COVERALL NORTH AMERICA, INC.
JANITORIAL FRANCHISE DISCLOSURE DOCUMENT

ITEM 1
THE FRANCHISOR, ANY PARENTS, PREDECESSORS, AND AFFILIATES

To simplify the language in this Franchise Disclosure Document, “we” means Coverall North America, Inc. (“Coverall”), the franchisor. “You” means the individual, corporation and its shareholders, officers, and directors; or a limited liability company and its members and managing members, that buys the franchised business.

We were incorporated in the State of Delaware on February 26, 1985, and have no predecessor. Coverall merged with Coverall Merger Corporation, a Delaware corporation, on February 4, 2005, and Coverall is the surviving corporation. On February 4, 2005, Acquisition merged with CNA Holding Corporation (“Holding”), a Delaware corporation incorporated on February 4, 2005. Holding is the surviving corporation and is our parent, which owns 100% of the stock of Coverall and Coverall Hospitality Services, Inc. (“Hospitality”), a Delaware corporation incorporated on December 14, 2004, to provide services to hospitality facilities. On September 13, 2011, Hospitality’s corporate name was changed to Restroom Authority, Inc. and on December 7, 2012 it was dissolved out of existence. The Coverall Foundation, Inc., a not for profit corporation, was incorporated in Florida on January 21, 2005 (“Foundation”). The Foundation was established by Coverall to provide deserving dependents of Coverall janitorial franchisees with scholarships so that they can pursue educational opportunities. On September 28, 2007, Holding became the sole shareholder of TBNC, Inc. (“TBNC”), a Coverall Service Franchisee; and effective December 30, 2008, TBNC merged with Coverall, and Coverall is the surviving corporation. On August 1, 2008, Holding became the sole shareholder of Majco, Inc., a Pennsylvania corporation and Coverall Service Franchisee. On August 7, 2008, Majco, Inc. merged with Majco Acquisition, LLC (“Majco”), a Delaware limited liability company formed on July 31, 2008; Majco merged with Coverall on March 31, 2011, and Coverall is the surviving corporation. On February 27, 2009, Holding became the sole shareholder of Triesler Company, Inc., a North Carolina corporation and Coverall Service Franchisee. On March 2, 2009, Triesler Company, Inc. merged with Coverall of the Carolinas Acquisition, LLC (“Carolinas”), a Delaware limited liability company formed on February 27, 2009; Carolinas merged with Coverall on March 31, 2011, and Coverall is the surviving corporation. On March 30, 2010, Coverall became the sole shareholder of Coverall of Boston, Inc. (“CBI”) a Delaware corporation. CBI is a wholly-owned subsidiary of Coverall and offers the same type of franchises we do in the commercial janitorial industry. Effective June 20, 2011, Verica, LLC’s Service Franchise for the Iowa and Nebraska territory was terminated, and they are our predecessor. On May 17, 2012, Coverall became the sole shareholder of Melton Franchise Systems, Inc. (“MFS”), a California corporation and a Coverall Service Franchisee; and MFS merged with Coverall CA Acquisition Corporation, a California corporation, and MFS was the surviving corporation. MFS is a wholly-owned subsidiary of Coverall and offers the same type of franchises as Coverall does in the commercial janitorial industry.

Our Global Support Center and the principal offices for Holding, Foundation, CBI, and MFS are located at 350 SW 12th Avenue, Deerfield Beach, Florida 33442. Our agents for service of process are listed in Exhibit C. We do business under the names “Coverall[®]” and “Coverall Health-Based Cleaning System[®]” at the regional sales and support centers listed in Exhibit E.

We offer and sell three types of franchises in the commercial janitorial cleaning industry. The three types of franchises are Janitorial Franchises, Service Franchises, also called Master Franchises, and Territory Franchises. Each type of franchise is described in a separate disclosure document. We do not currently nor have we ever directly operated Janitorial Franchises ourselves. This Franchise Disclosure Document is for use in offering and selling Janitorial Franchises. However, this Franchise Disclosure Document includes in this Item 1 and in Item 20 certain information concerning Service Franchises and Territory Franchises, neither of which will be sold or operated in the area where Coverall Support Centers are located.

Territory Franchises are similar to Janitorial Franchises, except that we provide these franchisees with an exclusive territory, and we do not offer them customers to service as part of the purchase of their franchise. As of the date of this Franchise Disclosure Document, we have Territory Franchises in Garrett, Kentucky; Jackson, Mississippi; McAllen, Texas; and Liberty Lakes, Washington. We also have an international Territory Franchise owner in Kuwait and Qatar.

Service Franchises are independent businesses licensed by us to use the Coverall tradenames, trademarks, System, and business model to offer, sell, and service janitorial franchises under agreements between Service Franchises and their own Janitorial franchisees. Service Franchises are sold only in metropolitan or other designated territories and in foreign countries, and Service Franchises are permitted to offer, sell, and service janitorial franchises only in the territories where the Service Franchises are located.

