed to the Advertising Fund will be used to pay advertising costs before other assets of the Advertising Fund are expended. We will prepare an annual, unaudited compiled statement of monies collected and costs incurred by the Advertising Fund and furnish the statement to you upon written request. We have the right to cause the Advertising Fund to be incorporated or operated through a separate entity at such time as we deem appropriate and such successor entity will have all of the rights and duties specified herein.
- 9.3. PROPORTIONALITY.** You acknowledge that the Advertising Fund is intended to maximize recognition of the Marks and patronage of ACFN® businesses. Although we will endeavor to utilize the Advertising Fund to develop advertising and marketing materials and programs and to place advertising that will benefit all ACFN® businesses, we undertake no obligation to ensure that expenditures by the Advertising Fund in or effecting any geographic area are proportionate or equivalent to the contributions to the Advertising Fund by ACFN® businesses operating in that geographic area. Nor are we under any obligation to ensure that any ACFN® business will benefit directly or in proportion to its Ad Fees paid to the Advertising Fund from the development of advertising and marketing materials or the placement of advertising. Except as expressly provided in this Article, we assume no direct or indirect liability or obligation to you with respect to collecting amounts due to, or maintaining, directing or administering the Advertising Fund.
- 9.4. DEFERRALS OR REDUCTIONS.** We reserve the right to defer or reduce contributions of an ACFN® business franchisee and, upon thirty (30) days' prior written notice to you, to reduce or suspend your payment of Ad Fees to and suspend operations of the Advertising Fund for one or more periods of any length and to terminate (and if terminated to reinstate) the Advertising Fund. If the Advertising Fund is terminated, all unspent monies on the date of termination will be distributed to our franchisees in proportion to their respective contributions to the Advertising Fund during the preceding three (3) month period, and amounts required to be paid pursuant to Article 9.1. above shall be added to amounts required to be expended pursuant to Article 9.5. below.
- 9.5. VIRTUAL OFFICE FEE.** In addition to any Ad Fees you pay to the Advertising Fund and the Start-Up Marketing Expense, you agree to pay us each Accounting Period for customer service and ATM location support functions that we will provide to you (the "Virtual Office Fee"). Each Accounting Period, we will calculate your share of Transaction Fees collected from your ATM locations, pursuant to our Methods of Operation. In any Accounting Period, if your share of Transaction Fees is less than Seven Hundred Fifty (\$750) Dollars, there is no Virtual Office Fee payable to us that month. In any Accounting Period, if your share of Transaction Fees is between Seven Hundred Fifty (\$750) Dollars and Eight Hundred Fifty (\$850) Dollars, the Virtual Office Fee is Fifty (\$50) Dollars. In any Accounting Period, if your share of Transaction Fees is between Eight Hundred Fifty (\$850) Dollars and Five Thousand (\$5,000) Dollars, the Virtual Office Fee is One Hundred (\$100) Dollars. In any Accounting Period, if your share of Transaction Fees is greater than Five Thousand (\$5,000) Dollars, the Virtual Office Fee will be at least One Hundred Fifty (\$150) Dollars and will increase by Fifty (\$50) Dollars for each Five Thousand Dollar (\$5,000) increment your share of Transaction Fees is above the Five Thousand Dollar (\$5,000) amount. For example, in any Accounting Period, you will pay a One Hundred Fifty Dollar (\$150) Virtual Office Fee if your share of Transaction Fees is between Five Thousand (\$5,000) Dollars and Ten Thousand (\$10,000) Dollars, a Two Hundred Dollar (\$200) Virtual Office Fee if your share of the Virtual Office Fee is between Ten Thousand (\$10,000) Dollars and Fifteen Thousand (\$15,000) Dollars, and so on. We may reasonably increase the required amount you pay us for the Virtual Office Fee from time to time upon thirty (30) day written notice from us to you, with such increases not to exceed ten (10%) percent during any twelve (12) month period during the term of the Agreement. All amounts owed to us under this Article shall be deducted by us from the monies we collect in processing your ATM transactions, pursuant to our Methods of Operations.

- 9.6. PROOF OF EXPENDITURE.** We may review your books and records from time to time to determine your expenditures for such advertising and promotion. Proof of expenditures is nevertheless your burden during the term of this Agreement. If we determine that you have not spent the requisite amounts, we may require you to pay such unexpended amounts into the Advertising Fund. The costs of all your telephone directory advertising of the BUSINESS in the principal regular (white pages) and classified (yellow pages) telephone directories covering the area in which the BUSINESS is located will not be credited toward the advertising and promotion obligation described in this Article, unless such ad is a pre-approved display or in-column ad.
- 9.7. MEDIA APPEARANCES.** You shall not make any television or radio appearance, or make any statement to any public media in connection with the BUSINESS, or the ACFN® business unless you obtain our prior written approval.
- 9.8. SOLICITATION OF NEW FRANCHISEES.** You acknowledge that we may from time to time develop advertising and promotional materials and displays regarding the solicitation of ACFN® franchisees. You agree to display all such materials and displays as required by us from time to time.
- 9.9. CUSTOMER WARRANTIES.** You shall participate in any System warranty programs which may be established by us from time to time, and to the extent not limited by applicable laws, shall provide to your customers such warranties regarding the services and products of the BUSINESS as we may reasonably require.
- 9.10. NOTHING BUT THE TRUTH.** You agree that any advertising, promotion and marketing you conduct will be completely clear and factual and not misleading and conform to the highest standards of ethical marketing and the promotion policies which we prescribe from time to time. Samples of all advertising, promotional and marketing materials, which we have not prepared or previously approved, must be submitted to us for approval before you use them. If you do not receive written disapproval within thirty (30) days after our receipt of such materials, we will be deemed to have given the required approval. You may not use any advertising or promotional materials that we have disapproved. We own the copyrights to anything so submitted, whether approved by us or not.
- 9.11. MULTIPLE LOCATION ACCOUNTS PROGRAM.**
- 9.11.1. *Purpose of MLA Program.* In order to maintain a competitive edge and to better attract multiple location accounts for our franchisees, we have developed a “Multiple Location Accounts Program” or “MLA Program.” The MLA Program is a strategy to be used from time to time, at our sole discretion, with certain “Multiple Location Accounts” or “MLAs,” defined as accounts with clients that (i) own or control multiple locations, and (ii) desire full ATM coverage for all or most their locations. Because full ATM coverage for a particular MLA may involve the on-going servicing of unqualified locations (*i.e.*, locations that otherwise would not meet our standards) and/or locations that under perform and would normally be removed and installed in a better location, we will use the MLA Program to reallocate some of the losses and gains between the various locations that are part of the MLA.
- 9.11.2. *Our Right to Establish MLA Programs for MLAs.* We have the right, in our sole discretion, to determine whether or not MLAs will be a part of the MLA Program. If we determine that a particular MLA will be a part of the MLA Program, we will establish and independently manage a separate MLA Program for that MLA. Notwithstanding any term or condition in the Agreement that may be to the contrary, if you currently operate, or are subsequently granted the right to operate, an ATM at a location that is part of a MLA for which we establish a MLA Program, you must participate in that MLA Program, as further described herein. We will not assess any extra fees to administer a MLA Program for a MLA and will distribute all revenue monthly so there are no deficits or overages.
- 9.11.3. *Minimum Guaranteed Payments.* Subject to the conditions described below, the minimum guaranteed payment to underperforming locations within a MLA will be Two Hundred Fifty

(\$250) Dollars per ATM, per month. This means that if you are a franchisee operating an ATM at a location within a MLA that produces less than Two Hundred Fifty (\$250) Dollars in net revenue for a given month, you will still be paid up to Two Hundred Fifty (\$250) Dollars for that month, with locations earning above Three Hundred Fifty (\$350) Dollars participating in offsetting this shortage. Conversely, if you are a franchisee operating an ATM at a location within a MLA that produces more than Three Hundred Fifty (\$350) Dollars in net revenue for a given month, you must participate in offsetting any shortages for any locations within the MLA that produce less than Two Hundred Fifty (\$250) Dollars in net revenue for that month. Participation will be based on a percentage of revenue above net revenue of Three Hundred Fifty (\$350) Dollars. For the purposes of this provision “net revenue” shall mean the gross surcharge collected less any profit sharing paid to the location, the applicable Transaction Fee and the applicable monthly ATM Administration Fee.