We license all of our franchisees to use the Coverall Health-Based Cleaning System[®] Program to conduct and promote their independent businesses.

The commercial janitorial industry is highly competitive; and customers can be lost for any number of reasons, including but not limited to, poor service, the customer chooses a lower priced provider, the customer goes out of business or files for bankruptcy protection, economic circumstances cause the customer to terminate outside vendors. Because of these factors, we are unable to predict with any certainty the point at which you might recover your initial investment in your franchised business.

The general market for franchisee's services includes businesses that require building cleaning and maintenance services. Competitors include other commercial janitorial and building cleaning services, such as: small independent operators, other commercial cleaning franchises, and large commercial cleaning businesses. We distinguish ourselves from our competitors with our Health-Based Cleaning System[®] program.

Our business experience includes: offering Janitorial Franchises since July 1985, offering Service Franchises since October 1986, and offering Territory Franchises since May 1996. We have not operated company-owned Janitorial or Territory Franchises, nor have we offered a franchise in any other line of business.

ITEM 2 **BUSINESS EXPERIENCE**

Following is the list of the directors, principal officers, and other executives who have management responsibility in the operation of our business relating to Janitorial Franchises. The principal occupation and business experience of each person during the past five years, including the names and locations of former employers, is described below. ITEM 3
LITIGATION

Coverall:
Pending.

Rodney M. Faught v. Coverall North America, Inc. (Southeast Case Management Center, American Arbitration Association, Case No. 53 114 E 00054 13). filed on February 6, 2013 and served on Coverall on February 7, 2013. Claimant, a current franchisee of Coverall's Cleveland Support Center, filed a demand for arbitration claiming damages of \$35,000.00 alleging fraud in the inducement and various breaches of the Franchise Agreement. Coverall denies any and all liability.

Claudia Villanueva, et al. v. Melton Franchise Systems, Inc., et al., filed on April 4, 2012 in the Superior Court of the State of California for the County of Santa Barbara – Anacapa Division as Case No. 1385932. Plaintiffs were one former and eight current franchisees. The named defendants were Coverall, Coverall's subsidiary/master franchisee, Melton Franchise Systems, Inc., Melton Franchise Systems, Inc.'s former President, Mark Melton, Melton Franchise Systems, Inc.'s former Regional Director, Jon Ortiz, and unnamed agents or employees of the other defendants. Plaintiffs alleged breach of contract, breach of implied covenant of good faith and fair dealing, unfair business practices, intentional misrepresentation, breach of promise, concealment of material facts and negligent misrepresentation. The plaintiffs were seeking compensatory and punitive damages in an unspecified amount, an injunction against alleged wrongful business practices, an accounting of fees, costs, royalties, premiums and other amount assessed against the plaintiff, attorney's fees and costs, and other relief the court deemed proper. Coverall and MFS initiated mediation with the plaintiffs and resolved the complaints by (1) agreeing to offer additional business to 4 of them without cost to them, varying in amount to each from \$1000 in monthly revenue accounts to \$3000 in monthly revenue accounts, (2) permitting 2 to dismiss their complaint and remain as franchisees, (3) paying 1 \$5,000 and giving her a release of our potential counterclaims against her, (4) paying 1 \$5,000 and permitting her to remain a franchise owner, and (5) permitting 1 to terminate her franchise and retain her current customers. Filing of the dismissal is pending.

Coverall North America, Inc. v. Verica, LLC, and Vicki Rhea (United States District Court of Nebraska, Case No. 8:11-cv-00255), filed July 25, 2011. Coverall initiated this case against defendants, a former Coverall Service Franchisee in Iowa and Nebraska and its owner, who personally guaranteed the Service Franchise Agreement and related promissory notes, requesting a declaratory judgment that Coverall properly terminated the Service Franchise Agreement for Defendants' failure to pay royalties and promissory note payments and ordering Defendants to comply with the post-termination covenants, including assigning contracts and returning franchise and customer files to Coverall. Coverall also filed claims for damages based on breach of contract, deceptive trade practices, misappropriation of trade secrets, and trademark infringement. In January 2012, Coverall amended its complaint and

removed the claims for deceptive trade practices, misappropriation of trade secrets, and trademark infringement. Coverall continues to seek a declaratory judgment that Coverall properly terminated the Service Franchise Agreement and a judgment for damages resulting from Defendants' breach of the Service Franchise Agreement, promissory note, and personal guaranties. Defendants filed an Answer and Counterclaim January 19, 2012 alleging wrongful termination, breach of contract, and conversion (of its receivables from customers) and demanding damages for the alleged wrongful termination and breach of contract, interest on the receivables purportedly converted, and requesting a declaratory judgment for return of its franchise fees that were paid to Coverall. The parties engaged in an unsuccessful mediation in November 2011. This matter is currently in the discovery stage.

Sabrina Laguna v. Coverall North America, Inc., (Superior Court of California County of San Diego, Civil Action No. 37-2008-00089347-CU-OE-CTL) filed August 8, 2008. Plaintiff, a current franchisee, filed this purported class action variously claiming that Coverall negligently or intentionally misrepresents that it has sufficient business to satisfy its contractual obligations; that Plaintiffs were misclassified as independent contractors and that they were or are employees of Coverall who should be earning minimum wage and other benefits of "employment;" and that Coverall takes advantage of immigrants with limited English language skills. Damages are not specified. Coverall filed a demurrer on October 3, 2008. The demurrer was sustained as the causes of action for negligent misrepresentation and declaratory relief, but overruled as to certain other aspects of the demurrer. Plaintiff filed a Second Amended Complaint on August 20, 2009 adding a new defendant, Allied Capital Corporation. The case was removed to the United States District Court for the Southern District of California on September 29, 2009. The new case number is 3:09-cv-02131-JM-RBB. On October 25, 2010, Plaintiff filed a Third Amended Complaint adding two named plaintiffs: Carlos Acevedo and Teresa Salas; and three defendants: Ares Capital Corporation, CNA Holding Corporation, and Ted Elliott. Resolution of this complaint is pending under a proposed Class Action Settlement Agreement and Release (the "Settlement") filed on September 12, 2011 and approved by the court on February 23, 2012, after a Fairness Hearing on November 21, 2011. A sole objector has filed an appeal of the Court's order granting final approval of the settlement, and the appeal is currently pending before the 9th Circuit Court of Appeals. The class provisionally certified on September 19, 2011 is defined as: A class of all persons or entities who (1) executed a Janitorial Franchise Agreement with Coverall for a franchise to be located in the State of California, and (2) between August 8, 2004, and entry of the Preliminary Approval Order, performed janitorial or cleaning services in the State of California pursuant to a Janitorial Franchise Agreement entered into between the person(s) or entity and Coverall. The Court granted Preliminary Approval of the Settlement on September 19, 2011. The material terms of the proposed Settlement are: (1) Coverall will assign customer Service Agreements to the operating franchisees excluding those Service Agreements that prohibit assignment, cover multiple locations, and National Account Customers; (2) Former franchisees who submit a valid claim will receive \$475; and (3) Former franchisees who indicate an interest in purchasing a new franchise on or before November 8, 2011 and who close the transaction within 120 days of Final Approval of the Settlement will receive a \$750 credit toward the purchase price.

Pius Awuah, et al v. Coverall North America, Inc., (U.S. District Court, District of Massachusetts, Civil Action No. 07-10287) filed February 15, 2007; Amended Complaint filed on February 22, 2007; Second Amended Complaint filed on June 5, 2007; Third Amended Complaint filed April 25, 2008; Fourth Amended Complaint filed on July 9, 2010. This action was originally filed by eleven plaintiffs. Four of the original plaintiffs were franchisees of various Coverall Franchisees, and not Coverall. Coverall obtained summary judgment on the claims of those four plaintiffs on February 9, 2010. Of the remaining seven franchisees, three had entered into arbitration agreements with Coverall. Their claims were stayed pending arbitration. The remaining plaintiffs claim that Coverall negligently or intentionally misrepresented that it had sufficient business to satisfy its contractual obligations; that Coverall breached its obligations to plaintiffs; and that plaintiffs were misclassified as independent contractors and are therefore entitled to be compensated, and to receive the same benefits, as employees of Coverall. The damages plaintiffs sought were not specified. On March 23, 2010, the court granted plaintiffs' Motion for Partial Summary Judgment and held that Coverall's Massachusetts franchisees were misclassified as independent contractors. Coverall intends to appeal this decision. Trial commenced on May 10, 2010 as to the claims of those named plaintiffs who had not agreed to arbitrate their disputes with Coverall -- Geraldo Correia, Benecira Calvalcante, Jai Prem and Aldivar Brandao. Prior to the commencement of the trial on May 10, 2010, the court sanctioned plaintiffs for their failure to disclose the damage theory underlying their misclassification claims and struck those claims. One of the plaintiffs, Jai Prem, failed to appear at trial, and the court declared a mistrial as to that plaintiff on May 24, 2010. Upon the close of plaintiffs' case, Coverall moved for a directed verdict as to Geraldo Correia. That motion was granted. At the same time, the court issued a ruling rejecting plaintiffs' claim that Coverall's Janitorial