- 9.11.4. *Calculating Minimum Guaranteed Payments.* Underperforming locations within a MLA will only receive monthly minimum guaranteed payments to the extent that the total amount of their collective shortages in a given month are offset by the total amount collected (for the purposes of offsetting shortages) from locations within the MLA that produce more than Three Hundred Fifty (\$350) Dollars for that month, as described above. Accordingly, subject to the limitation described below, if the total amount collected (for the purpose of offsetting shortages) from locations within a MLA for a given month does not completely offset the total amount of the collective shortages of the underperforming locations within the MLA for that month, the underperforming locations will each share in the total amount collected (for the purpose of offsetting shortages) on a percentage basis determined by comparing their respective shortages to the total amount of the collective shortages. We are not obligated to contribute our own funds to offset any monthly individual or collective shortages for underperforming locations within an MLA, and do not ensure that underperforming locations within a MLA will receive the minimum guaranteed payment for any given month.
- 9.11.5. *Initial MLA Period; Activity Requirement.* You will not be eligible to receive revenue for an ATM located within a MLA (as described above) until the third (3rd) full calendar month of your operation of that ATM. In addition, you will not be eligible to receive revenue for an ATM located within a MLA (as described above) for a particular calendar month if the ATM was not active (i.e., online and operating) for the entire calendar month.
- 9.11.6. *Modifications to Minimum Guaranteed Payments and MLA Programs.* You acknowledge and agree that we have the right to increase or decrease, from time to time, the minimum guaranteed payment, as well as the other amounts described in this Provision, and these payments and amounts can be different for each MLA. You also acknowledge and agree that we may modify or discontinue, at any time, the MLA Program and any MLA Program we establish for a particular MLA. If you operate an ATM at a location that is part of a MLA, or becomes part of an MLA, we will notify you of the presence of, and any changes to, the MLA Program we establish for that MLA.

10 RECORDS, REPORTS AND FINANCIAL STATEMENTS.

- 10.1. **BOOKKEEPING.** You agree to establish and maintain at your own expense a bookkeeping, accounting and record keeping system conforming to the requirements and formats we prescribe from time to time. We may require you to use approved computer hardware and software in order to maintain certain sales data and other information. We may require you to use an accountant approved in writing by us in advance. You agree to furnish to us upon our request, on such forms that we prescribe from time to time, without limitation, as follows:

10.2. VERIFICATION. You agree to verify and sign each report and financial statement in the manner we prescribe. We have the right to disclose data derived from such reports without identifying you. We also have the right to require you to have reviewed or audited financial statements prepared on an annual basis. Moreover, we have the right, as often as we deem appropriate, including on a daily basis, to access the computer systems that you are required to maintain in connection with the operation of the BUSINESS and to retrieve all information relating to the BUSINESS' operations.

10.3. PHOTOGRAPHS, VIDEOS AND OTHER RECORDS. We and our representatives or agents have the right to take and collect photographs, videos or any electronic or other records of you, your owners and your employees, the voices of you, your owners or your employees, your ATMs or any other aspects of the BUSINESS, during any inspections, audits or visits (both formal and informal), or during any training, conventions or meetings, and the exclusive right to reproduce and use, or authorize others to reproduce and use, these photographs, videos and/or recordings singularly or in conjunction with other photographs, videos and/or recordings for advertising, publicity, training, commercial or other business purposes in all domestic and foreign markets. Neither we nor our representatives or agents will have any obligation to obtain your, your owners' or your employees' authorization, consent or release, or to compensate you, your owners or your employees in any manner, in connection with the reproduction and use of these materials for the purposes described above. In addition, to the extent required by applicable law, you shall obtain all necessary authorizations, consents or releases from your owners and employees to allow us and our representatives or agents to reproduce and use any photographs, videos and/or recordings we and our representatives or agents take or collect and, upon our request, you shall provide to us copies of any such authorizations, consents or releases. Upon our request, you also agree to share with us any of these materials that you collect and allow us and our representatives or agents to use them on a non-exclusive basis without paying any compensation to you, except for any pre-approved costs you incur in providing these materials to us. You, on behalf of yourself and your owners and employees, release us, our affiliates, our representatives and agents (including, without limitation, our appointed advertising agencies), and each of our and their directors, officers, agents, employees and representatives, from all claims of every kind on account of our or our representatives' or agents' reproduction and use of the materials described in this Article.

11 INSPECTIONS AND AUDITS.

11.1. OUR RIGHTS TO INSPECT THE BUSINESS. To determine whether you and the BUSINESS are complying with this Agreement and Methods of Operation, we and our designated agents have the right at any time during your regular business hours, and without prior notice to you, to:

- 11.1.1. Inspect your operation of the BUSINESS;
- 11.1.2. Observe, photograph and videotape the operations of the BUSINESS for such consecutive or intermittent periods, as we deem necessary;

11.1.3. Remove samples of any ancillary goods, materials or supplies for testing and analysis;

11.1.4. Interview personnel and customers of the BUSINESS; and

11.1.5. Inspect and copy any books, records and documents relating to your operation of the BUSINESS.

11.2. COOPERATION. You agree to cooperate with us fully in connection with any such inspections, observations, photographing, videotaping, product removal and interviews. You agree to present to your customers such evaluation forms that we periodically prescribe and to participate and/or request your customers to participate in any surveys performed by us or on our behalf.

11.3. OUR RIGHT TO AUDIT. We have the right at any time during regular business hours, and without prior notice to you, to inspect and audit, or cause to be inspected and audited, your (if you are a corporation or partnership) and the BUSINESS' business, bookkeeping and accounting records, sales and income tax records and returns and other records. You agree to cooperate fully with our representatives and independent accountants we hire to conduct any such inspection or audit. In the event such inspection or audit is made necessary by your failure to furnish reports, supporting records or other information as herein required, or to furnish such items on a timely basis, you agree to reimburse us for the reasonable cost of such inspection or audit, including, without limitation, the charges of attorneys and independent accountants and the travel expenses, room and board and compensation of our employees. In the event an inspection or audit reveals that any payments have been understated in any report to us, then you shall immediately pay to us the amount understated upon demand, in addition to interest from the date such amount was due until paid, at the highest contract rate of interest permitted by law. If an inspection or audit discloses an understatement in any report of two (2%) percent or more, you shall, in addition to repayment of monies owed with interest, reimburse us for any and all costs and expenses connected with the inspection or audit, including, without limitation, the charges of attorneys and independent accountants and the travel expenses, room and board and compensation of our employees. The foregoing remedies are in addition to our other remedies and rights under this Agreement and applicable law.

12 TRANSFER.

12.1. BY US. This Agreement is fully transferable by us and will inure to the benefit of any transferee or other legal successor to our interests herein.

12.2. BY YOU. You understand and acknowledge that the rights and duties created by this Agreement are personal to you (or, if you are a corporation or partnership, to your owners) and that we have granted the Franchise to you in reliance upon our perceptions of your (or your owners') individual or collective character, skill, aptitude, attitude, business ability, acumen and financial capacity. Accordingly, neither this Agreement (or any interest therein) nor any ownership or other interest in you or the BUSINESS may be transferred without our prior written approval. Any transfer without such approval constitutes a breach of the Agreement and is void and of no effect. As used in this Agreement, the term "transfer" includes your (or your owners') voluntary, involuntary, direct or indirect assignment, sale, gift or other disposition of any interest in:

12.2.1. This Agreement;

12.2.2. You; or

12.2.3. The BUSINESS.

12.3. ASSIGNMENT, ETC. An assignment, sale, gift or other disposition includes the following events:

12.3.1. Transfer of ownership of capital stock or a partnership interest in you;

12.3.2. Merger or consolidation or issuance of additional securities or interests representing an ownership interest in you;

- 12.3.3. Any issuance or sale of your stock or any security convertible to your stock to any person or entity other than an existing owner;
- 12.3.4. Transfer of an interest in you, this Agreement or the BUSINESS in a divorce, insolvency or corporate or partnership dissolution proceeding or otherwise by operation of law;
- 12.3.5. Transfer of an interest in you, this Agreement or the BUSINESS, in the event of your death or the death of one of your owners, by will, declaration of or transfer in trust or under the laws of intestate succession; or
- 12.3.6. Pledge of this Agreement (to someone other than us) or of an ownership interest in you as security, foreclosure upon the BUSINESS or your transfer, surrender or loss of possession, control or management of the BUSINESS.

12.4. CONDITIONS FOR APPROVAL OF TRANSFER. If you (and your owners) are in full compliance with this Agreement, then subject to the other provisions of this Article 12., we will approve a transfer that meets all the applicable requirements of this Article. The proposed transferee and its direct and indirect owners must be individuals of good moral character and otherwise meet our then-applicable standards for ACFN® business franchisees. Our approval is conditioned upon the transferee's willingness to execute our then-current form of franchise agreement. A transfer of ownership, possession or control of the BUSINESS may be made only in conjunction with a transfer of this Agreement. If the transfer is of this Agreement or a controlling interest in you, or is one of a series of transfers which in the aggregate constitute the transfer of this Agreement or a controlling interest in you, all of the following conditions must be met prior to or concurrently with the effective date of the transfer:

- 12.4.1. The transferee has the moral character, skill, aptitude, attitude, experience, references, acumen and financial capacity to operate the BUSINESS, and otherwise meets our then-applicable standards for ACFN® business franchisees as determined by us, in our sole discretion;
- 12.4.2. You have paid all Royalties, amounts owed for purchases from us and all other amounts owed to us or to third party creditors and have submitted all required reports and statements;
- 12.4.3. The Managing Owner of the transferee has agreed to complete training to our satisfaction;
- 12.4.4. You pay us a transfer fee in the amount of Fifteen Thousand (\$15,000) Dollars. You also pay us the costs we incur in connection with training the Managing Owner of the transferee and its other personnel. If the proposed transfer is among your owners, this Article 12.4.4 shall not apply, although you are required to reimburse us for any reasonable legal and administrative costs we incur in connection with the transfer;
- 12.4.5. The transferee signs our then-current standard form of franchise agreement and related documents used in the state in which your business is located (which may provide for different commissions, expenditures, duration and other rights and obligations than those provided in this Agreement) for a full new term. If the proposed transfer is among your owners, this Article 12.4.5 shall not apply, although we have the right to require you and your owners to sign our then current standard form of franchise agreement for the remaining term under this Agreement;
- 12.4.6. In lieu of an initial franchise fee under the new franchise agreement, the transferee pays us, on or prior to the date of the transfer, an amount equal to Two Thousand (\$2,000) Dollars for each full additional term year the transferee is receiving under the new franchise agreement beyond the full term years remaining under this Agreement (i.e., the number of full term years transferee is receiving under the then-current franchise agreement it is signing minus the remaining full term years under this Agreement as of the date of the transfer), and signs an addendum to the new franchise agreement in the form that we prescribe (see Appendix E to this Agreement for our current form) to effectuate this modification to the initial franchise fee. For purposes of this Article 12.4.6., the parties acknowledge and agree that they will not take into account any

applicable successor terms in determining the number of full term years remaining under this Agreement or the number of full term years the transferee is receiving under the new franchise agreement;

- 12.4.7. You (and your transferring owners) have executed a general release, in form satisfactory to us, of any and all claims against us and our shareholders, officers, directors, employees and agents;
- 12.4.8. We have approved the material terms and conditions of such transfer and determined that the price and terms of payment will not adversely effect the transferee's operation of the BUSINESS (but make no representation of any kind whatsoever to anyone that such is the case);
- 12.4.9. If you, or your owners, finance any part of the sale price of the transferred interest, you and/or your owners have agreed that all of the transferees' obligations pursuant to any promissory notes, agreements or security interest that your or your owners have reserved in the BUSINESS are subordinate to the transferee's obligation to pay Royalties and other amounts due to us and otherwise to comply with this Agreement;
- 12.4.10. You and your transferring owners have executed an agreement in favor of us agreeing to be bound, commencing on the effective date of the transfer, by the restrictions contained in Article 15.4. hereof;
- 12.4.11. You and your transferring owners have agreed that you and they will not directly or indirectly at any time or in any manner (except with respect to other ACFN® businesses you own and operate) identify yourself or themselves or any business as a current or former ACFN® business, or as one of our licensees or franchisees, use any Marks, any colorable imitation thereof or other indicia of an ACFN® business in any manner or for any purpose or utilize for any purpose any trade name, trademark or service mark or other commercial symbol that suggests or indicates a connection or association with us;
- 12.4.12. You forfeit all further rights to any pending leads we provided to you, with the understanding that you are not selling or otherwise transferring these leads to the transferee, and we can assign them to other franchisees; and
- 12.4.13. Any other reasonable condition we require.

12.5. TRANSFER TO A WHOLLY OWNED CORPORATION. Notwithstanding Article 12.4. hereof, if you are in full compliance with this Agreement, you may transfer this Agreement to a corporation which conducts no business other than the BUSINESS and, if applicable, other ACFN® businesses, in which you maintain management control and of which you own and control one hundred (100%) percent of the equity and voting power of all issued and outstanding capital stock, and further provided that all assets of the BUSINESS are owned, and the entire business of the BUSINESS is conducted, by a single corporation. Transfers of shares in such corporation will be subject to the provisions of Article 12.4. hereof. Notwithstanding anything to the contrary herein, you agree to remain personally liable under this Agreement as if the transfer to such corporation had not occurred.