Franchise Agreement was unconscionable. On May 26, 2010, the jury returned a verdict in favor of Coverall as to Benecira Calvalcante and Aldivar Brandao. The claims of the three plaintiffs whose claims were subject to arbitration, plus one additional plaintiff, Manuel DaSilva, were arbitrated in October 2010. On December 15, 2010, the Arbitrator issued his ruling. The Arbitrator ruled that: plaintiff Richard Barrientos failed to prove his claims and was not entitled to recover anything; plaintiff Denise Pineda proved that she was misclassified as an independent contractor under the laws of the State of New Jersey but failed to prove that she incurred any damages, and was therefore entitled to no recovery; plaintiffs Manuel DaSilva and Pius Awuah failed to prove their claims of fraud and breach of contract, but were entitled to damages on their misclassification claims of \$5,656.30 and \$1,553.40, respectively. Pius Awuah's award was subject to a set-off of \$671.71, reducing his award to \$881.69. On October 26, 2010, the Court entered an Order certifying four questions to the Massachusetts Supreme Judicial Court regarding what an employer may legitimately deduct from "earned wages" under Massachusetts law. The Massachusetts Supreme Judicial Court issued an opinion on August 31, 2011 concluding that: an employer may not provide customer receivable financing to an employee even if the employee agrees; an employer may not recover from an employee costs that the employer must statutorily bear even if the employee agrees; an employer may not deduct insurance premiums from earned wages unless the insurance is primarily for the benefit of the employee; and franchise fees paid by an employee do not represent a "clear and established debt" under the Massachusetts Wage Act and, if paid out of earned wages due, are a prohibited assignment of an employee's future wages to his employer. On September 23, 2011, the Court certified the following class: All individuals who have owned a Coverall franchise and performed work for Coverall customers in Massachusetts at any time between February 15, 2004, and June 30, 2010, and who have not (i) signed an arbitration agreement, or (ii) had their claims adjudicated. The parties cross-moved for summary judgment and, on February 15, 2012, the Court granted in part and denied in part the parties' motions for summary judgment. The Court ruled that Plaintiffs were entitled, as damages incurred, to the amounts paid for franchise fees, additional business fees, and insurance, and to amounts withheld as chargebacks. On March 15, 2012, the Court ruled that treble damages would be allowed for a certain time period. On May 10, 2012, the Court entered a partial judgment: (i) giving 109 class members a total of \$2,949,322.49 in damages, in individually varying amounts; (ii) dismissing the claims of 27 class members with prejudice, on the grounds that they signed enforceable releases; (iii) dismissing the claims of 11 other franchisees – those whose had either been arbitrated or adjudicated or rejected at summary judgment because their agreements were with Coverall Service Franchisees – with prejudice; (iv) awarding Pius Awuah and Manuel DaSilva \$34,119 in attorney's fees and \$3,362.12 in costs; and (v) based on an Offer of Judgment, awarding Jai Prem judgment in the amount of \$5,000 on all counts of Plaintiff's Third Amended Complaint, inclusive of all damages, attorney's fees, costs and interest. Approximately 115 other franchise owners, represented by the same attorneys as those representing Plaintiffs in Awuah, have filed demands for arbitration with the American Arbitration Association ("AAA"). Twenty-eight of those claimants subsequently withdrew their arbitration demands; 57 others have yet to pay their share of AAA filing fees; and the cases of the remaining 30 claimants are proceeding individually. In May 2012, the Plaintiffs in Awuah filed a motion seeking to expand the Awuah class to include all franchise owners who provided services at any time since February 15, 2004, regardless of whether they had agreed to arbitrate any disputes with Coverall. The Court denied that motion. In February 2012, the Court put certain franchisees in the class who were transferees of franchisees that had arbitration agreements in their franchise agreements, but whom the Court found did not have specific notice of their obligation to arbitrate. Coverall appealed that decision to the U.S. Court of Appeals for the First Circuit. The First Circuit reversed the Court's decision, and remanded the matter to the District Court for further proceedings (including an entry of a stay of proceedings involving those franchisees who have arbitration agreements). In January 2013, the plaintiffs filed a motion for reconsideration regarding the enforceability of certain releases. The plaintiffs asserted that, in light of a new opinion from the Massachusetts Supreme Judicial Court, releases that did not specifically reference the Massachusetts Wage Act were not enforceable as to claims arising under that Act. In February 2013, the Court granted the plaintiffs' motion for reconsideration. The Court is considering the parties' submissions regarding pre-judgment interest. Coverall expects to appeal the Court's liability and damages rulings at the earliest opportunity.

Concluded.

Maria Rodriguez v. Coverall North America, Inc., (Western Case Management Center, American Arbitration Association, Case No. 79 114 E 00133 11 JEMO) filed December 5, 2011 and served on Coverall on March 12, 2012. Claimant, a former franchisee of Coverall's Las Vegas Support Center, filed a demand for arbitration claiming damages of \$50,000.00. Plaintiff alleged fraud, unfair treatment, and sexual assault and battery by her supervisor. Coverall denied any and all liability. On September 6, 2012, the parties entered into a Confidential Termination

Agreement, whereby Coverall paid the Claimant \$7,500.00 for the purchase of Claimant's customers, and Claimant's Coverall Franchised Business was terminated. The case was closed on September 6, 2012.

Kenneth Patterson and Yolanda Patterson v. Coverall North America, Inc., (Superior Court of California County of Los Angeles, Civil Action 30-2010-00424986) filed November 15, 2010. Plaintiff, current franchisees, alleged intentional and negligent misrepresentation, breach of contract, and violations of provisions of the California Civil Code Sections 51 and 52; and violations of Section 970 of the California Labor Code. Coverall filed its Demurrer to Plaintiffs' Complaint on February 17, 2011. The complaint was dismissed with prejudice April 6, 2012, pending mediation. We engaged in mediation with the Plaintiffs and resolved the complaint by buying back their franchise for \$88,500 on December 10, 2012.

Leon C. Stern v. Coverall North America, Inc., (United States District Court for the District of Columbia, Civil Action No. 1:08-CV-01052) Third Party Complaint filed on August 5, 2011. The third party plaintiff is a former franchisee. He alleges that Coverall breached its contract with him by entering into an arrangement with Silverio Azamar, the plaintiff in the original action filed against Stern in 2008, to service one of Stern's customers, ceasing to offer him customers, failing to pay him for services rendered to customers, deducting payments for equipment purchases, and failing to compensate him for the sale of that equipment. Coverall filed its Motion to Dismiss the Third Party Complaint on September 15, 2011. Coverall's Motion was granted on October 24, 2011; and the Third Party Complaint was dismissed. On December 14, 2011, the Court gave Stern additional time (through December 28, 2011) to file a response to Coverall's Motion. On December 27, 2011, Stern advised the Court that he would not be filing an opposition to that Motion. On December 28, 2011, the Court ruled that, in light of Stern's filing, no action was necessary with respect to its prior ruling dismissing the Third Party Complaint.

Coverall North America, Inc. v. Wanda Wasurick, Krystal Wand Kleening, LLC, Crystal Treminio and Javier Treminio, (Circuit Court of Brown County, Wisconsin, Branch VIII, Case No. 09CV2769), filed October 7, 2009. Coverall initiated this case to enjoin the defendants from engaging in unfair competition, misappropriation of trade secrets, malicious injury to business under Wisconsin Statute §134.01 and breach of Janitorial Franchise Agreement. Coverall alleged that the individual defendants were targeting its franchisees' customers and attempting to divert those customers to a corporation controlled by them, using Coverall's trade secrets, confidential information and documents. On November 20, 2009 Javier Treminio and his wife Crystal Treminio, who is not Coverall's franchisee, filed a Counterclaim against Coverall. The Counterclaim alleged violations of the Wisconsin Fair Dealership Law alleging that Coverall failed to provide Javier Treminio with timely notice of termination; breach of the Janitorial Franchise Agreement by wrongfully terminating Javier Treminio; and violations of Wisconsin Chapter 109 alleging that Javier and Crystal Treminio were employees of Coverall and that Coverall failed to pay them amounts due. Coverall moved to dismiss the Counterclaim on December 8, 2009; and also filed Motions for Summary Judgment and to Compel Arbitration. On February 1, 2010, the court dismissed the Counterclaim, granting summary judgment on the Wisconsin Chapter 109 wage claims in favor of Coverall, and granted Coverall's Motion to Compel arbitration. Mediation was held on April 1, 2011 and was successful as to two defendants (paid Coverall a nominal amount of \$100 each, and Coverall agreed to dismiss its complaint). Without admitting liability, Coverall settled with Javier Treminio on October 28, 2011 agreeing to pay him \$9,000.

K&D Lawn & Janitorial Service, Inc. v. Coverall North America, Inc., (Wayne County Circuit Court, State of Michigan, Third Circuit Court, Case No. 10-012840-CK), filed November 3, 2010. Plaintiff alleged that Coverall breached the Janitorial Franchise Agreement by denying plaintiff direct access to a customer being serviced by plaintiff, and denying plaintiff an opportunity to cure service issues with the customer. Plaintiff further alleged that these breaches violated the Michigan Franchise Investment Law, MCL 445.1527. The case was voluntarily dismissed by plaintiff on December 16, 2010 because of the mandatory mediation and arbitration provisions of the Janitorial Franchise Agreement. The parties engaged in a pre-mediation conference on February 21, 2011, and agreed to settle the dispute. On February 28, 2011, plaintiff's principals executed a Confidential Settlement Agreement whereby Coverall agreed to pay the plaintiff the sum of \$7,000 and replace \$3,000 in Initial Business.

Felix Maldonado v. Coverall Cleaning Concepts, (Circuit Court of Dane County, Wisconsin, Case No. 2009SC010918), filed October 26, 2009. Maldonado alleged that Coverall breached the Janitorial Franchise Agreement by failing to timely provide customers and made false misrepresentations regarding the accounts in violation of the Wisconsin Deceptive Trade Practices Act. On November 20, 2009, Coverall answered the Complaint denying the allegations. On December 10, 2009, the parties executed a Mutual Release and Settlement Agreement whereby Coverall paid the plaintiff the sum of \$4,500 and cancelled the promissory note executed by

plaintiff in payment of his franchise fee in the amount of \$7,500. The case was voluntarily dismissed by plaintiff on January 27, 2010.