12.6. TRANSFER UPON YOUR DEATH OR DISABILITY. Upon your death or permanent disability or, if you are a corporation or partnership, the death or permanent disability of the owner of a controlling interest in you, your or such owner's executor, administrator, conservator, guardian or other personal representative must transfer your interest in this Agreement or such owner's interest in you to a third party. Such disposition of this Agreement or the interest in you (including, without limitation, transfer by bequest or inheritance) must be completed within a reasonable time, not to exceed two (2) months from the date of death or permanent disability, and will be subject to all of the terms and conditions applicable to transfers contained in this Article. A failure to transfer your interest in this Agreement or the ownership interest in you within this period of time constitutes a breach of this Agreement. For purposes hereof, the term "permanent disability" means a mental or physical disability, impairment or condition that is reasonably expected to prevent or actually does prevent you or an owner of a controlling interest in you from

managing and operating the BUSINESS for a period of two (2) months from the onset of such disability, impairment or condition.

- 12.7. OPERATION UPON YOUR DEATH OR DISABILITY.** If, upon your death or permanent disability or the death or permanent disability of the owner of a controlling interest in you, the BUSINESS is not being managed by a trained manager, your or such owner's executor, administrator, conservator, guardian or other personal representative must within a reasonable time, not to exceed fifteen (15) days from the date of death or permanent disability, appoint a manager to operate the BUSINESS. Such manager will be required to complete training at your expense within sixty (60) days of being appointed to operate the BUSINESS. Pending the appointment of a manager as provided above or if, in our judgment, the BUSINESS is not being managed properly any time after your death or permanent disability or after the death or permanent disability of the owner of a controlling interest in you, we have the right, but not the obligation, to appoint a manager for the BUSINESS. All funds from the operation of the BUSINESS during the management by our appointed manager will be kept in a separate account, and all expenses of the BUSINESS, including compensation, other costs and travel and living expenses of our manager, will be charged to this account. We also have the right to charge a reasonable management fee (in addition to other fees payable under this Agreement) during the period that our appointed manager manages the BUSINESS. Operation of the BUSINESS during any such period will be on your behalf, provided that we only have a duty to utilize reasonable efforts in doing so and will not be liable to you or your owners for any debts, losses or obligations incurred by the BUSINESS or to any of your creditors for any products, materials, supplies or services the BUSINESS purchases during any period it is managed by our appointed manager.
- 12.8. EFFECT OF CONSENT TO TRANSFER.** Our consent to a transfer of this Agreement and the BUSINESS or any interest in you does not constitute a representation as to the fairness of the terms of any contract between you and the transferee, a guarantee of the prospects of success of the BUSINESS or transferee or a waiver of any claims we may have against you (or your owners) or of our right to demand the transferee's exact compliance with any of the terms or conditions of this Agreement.
- 12.9. BONA FIDE OFFERS.** If you (or any of your owners) at any time determine to sell, assign or transfer for consideration an interest in this Agreement and the BUSINESS or an ownership interest in you, you (or such owner) agree to obtain a *bona fide*, executed written offer and earnest money deposit (in the amount of five (5%) percent or more of the offering price) from a responsible and fully disclosed offer (including lists of the owners of record and beneficially of any corporate offer and all general and limited partners of any partnership offeror and, in the case of a publicly held corporation or limited partnership, copies of the most current annual and quarterly reports and Form 10(K) and immediately submit to us a true and complete copy of such offer, which includes details of the payment terms of the proposed sale and the sources and terms of any financing for the proposed purchase price. To be a valid, *bona fide* offer, the proposed purchase price must be denominated in a dollar amount. The offer must apply only to an interest in you or in this Agreement and the BUSINESS and may not include an offer to purchase any of your (or your owners') other property or rights. However, if the offer proposes to buy any other property or rights from you (or your owners) under a separate, contemporaneous offer, such separate, contemporaneous offer must be disclosed to us, and the price and terms of purchase offered to you (or your owners) for the interest in you or in this Agreement and the BUSINESS must reflect the *bona fide* price offered therefor and not reflect any value for any other property rights.
- 12.10. OUR RIGHT OF FIRST REFUSAL.** We have the right, exercisable by written notice delivered to you or your selling owners within sixty (60) days from the date of the delivery to us of both an exact copy of such *bona fide* offer and all other information we request, to purchase such interest for the price and on the terms and conditions contained in such *bona fide* offer, provided that:
- 12.10.1. We may substitute cash for any form of payment proposed in such offer;
- 12.10.2. Our credit will be deemed equal to the credit of any proposed purchaser;
- 12.10.3. We will have not less than sixty (60) days after giving notice of our election to purchase to prepare for closing; and

12.10.4. We are entitled to receive, and you and your owners agree to make, all customary representations and warranties given by the seller of the assets of a business or the capital stock of an incorporated business, as applicable, including, without limitation, representations and warranties as to:

12.10.4.1. Ownership and condition of and title to stock or other forms of ownership interest and/or assets;

12.10.4.2. Liens and encumbrances relating to the stock or other ownership interest and/or assets; and

12.10.4.3. Validity of contracts and the liabilities, contingent or otherwise, of the corporation whose stock is being purchased.

12.11. EXERCISE. If we exercise our right of first refusal, you and your selling owner(s) agree that, for a period of twenty four (24) months commencing on the date of the closing, you and they will be bound by the non-competition covenant contained in Article 15.4. hereof. You and your selling owner(s) further agree that you and they will, during this same time period, abide by the restrictions of Article 12.4.11. of this Agreement.

12.12. NON-EXERCISE. If we do not exercise our right of first refusal, you or your owners may complete the sale to such purchaser pursuant to and on the exact terms of such *bona fide* offer, subject to our approval of the transfer as provided in Articles 12.2., 12.3., and 12.4. hereof provided that, if the sale to such purchaser is not completed within one hundred twenty (120) days after delivery of such *bona fide* offer to us, or if there is a material change in the terms of the sale (which you agree promptly to communicate to us), we will have an additional right of first refusal during the thirty (30) day period following either the expiration of such one hundred twenty (120) day period or notice to us of the material changes) in the terms of the sale, either on the terms originally offered or the modified terms, at our option.

13 EXPIRATION OF THIS AGREEMENT.

13.1. ACQUISITION OF A SUCCESSOR FRANCHISE. Upon expiration of the term of this Agreement, if you (and each of your owners) have substantially complied with this Agreement during its term, subject to the terms and conditions set forth in this Article 13., you will have the right to acquire a successor franchise to operate the BUSINESS as an ACFN® business on the terms and conditions of the franchise agreement we are then using in granting successor franchises for ACFN® businesses, provided you add or replace equipment and otherwise modify the BUSINESS as we require to bring it into compliance with specifications and standards then applicable for ACFN® businesses. The successor franchise fee shall be Ten Thousand (\$10,000) Dollars.

13.2. GRANT OF A SUCCESSOR FRANCHISE. You agree to give us written notice of your election to acquire a successor franchise at least six (6) months and not more than twelve (12) months prior to the expiration of the then-current term of the Agreement. We agree to give you written notice (“Our Notice”), not more than ninety (90) days after we receive your notice, of our decision, in accordance with Article 13.1.:

13.2.1. To grant you a ten (10) year successor franchise;

13.2.2. To grant you a successor franchise on the condition that deficiencies of the BUSINESS or in your operation of the BUSINESS, are corrected; or

13.2.3. Not to grant you a successor franchise based on our determination that you and your owners have not substantially complied with this Agreement during its term.

13.3. OUR NOTICE. If applicable, Our Notice will:

13.3.1. Describe the improvements or modifications required to bring the BUSINESS into compliance with then applicable specifications and standards for ACFN® businesses; and

13.3.2. State the actions you must take to correct operating deficiencies and the time period in which such deficiencies must be corrected.

13.4. NO GRANT. If we elect not to grant a successor franchise, Our Notice will describe the reasons for our decision. Your right to acquire a successor franchise is subject to your continued compliance with all of the terms and conditions of this Agreement through the date of its expiration, in addition to your compliance with the obligations described in Our Notice.

13.5. 90 DAY CURE. If Our Notice states that you must cure certain deficiencies of the BUSINESS or its operation as a condition to the grant of a successor franchise, we will give you written notice of a decision not to grant a successor franchise, based upon your failure to cure such deficiencies, not less than ninety (90) days prior to the expiration of this Agreement, provided, however, that we will not be required to give you such notice if we decide not to grant you a successor franchise due to your breach of this Agreement during the one hundred eighty (180) day period prior to its expiration. If we fail to give you:

13.5.1. Notice of deficiencies in the BUSINESS, or in your operation of the BUSINESS, within one hundred eighty (180) days after we receive your timely election to acquire a successor franchise; or

13.5.2. Notice of our decision not to grant a successor franchise at least ninety (90) days prior to the expiration of this Agreement, if such notice is required, we may extend the term of this Agreement for such period of time as is necessary in order to provide you with either reasonable time to correct deficiencies or the ninety (90) day notice of our refusal to grant a successor franchise required hereunder.

13.6. AGREEMENTS/RELEASES. If you satisfy all of the other conditions to the grant of a successor franchise, you and your owners agree to execute the form of franchise agreement and any ancillary agreements we are then customarily using in connection with the grant of successor franchises for ACFN® businesses. You and your owners further agree to execute general releases, in form satisfactory to us, of any and all claims against us and our shareholders, officers, directors, employees, agents, successors and assigns. Failure by you or your owners to sign such agreements and releases and deliver them to us for acceptance and execution one hundred eighty (180) days after their delivery to you will be deemed an election not to acquire a successor franchise.

14 TERMINATION OF AGREEMENT.

- 14.2.8. You (or any of your owners) make an unauthorized assignment of this Agreement or of an ownership interest in you or the BUSINESS;

If that ATM location is part of a MLA or other group arrangement that is not an MLA (like a group of hotels), as we have the right to determine, we may require you to transfer the rights to all of your ATM locations that are part of the MLA or the group arrangement to us, an affiliate or another ACFN® franchisee, and you must immediately remove your ATMs from those locations. A “service violation” at an ATM location is defined as: (i) any time the ATM runs out of cash; or (ii) your failure to respond to a service call at the ATM location within twenty-four (24) hours.

15 OUR AND YOUR RIGHTS AND OBLIGATIONS UPON TERMINATION OR EXPIRATION OF THIS AGREEMENT.

You agree that we may immediately replace any or all of your ATMs with company-owned ATMs or franchisee-owned ATMs. After the effective date of termination or expiration of this Agreement, we may agree, in our sole discretion, to allow you to continue to operate ATMs at your then-existing customer account locations, provided however, that you must execute our then-current form of ATM location ongoing support agreement.

15.2. MARKS. Upon the termination, for any reason, or expiration of this Agreement:

15.2.1. You may not directly or indirectly at any time or in any manner (except with respect to other ACFN® businesses you own and operate) identify yourself or any business as a current or former ACFN® business, or as one of our licensees or franchisees; nor use any Marks, any colorable imitation thereof or other indicia of an ACFN® business in any manner or for any purpose or utilize for any purpose any trade name, trademark or service mark or other commercial symbol that indicates or suggests a connection or association with us;

15.2.4. If we do not exercise our option to purchase the BUSINESS pursuant to Article 15.6., you agree that, after the Notification Date, you will promptly and at your own expense make such alterations as we may specify to distinguish the BUSINESS clearly from its former appearance and from other ACFN® businesses so as to prevent confusion therewith by the public;

15.2.5. If we do not exercise our option to purchase the BUSINESS pursuant to Article 15.6., you agree that, after the Notification Date, you will notify any Internet service companies of the transfer of any Internet address you may be using to us, and you will notify the telephone company and all telephone directory publishers of the termination or expiration of your right to use any telephone, teletype or other numbers and any regular, classified or other telephone directory listings associated with any Marks, authorize the transfer of such numbers and directory listings to us or at

15.3. CONFIDENTIAL INFORMATION. You agree that, upon termination or expiration of this Agreement, you will immediately cease to use any of our Confidential Information in any business or otherwise and return to us all copies of the Operations Manual and any other confidential materials, including, without limitation, computer software and any mechanisms (electronic key) used to access the software, that we have allowed you to use.

15.4. COVENANT NOT TO COMPETE. Upon:

15.4.1. Our termination of this Agreement in accordance with its terms and conditions, including the transfer or assignment of this Agreement or any interest in the BUSINESS, or

15.4.2. Your termination of this Agreement without cause,

15.4.3. Your sale, transfer or assignment of any interest in the BUSINESS, or

15.4.4. Expiration of this Agreement (if we refuse to grant, or you elect not to acquire, a successor franchise), you and your owners agree that, for a period of twenty four (24) months (the "Restriction Period") commencing on the effective date of termination or expiration or the date on which a person restricted by this Article begins to comply with this Article, whichever is later, neither you nor any of your owners will have any direct or indirect interest (i.e., through a spouse or child) as a disclosed or beneficial owner, investor, partner, director, officer, employee, consultant, representative or agent or in any other capacity in any Competitive Business (as defined in Article 7.2. above) operating within One Hundred (100) miles of your previous ATM locations operated under this Agreement.

15.5. COMMENCEMENT BY ORDER. If any person restricted by this Article refuses voluntarily to comply with the foregoing obligations, the Restriction Period will commence with the entry of an order of an arbitrator, or court if necessary, enforcing this provision. You and your owners expressly acknowledge that you possess skills and abilities of a general nature and have other opportunities for exploiting such skills. Consequently, enforcement of the covenants made in this Article will not deprive you of your personal goodwill or ability to earn a living.

15.6. OUR RIGHT TO PURCHASE BUSINESS.

15.6.1. *Exercise of Option.* Upon our termination of this Agreement in accordance with its terms and conditions or your termination of this Agreement without cause, we have the option, exercisable by giving written notice thereof to you within sixty (60) days from the date of such termination or expiration, to purchase the BUSINESS from you. (The date on which we notify you whether or not we are exercising our option is referred to in this Agreement as the "Notification Date.") We have the unrestricted right to assign this option to purchase the BUSINESS. We will be entitled to all customary warranties and representations in connection with our asset purchase, including, without limitation, representations and warranties as to ownership and condition of and title to assets; liens and encumbrances on assets; validity of contracts and agreements; and liabilities effecting the assets, contingent or otherwise.

15.6.2. *Purchase Price.* The purchase price for the BUSINESS will be its fair market value, determined in a manner consistent with reasonable depreciation of the BUSINESS' equipment, signs, inventory, materials and supplies, provided that the BUSINESS will be valued as an independent business and its value will not include any value for the Franchise or any rights granted by this Agreement; the Marks; or participation in the network of ACFN® businesses.