Jesus H. Castro and Herschand Co. v. The Kover Group, Inc. dba Coverall of South Florida, Mauro R. Guerra, individually, and Management Risk Group Financial Corp., (Circuit Court of the 11th Judicial Circuit in and for Dade County, Florida, Case No. 97-8090-CA21), filed April 11, 1997. Plaintiffs allege breach of contract, rescission of contract and fraudulent misrepresentation. They claim they purchased a franchise and were not provided the appropriate amount of business. The plaintiffs claim damages in excess of \$100,000. We have denied all allegations of wrongdoing. The plaintiffs filed an Amended Complaint in November 1997. The case was settled on August 24, 2007, and Coverall agreed to pay the Plaintiffs \$20,000.

Yared Beyene, et al v. Coverall of [sic] North America, Inc., Pacific Commercial Services, LLC, Coverall Cleaning Concepts and Coverall of Nashville, Inc. (Davidson County, Tennessee, Case No. 06-1202), filed May 12, 2006. There were five named plaintiffs who purported to be franchisees of Coverall or Coverall's Service Franchisee, Pacific Commercial Services, LLC ("PCS"). The plaintiffs alleged violations of the Tennessee Consumer Protection Act, fraud in the inducement, and negligent misrepresentation. The case was removed to the United States District Court for the Middle District of Tennessee on June 22, 2006 and assigned Case No. 3:06-0628. Plaintiffs filed an Amended Complaint on October 17, 2006 adding two additional plaintiffs. Mediation was held on September 13, 2007, and the case was settled. Coverall paid the seven Plaintiffs, five putative plaintiffs, and their attorney \$37,500.

Jubilee General Contracting LTD, et al v. Coverall North America, Inc., et al, (State of Michigan, County of Oakland), Case No. 07-080927-CZ, filed February 20, 2007. Coverall filed a Motion for Summary Disposition and for Attorney Fees and Costs on April 23, 2007, relying upon the mandatory mediation and arbitration provisions of the Janitorial Franchise Agreement. Coverall prevailed on its motion. On September 6, 2007, Coverall paid the plaintiffs the sum of \$14,200.00; and plaintiffs waived their right to appeal, and the case was dismissed with prejudice on July 25, 2007.

Isam Yonis v. Coverall North America, Inc., (Circuit Court of Williamson County, Tennessee, Case No. 04695), filed November 9, 2004. Coverall moved to dismiss the Complaint in its entirety. In lieu of a response, Carter filed a First Amended Complaint (the "Amended Complaint") on October 9, 2006. The Amended Complaint alleged breach of contract and violation of §559 of the Florida Statutes pertaining to business opportunities. Coverall moved to dismiss the complaint based upon failure to engage in mediation, statute of limitations grounds and the inapplicability of §559 of the Florida Statutes to franchises. The parties mediated the dispute on December 19, 2006 and Coverall paid the Plaintiff \$20,000. The case was dismissed with prejudice on December 26, 2006.

Machado, et al v. Coverall North America, Inc. (U.S. District Court, District of Massachusetts, Case No. 05 CA 11884 RGS), filed September 16, 2005. Plaintiffs, eleven current and former franchisees, filed this purported class action variously claiming that they were misclassified as independent contractors and that they were or are employees of Coverall; breach of their Janitorial Franchise Agreements; misrepresentations regarding the time necessary to clean customers and the location of customers; underbidding of customer contracts; and unfairly targeting franchise candidates with limited English language skills. Coverall filed arbitration demands against ten of the Plaintiffs. The case was settled and Coverall paid \$300,000. The case was dismissed with prejudice on December 19, 2006; as were all pending claims filed by Coverall against the Plaintiffs.

Coverall was one of seven defendants. Plaintiffs, former franchisees of ASK Services, Inc., a former Service Franchisee of ours, claimed that we violated the Texas Deceptive Trade Practices-Consumer Protection Act by instigating a scheme to “profit from premiums paid by Plaintiffs” to participate in a workers’ compensation program. None of the named Plaintiffs ever paid anything to us. The case was settled and the case was dismissed with prejudice on January 24, 2006. Coverall contributed \$13,000 to the settlement.

Plaintiff sought compensatory damages in the amount of \$25,000 and punitive damages of \$25,000, plus attorney’s fees and costs. They sought rescission and damages and stated that their collective damages exceeded \$500,000, plus attorney’s fees. Three arbitrators were appointed and the arbitration was held in May 2003. Prior to the hearing, the claim of claimant Dzmali was dismissed, and three other claims were settled by Coverall agreeing, while denying liability, to pay nominal amounts in exchange for dismissals of these claims (Foushee - \$8,500; Johnson - \$4,500; Spikes - \$4,500). The Arbitrators dismissed the claims of Lewis and Gumustus. Ayala’s claim, which was not heard at the Arbitration, was settled for \$13,000. Plaintiffs, nine current and former franchisees, variously claimed that Coverall through its agents utilized high-pressure sales techniques, made earnings claims, provided plaintiffs with customers that were underbid and unprofitable, and took customers away from plaintiffs without cause for the purpose of selling the customers to other franchisees. On January 27, 2003, Coverall filed its Answer and Cross Complaint denying all allegations of wrong doing. On March 18, 1994, a Consent Decree was entered in the United States District Court for the Northern District of Illinois in United States of America v. Coverall North America, Inc. (Civil Action No. 94 C 1178). In voluntarily entering into the Consent Decree, we did not admit any liability for the alleged violations. The U.S., on behalf of the Federal Trade Commission, alleged that we did not make proper disclosures regarding our janitorial franchisees, should have included an earnings claim disclosure in connection with the offer of customer contracts as part of the franchise package purchased by janitorial franchisees, and, in some circumstances, did not wait the full ten business days between furnishing an Offering Circular and executing a Franchise Agreement. Without admitting liability, we agreed to pay a civil penalty of \$100,000 and to be enjoined from not complying with the FTC's franchise disclosure rule.

ITEM 5
INITIAL FEES

HOW YOUR FEE IS DETERMINED

All franchisees pay an Initial Franchise Fee for the franchise rights. This fee will be between \$9,120 and \$37,000 depending on your choice of package. Payment is due in full when the Franchise Agreement is signed, unless it is financed as described below and in Item 10. If you pay the entire fee in cash, we will discount the Initial Franchise Fee, as described in this Item 5, by 8%. If you pay the entire fee by credit card (Visa and MasterCard are accepted), we will discount the Initial Franchise Fee, as described in this Item 5, by 5%. Veterans qualify for a 10% discount on the Initial Franchise Fee. If the Veteran finances a portion of the Initial Franchise Fee, however, the down payment specified below for the Franchise Package remains the same. In addition, Coverall is a participating member of the International Franchise Association's VetFran Program (Veteran's Transition Franchise Initiative). Under the VetFran Program, veterans who qualify for and obtain an 85% Small Business Administration Loan Guaranty will receive a

25% discount on the Initial Franchise Fee. Veterans must choose only one of the discounts offered, either the 8% cash discount or the 10% discount on the Initial Franchise Fee.

THE PACKAGES

You buy a specific Franchise Package that includes training and an initial complement of customers to service – the essentials that you need to get started in the commercial cleaning business.

We sell our franchises by packages (the “Franchise Package”). Our Franchise Packages are sold based on the monthly dollar volume of business that you choose to service (“Initial Business”). In other words, we offer you cleaning customers to service totaling a specific dollar amount as follows:

FRANCHISE PACKAGE	INITIAL MONTHLY BUSINESS VOLUME OFFERED

P-10,000	\$10,000

WE DESCRIBE THESE FRANCHISE PACKAGES IN TERMS OF THE GROSS DOLLAR VOLUME OF INITIAL BUSINESS WHICH WE ARE OBLIGATED TO OFFER YOU. THE SIZE OF THE FRANCHISE PACKAGE DOES NOT REPRESENT HOW MUCH MONEY YOU WILL NET (RECEIVE) EACH MONTH FROM YOUR FRANCHISE. IT IS A GROSS NUMBER AND THE AMOUNT THAT YOU NET DEPENDS UPON A NUMBER OF FACTORS INCLUDING, BUT NOT LIMITED TO, THE EXPENSES THAT YOU INCUR TO SERVICE YOUR CUSTOMERS, WHETHER THE CUSTOMERS ARE ENTITLED TO CREDITS FOR MISSED OR POOR SERVICE, OR THE CUSTOMER TERMINATES YOUR SERVICES, OR THE CUSTOMER FAILS TO PAY FOR YOUR SERVICES. ONCE YOUR PACKAGE IS FULFILLED, IT IS UP TO YOU TO KEEP YOUR CUSTOMERS. OTHER THAN THE LIMITED GUARANTEES DESCRIBED IN THIS DISCLOSURE DOCUMENT, WE HAVE NO OBLIGATION TO CONTINUE TO OFFER YOU CUSTOMERS, AND WE MAKE NO REPRESENTATIONS REGARDING REVENUE THAT YOUR FRANCHISE BUSINESS MIGHT EARN.

THE SIZE OF THE FRANCHISE PACKAGE IS NOT A GUARANTEE THAT YOU WILL EARN AN EQUIVALENT AMOUNT OF REVENUE; AND NEITHER DOES IT MEAN THAT COVERALL IS OBLIGATED TO REPLACE LOST CUSTOMERS TO ENABLE YOU TO MAINTAIN THAT LEVEL OF GROSS DOLLAR VOLUME.

Typical commercial janitorial services which you will likely provide regardless of the size of the franchise package you purchase include, but are not limited to: floor care, trash and waste removal, degreasing of surfaces, sanitizing surfaces and equipment, dusting, restroom cleaning, vacuuming, light maintenance, providing supplies, and vehicle cleaning. Special services are one-time or periodic cleaning contracts which include, but are not limited to: hard floor and carpet care maintenance, window cleaning (on the ground floor), upholstery and fabric care, odor control, initial cleaning, and construction cleaning.