- 15.6.3. *Fair Market Value.* The BUSINESS' fair market value will include the reasonable goodwill you developed in the Territory since your commencement of operations independent of the goodwill of the Marks and the System.
- 15.6.4. *Exclusions.* We may exclude from the assets purchased hereunder cash or its equivalent and any equipment, signs, inventory, materials and supplies that are not reasonably necessary (in function or quality) to the BUSINESS' operation or that we have not approved as meeting standards for ACFN® businesses, and the purchase price will reflect such exclusions.
- 15.6.5. *Appraisal.* If we and you are unable to agree on the BUSINESS' fair market value, its fair market value will be determined by three (3) independent appraisers who collectively will conduct one (1) appraisal. We will appoint one appraiser, you will appoint one appraiser and the two party appointed appraisers will appoint the third appraiser. You and we agree to select our respective appraisers within fifteen (15) days after the date we determine that we are unable to agree on the BUSINESS' fair market value, and the two appraisers so chosen are obligated to appoint the third appraiser within fifteen (15) days after the date on which the last of the two party appointed appraisers was appointed. You and we will bear the cost of our own appraisers and share equally the reasonable fees and expenses of the third appraiser chosen by the two party appointed appraisers. You and we will take reasonable actions to cause the appraisers to complete their appraisal within thirty (30) days after the third appraiser's appointment.
- 15.6.6. *Closing.* The purchase price will be paid at the closing of the purchase, which will take place not later than ninety (90) days after determination of the purchase price. We have the right to set off against the purchase price, and thereby reduce the purchase price by, any and all amounts you or your owners owe to us.
- 15.6.7. *Instruments.* At the closing, you agree to deliver instruments transferring:
- 15.6.7.1. Good and merchantable title to the assets purchased, free and clear of all liens and encumbrances (other than liens and security interests acceptable to us), with all sales and other transfer taxes paid by you; and
- 15.6.7.2. All licenses and permits of the BUSINESS which may be assigned or transferred.
- 15.6.8. *Escrow.* If you cannot deliver clear title to all of the purchased assets, or if there are other unresolved issues, the closing of the sale will be accomplished through an escrow.
- 15.6.9. *Releases.* You and your owners agree to execute general releases, in form satisfactory to us, of any and all claims against us and our shareholders, officers, directors, employees, agents, successors and assigns. You agree to indemnify, exculpate, defend and hold us, our affiliates and our respective shareholders, directors, officers, employees, agents, successors and assignees (the "Indemnified Parties") harmless from and against and to reimburse any one or more of the Indemnified Parties for all claims, obligations, liabilities, costs, and damages, any and all taxes described in Article 16.3. hereof and any and all claims and liabilities directly or indirectly arising out of the BUSINESS' operation or your breach of this Agreement.

15.7. CONTINUING OBLIGATIONS. All of our and your (and your owners' and affiliates') obligations which expressly or by their nature survive the expiration or termination of this Agreement will continue in full force and effect subsequent to and notwithstanding its expiration or termination and until they are satisfied in full or by their nature expire.

16 RELATIONSHIP OF THE PARTIES AND INDEMNIFICATION.

16.1. INDEPENDENT CONTRACTORS. You and we understand and agree that this Agreement does not create a fiduciary relationship between you and us, that we and you are and will be independent contractors and that nothing in this Agreement is intended to make either you or us a general or special agent, joint

venturer, partner or employee of the other for any purpose. You agree to conspicuously identify yourself in all dealing with customers, suppliers, public officials, BUSINESS personnel and others as the owner of the BUSINESS under a franchise we have granted and to place such notices of independent ownership on such forms, checks, business cards, stationery and advertising and other materials as we may require from time to time.

16.2. NO LIABILITY FOR ACTS OF OTHER PARTY. You agree not to employ any of the Marks in signing any contract or applying for any license or permit, or in a manner that may result in our liability for any of your indebtedness or obligations, and that you will not use the Marks in any way we have not expressly authorized. Neither we nor you will make any express or implied agreements, warranties, guarantees or representations or incur any debt in the name or on behalf of the other, represent that our respective relationship is other than franchisor and franchisee or be obligated by or have any liability under any agreements or representations made by the other that are not expressly authorized in writing. We will not be obligated for any damages of any nature whatsoever to any person or property directly or indirectly arising out of the BUSINESS' operation or the business you conduct pursuant to this Agreement.

16.3. TAXES. We will have no liability for any sales, use, service, occupation, employment related, excise, gross receipts, income, property or other taxes, whether levied upon you or the BUSINESS, in connection with the business you conduct (except any taxes we are required by law to collect from you with respect to purchases from us). Payment of all such taxes is your responsibility.

16.4. INDEMNIFICATION. You agree to indemnify, exculpate, defend and hold us, our affiliates and our respective shareholders, directors, officers, employees, agents, successors and assignees (the "Indemnified Parties") harmless from and against and to reimburse any one or more of the Indemnified Parties for all claims, obligations and damages described in this Article, any and all taxes described in Article 16.3. above and any and all claims and liabilities directly or indirectly arising out of the BUSINESS' operation or your breach of this Agreement. For purposes of this indemnification, "claims" includes all obligations, liabilities, damages (actual, consequential or otherwise) and costs reasonably incurred in the defense of any claim against any of the Indemnified Parties, including, without limitation, reasonable accountants', arbitrators', attorneys' and expert witness fees, costs of investigation and proof of facts, court costs, other expenses of litigation, arbitration or alternative dispute resolution and travel and living expenses. The Indemnified Parties (including without limitation us and our affiliates) each have the right to defend any such claim against them. In addition, the Indemnified Parties (including without limitation us and our affiliates) each reserve the right to select their own legal counsel to defend them and represent their interest, and you must pay the Indemnified Parties for their costs and attorneys' fees. The indemnification obligations described in this Section 16.4 will continue in full force and effect subsequent to and notwithstanding the expiration or termination of this Agreement.

16.5. MITIGATION NOT REQUIRED. Under no circumstances will we or any other Indemnified Party be required to seek recovery from any insurer or other third party, or otherwise to mitigate our, their or your losses and expenses, in order to maintain and recover fully a claim against you. You agree that a failure to pursue such recovery or mitigate a loss will in no way reduce or alter the amounts we or another Indemnified Party may recover from you.

17 ENFORCEMENT.

17.1. SEVERABILITY AND SUBSTITUTION OF VALID PROVISIONS. Except as expressly provided to the contrary herein, each provision of this Agreement, and any portion thereof, will be considered severable, and if, for any reason, any such provision is held to be invalid or contrary to or in conflict with any applicable present or future law or regulation in a final, unappealable ruling issued by any court, agency or tribunal with competent jurisdiction in a proceeding to which we are a party, that ruling will not impair the operation of, or have any other effect upon, such other portions of this Agreement as may remain otherwise intelligible, which will continue to be given full force and effect and bind the parties hereto, although any portion held to be invalid will be deemed not to be a part of this Agreement from the date the time for appeal expires, if you are a party thereto, otherwise upon your receipt from us of a notice of non-enforcement thereof.

- 17.2. LESSER COVENANT ENFORCEABLE.** If any covenant herein which restricts competitive activity is deemed unenforceable by virtue of its scope in terms of area, business activity prohibited and/or length of time, but would be enforceable by reducing any part or all thereof, you and we agree that such covenant will be enforced to the fullest extent permissible under the laws and public policies applied in the jurisdiction whose law is applicable to the validity of such covenant.
- 17.3. GREATER NOTICE.** If any applicable and binding law or rule of any jurisdiction requires a greater prior notice than is required hereunder of the termination of this Agreement or of our refusal to enter into a successor franchise agreement, or the taking of some other action not required hereunder, or if, under any applicable and binding law or rule of any jurisdiction, any provision of this Agreement or any of Methods of Operation is invalid or unenforceable the prior notice and/or other action required by such law or rule will be substituted for the comparable provisions hereof, we will have the right in our sole discretion to modify such invalid or unenforceable provision or unenforceable part of Methods of Operation to the extent required to be valid and enforceable. You agree to be bound by any promise or covenant imposing the maximum duty permitted by law which is subsumed within the terms of any provision hereof as though it were separately articulated in and made a part of this Agreement, that may result from striking from any of the provisions hereof, or any part of Methods of Operation, any portion or portions which a court or arbitrator may hold to be unenforceable in a final decision to which we are a party, or from reducing the scope of any promise or covenant to the extent required to comply with such a court order or arbitration award. Such modifications to this Agreement will be effective only in such jurisdiction, unless we elect to give them greater applicability, and will be enforced as originally made and entered into in all other jurisdictions.
- 17.4. WAIVER OF OBLIGATIONS.** We and you may by written instrument unilaterally waive or reduce any obligation of or restriction upon the other under this Agreement, effective upon delivery of written notice thereof to the other or such other effective date stated in the notice of waiver. Any waiver we grant will be without prejudice to any other rights we may have, will be subject to our continuing review and may be revoked, in our sole discretion, at any time and for any reason, effective upon delivery to you of ten (10) days' prior written notice.
- 17.5. NON-WAIVER.** We and you will not be deemed to have waived or impaired any right, power or option reserved by this Agreement (including without limitation the right to demand exact compliance with every term, condition and covenant herein or to declare any breach thereof to be a default and to terminate this Agreement prior to the expiration of its term) by virtue of any custom or practice at variance with the terms hereof; our or your failure, refusal or neglect to exercise any right under this Agreement or to insist upon exact compliance by the other with our and your obligations hereunder including without limitation Methods of Operation; our waiver, forbearance, delay, failure, or omission to exercise any right, power or option whether of the same, similar or different nature with respect to other ACFN® businesses; the existence of other franchise agreements for ACFN® businesses which contain different provisions from those contained herein; or our acceptance of any payments due from you after any breach of this Agreement. No special or restrictive legend or endorsement on any check or similar item given to us will constitute a waiver, compromise, settlement, or accord, and satisfaction. We are authorized to remove or obliterate any legend or endorsement, and such legend or endorsement will have no effect.
- 17.6. FORCE MAJEURE.** Neither we nor you will be liable for loss or damage or deemed to be in breach of this Agreement if our failure to perform our or your obligations results from:

- 17.6.4. Any other similar event or cause.
- 17.7. - 17.8. OUT OF STOCK AND DISCONTINUED.** We are not liable to you for any loss or damage, or deemed to be in breach of this Agreement, if we cannot deliver, or cause to be delivered, or if our Affiliates or designated sources or approved suppliers cannot deliver, all of your orders for ancillary goods, merchandise, equipment, supplies, etc., where such things are out-of-stock or discontinued.
- 17.9. COSTS AND ATTORNEYS' FEES.** If we incur expenses in connection with your failure to pay when due amounts owed to us, to submit when due any reports, information or supporting records or otherwise to comply with this Agreement, you agree to reimburse us for any of the costs and expenses which we incur, including, without limitation, reasonable accounting, attorneys', arbitrators' and related fees.

You agree that all such claims will, if not otherwise resolved by us, be submitted to arbitration as provided in Article 17.12. below.
- 17.11. RIGHTS OF PARTIES ARE CUMULATIVE.** Our and your rights hereunder are cumulative, and no exercise or enforcement by us or you of any right or remedy hereunder will preclude our or your exercise or enforcement of any other right or remedy hereunder which we or you are entitled by law to enforce.

- 17.17. LIMITATIONS OF CLAIMS.** Except for claims arising from your nonpayment or underpayment of amounts you owe us pursuant to this Agreement, any and all claims arising out of or relating to this Agreement or our relationship with you will be barred unless a judicial or arbitration proceeding is commenced within one (1) year from the date on which the party asserting such claim knew or should have known of the facts giving rise to such claims.

All capitalized terms, unless otherwise indicated, shall have the meanings attributed to them in the Agreement.

NOW THEREFORE, in consideration of the mutual promises and covenants contained herein, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows.

Revenues from franchising include initial franchise fees, equipment sales, and processing fees. Processing fees are recognized in the period earned. Processing fees include interchange, transaction surcharge, ATM administration, ATM communications, and other ATM transaction-related fees.

Revenues from selling acquired ATM Portfolios are recognized upon closing of the sales agreement and are included as revenue in the statements of operations. The related cost of acquiring the businesses for purpose of selling to others are included as cost of sales.

Management determines the allowance for doubtful accounts based on a combination of write-off history, aging analysis, and any specific known troubled accounts. Trade receivables are written off when deemed uncollectible.

Property and Equipment

Property and equipment are recorded at cost. Major improvements are capitalized, while maintenance and repairs are charged to expense as incurred. Gains and losses from disposition of property and equipment are included in income and expense when realized. Depreciation is provided using the straight-line method over the following estimated useful lives:

Furniture and fixtures	7-10 years
Equipment	10 years
Computers	3-5 years

Intangible Assets

On March 10, 2009, the Company entered an agreement with AFFA, Inc., a related party, with respect of the ATM machines sold by AFFA, Inc. to the Company's franchisees. Pursuant to the agreement, the Company paid \$100,000 each to AFFA, Inc. in 2010 and 2009, which is based on estimated revenue to be generated from interchange from those machines by the Company in the next future 7 years. The Company amortizes such assets on a straight-line basis over 7 years.

Commissions Payable to Franchisees

Commissions payable to franchisees represent monies collected on behalf of the franchisees under the franchise agreement from ATM surcharge fees charged to the customers. These are recorded at the time the ATM surcharge fees are incurred by the customers.

Fair Value of Financial Instruments

The Company is required to disclose the estimated fair value of certain assets and liabilities in accordance with ASC-825-10, "Financial Instruments". As of December 31, 2013, 2012, and 2011, the Company believes that the carrying value of cash, accounts receivable, accounts payable, accrued expenses, and other current assets and liabilities approximate fair value due to the short maturity of these financial instruments.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

The Company has elected to be treated as an S Corporation for federal and state income tax purposes. Pursuant to this election, the taxable income and loss of the Company is included in the income tax returns of the stockholders. Consequently, no federal income tax provision is recorded in the accompanying financial statements. As of December 31, 2013, a corporation tax equal to \$800 and \$2,207 was imposed upon the Company by the State of California and Texas, respectively.

Long-lived Assets

In accordance with ASC 360, "Property, Plant, and Equipment," the Company reviews for impairment of long-lived assets and certain identifiable intangibles whenever events or circumstances indicate that the carrying amount of assets may not be recoverable. The Company considers the carrying value of assets may not be recoverable based upon our review of the following events or changes in circumstances: the asset's ability to continue to generate income from operations and positive cash flow in future periods; loss of legal ownership or title to the assets; significant changes in our strategic business objectives and utilization of the asset; or significant negative industry or economic trends. An impairment loss would be recognized when estimated future cash flows expected to result from the use of the asset are less than its carrying amount.

As of December 31, 2013, 2012 and 2011, the Company was not aware of any events or changes in circumstances that would indicate that the long-lived assets are impaired.

Concentration of Credit Risk

Financial instruments that potentially subject the Company to concentrations of credit risk are accounts receivable and other receivables arising from its normal business activities. The Company has a diversified customer base. The Company controls credit risk related to accounts receivable through credit approvals, credit limits and monitoring procedures. The Company routinely assesses the financial strength of its customers and, based upon factors surrounding the credit risk, establishes an allowance, if required, for un-collectible accounts and, as a consequence, believes that its accounts receivable related credit risk exposure beyond such allowance is limited.

The Company maintains cash in one account located in Northern California and one account in Canada. Both are non-interest bearing transaction account and insured by the Federal Deposit Insurance Corporation (FDIC) from December 31, 2012 through December 31, 2013. 5. Deferral of Initial Franchise Fee and Initial Training Fee. Based on our financial condition, the Illinois Attorney General's Office has imposed a fee deferral requirement with respect to franchises governed by Illinois law. Therefore, if your franchise is governed by Illinois law, notwithstanding the language in Section 3.1 and Section 4.1 of the Franchise Agreement, we will defer payment of the Twenty-Five Thousand Dollar (\$25,000) initial franchise fee and the Nine Hundred and Ninety-Five Dollar (\$995) initial training fee until we have completed all of our initial obligations under the Franchise Agreement or other agreements, and you have commenced doing business pursuant to the Franchise Agreement. For the purposes of this addendum, all initial obligations will be deemed met and your business under the Franchise Agreement will be considered commenced upon the installation of your first ATM, at which point the initial franchise fee and initial training fee will be due and payable to us.

6. Construction. In all other respects, the Franchise Agreement will be construed and enforced with its terms.

PURCHASE AGREEMENT

PURCHASE AGREEMENT
(ACFN Franchised Inc.)

THIS AGREEMENT (this “**Agreement**”) is made and entered into this ____ day of _____, 20____, between ACFN Franchised Inc., a California corporation (“**Seller**”), and _____ (“**Purchaser**”).

RECITALS

- A. Seller and Purchaser are parties to an ACFN® Franchise Agreement dated _____, 20____ (the “**Franchise Agreement**”), pursuant to which Seller has granted to Purchaser the right to own and operate an ACFN® business (the “**Business**”) within a certain geographic area (the “**Area of Operation**”).
- B. Seller owns the ATMs and any related cabinets (collectively, the “**ATMs**”), as well as the right to operate the ATMs at certain locations (the “**Locations**”), all as described on the attached **Exhibit A**.
- C. Purchaser desires to purchase the ATMs and the right to operate the ATMs at the Locations as part of the operation of the Business.
- D. Purchaser desires to purchase and Seller desires to sell the ATMs and the right to operate the ATMs on the terms and conditions contained in this Agreement.

AGREEMENT

In consideration of the foregoing, Purchaser and Seller agree as follows:

- 1. **Purchase of ATMs and Right to Operate ATMs at Locations.** Seller agrees to sell to Purchaser, and Purchaser agrees to purchase from Seller the ATMs and the right to operate the ATMs at the Locations as part of the operation of the Business.
- 2. **Purchase Price.** Purchaser agrees to purchase the ATMs and the right to operate the ATMs from the Locations from Seller for the price of \$_____, payable by bank certified check or by wire transfer of immediately available funds at the time of signing of this Agreement. The parties acknowledge and agree that the Purchase Price is fully earned upon receipt by Seller and is not refundable. Seller reserves the right to require Purchaser to pay a refundable deposit before the parties execute this Agreement. Any deposit Purchaser pays to Seller will be credited against the Purchase Price Purchaser owes to Seller upon its execution of this Agreement.
- 3. **Taxes.** Purchaser will pay any tax imposed by any federal, state, local or other governmental authority on or respecting the sale, purchase, delivery or use of the ATMs and the right to operate the ATMs at the Locations.

4. **Seller Representation.** Seller represents and warrants to Purchaser that Seller has good and marketable title to the ATMs, and the right to sell the ATMs and the right to operate the ATMs at the Locations subject to the location agreement. The ATMs and the right to operate the ATMs are being sold on an as-is, where-is basis and Seller makes no other representation or warranty, whether express or implied, with respect to the merchantability, fitness for a particular purpose, condition or quality of the ATMs.
5. **Purchaser Representation.** Purchaser has inspected the ATMs and the Locations and has verified to Purchaser's satisfaction that the ATMs are in working order.
6. **Transfer of ATMs and Right to Operate ATMs at Locations.** After execution of this Agreement, Seller will work with the appropriate third parties to arrange for the transfer to Purchaser of the ATMs and the right to begin operation of the ATMs at their Locations. Seller will notify Purchaser at least 3 days prior to the scheduled transfer date for each ATM. Purchaser agrees to complete the transfer of each ATM on the scheduled transfer date, and to activate and begin operation of that ATM at its Location within 24 hours of the deactivation of the ATM on or after the scheduled transfer date. If after providing Purchaser with at least 3 days prior notice of the scheduled transfer date of an ATM, Purchaser fails to complete the transfer of that ATM on the scheduled transfer date or fails to activate and begin operation of that ATM at its Location within 24 hours of the deactivation of the ATM on or after the scheduled transfer date, Seller has the right to immediately take back the ATM and the right to operate the ATM at its Location without returning any portion of the Purchase Price to Purchaser. If Seller takes back an ATM under this Section 6 and subsequently sells that ATM and the right to operate the ATM at its Location, Seller will provide to Purchaser the purchase price Seller received for that ATM and the right to operate the ATM at its Location, minus Seller's costs and expenses associated with taking back and reselling the ATM and the right to operate the ATM at its Location.
7. **Transfer and Acceptance Form.** Promptly after execution of this Agreement, but in any event within 3 days following the date all of the transfers of the ATMs and the right to operate the ATMs at the Locations have been completed, Purchaser will execute and deliver to Seller the Transfer & Acceptance Form attached as **Exhibit B**.
8. **Restriction on Use.** Seller is selling to Purchaser the ATMs and the right to operate the ATMs at the Locations with the understanding that Purchaser will operate the ATMs at the Locations as part of Purchaser's operation of the Business. Purchaser acknowledges that its right to purchase the ATMs and to operate the ATMs at the Locations as part of the operation of the Business is derived from and governed by the Franchise Agreement. The parties acknowledge and agree that the ATMs and the right to operate the ATMs at the Locations shall be deemed part of the Business operated under the terms of the Franchise Agreement.
9. **Compliance with Laws and Agreements.** Purchaser shall be solely responsible for owning and operating the ATMs at the Locations in compliance with all laws and

regulations and in compliance with all agreements relating to the ATMs and the Locations, including without limitation the Franchise Agreement.

10. **Injunctive Relief; Attorney Fees.** If Purchaser breaches this Agreement, Seller will be entitled to injunctive relief in addition to such other relief available. At the discretion of any court of competent jurisdiction, Purchaser may be ordered to reimburse Seller for reasonable attorney fees and costs incurred in enforcing its rights hereunder.
11. **Miscellaneous.** This Agreement, together with the Franchise Agreement, constitutes the entire agreement of the parties relative to its subject matter and cannot be waived, altered, or rescinded in whole or in part, except by an express writing by the parties. The provisions of this Agreement are severable and the invalidity or unenforceability of any of them will not affect the remainder of this Agreement. This Agreement will be governed by the laws of the state in which the Area of Operation is located.

IN WITNESS WHEREOF, the parties have executed this Agreement as of the date first above written.