The Initial Franchise Fee for each Franchise Package is as follows:

WHEN WE MUST OFFER YOUR INITIAL BUSINESS

Coverall may or may not have an inventory of customers available to offer your dollar amount of Initial Business on the date you sign your Janitorial Franchise Agreement or even on the date that you become eligible to accept customers (i.e., upon completion of obligations). This is why for Franchise Packages up to a P-3,000, we have 120 business days from the date you complete your initial obligations to offer you your Initial Business; and for Franchise Packages larger than a P-3,000, we have more than 120 business days from the date you complete all initial obligations to offer you your Initial Business. You must add an additional 30 business days for each \$1,000 increment (or portion thereof) in excess of \$3,000 per month of Initial Business.

Example:	<u>Franchise Package Size</u>	<u>Initial Business Offering Period</u>
	P-5000	180 business days from completion of training

(Accordingly, if you purchase a P-5000 and you complete all of your initial obligations on March 1, 2013 all \$5,000 in Initial Business must be offered to you on or before November 8, 2013.)

Coverall's obligation to offer you sufficient customers to fill your Franchise Package does not begin until: i) you or your designated employee, as approved by Coverall, has successfully completed the Initial Training Program and ii) your background screening has been approved. The Initial Business Offering Period may be suspended if: i) Coverall requires you to attend retraining; or ii) you are in breach of any material provision of the Janitorial Franchise Agreement or any other agreement with Coverall. You must form a corporation or limited liability company, obtain a Federal Employer Identification Number, and obtain a business license, if applicable, prior to signing the Franchise Agreement.

The customers that we offer you to fulfill your Franchise Package may be new customers recently acquired by Coverall; or they may be existing customers that become available for resale. You may be offered an existing customer because a customer requested replacement of the franchisee servicing its facility or a franchisee abandoned a customer. These existing customers may be dissatisfied with their prior service and may be difficult to please. In addition, the results of your background screening may mean that you do not satisfy certain customer requirements and the customer may object to your Franchised Business servicing its facilities.

Once Coverall's obligation to offer you Initial Business has been fulfilled, we have no obligation to offer you Additional Business.

RETRAINING MAY BE REQUIRED

The reputation of our brand enables us to procure customers to offer our franchisees. Therefore, we may require you to attend training again, if in a 60 day period:

- 1) any two customers provided to fulfill your Initial Business complain about your workmanship, lack of trustworthiness or any other default under the customer contract; or
- 2) if any one customer terminates your services due to faulty workmanship, lack of trustworthiness, or any other claimed default under the customer contract; or
- 3) if we discontinue your services to the customer for failure to adhere to Paragraph 18 of the Franchise Agreement (Protection of the Goodwill of the System); or
- 4) if you breach your Janitorial Franchise Agreement or your obligations to provide services under any customer contract.

If we require retraining, our time to offer any remaining Initial Business will be suspended from the time we request that you be retrained until you complete retraining to our satisfaction. ***We require you to maintain high standards of workmanship to effectively service your customers. Failure to do so negatively impacts the Coverall brand and its franchisees.***

SPECIAL PROMOTIONS

On occasion, we may offer special promotions or negotiate financing terms for the franchisee's benefit which do not affect the amount of the Franchise Fee, which may include, but is not limited to: offering a small equipment item as a promotion, providing an amount of free business which exceeds the package size, or financing a larger portion of the Initial Franchise Fee.

The Initial Franchise Fee was uniform for all franchisees that purchased the same size package in each state where this Franchise Disclosure Document was used last fiscal year, except as follows: In Lyndhurst, New Jersey, we gave a franchisee a P1000 franchise package for a down payment of \$1,120, not the disclosed amount of \$2,000. In Gaithersburg, Maryland, we gave a franchisee a P-2000 franchise package and extended the deadline to close by four (4) weeks. The Initial Franchise Fee for the same package size may be different for franchisees in different states.

FULFILLING YOUR INITIAL BUSINESS

If you reject a customer offered as part of your Initial Business, our obligation to offer *that amount* of Initial Business during the Initial Business Offering Period is satisfied. However, we will continue, after the expiration of the Initial Business Offering Period, to offer you customers to fulfill your Initial Business. However, you may not unreasonably reject customers offered to you to fulfill your Initial Business. If you choose to do so, our obligation to offer you customers to fulfill your Initial Business may be deemed satisfied. If you choose to stop servicing a customer that you have accepted as part of your Initial Business, you will not be entitled to replacement of that customer.

The monthly dollar volume of Initial Business for any specific month may not equal the total Initial Business for several reasons, including, but not limited to: you may choose not to accept all of the customers we offer, we may offer you the Initial Business in stages throughout the Initial Business Offering Period, customers may request a change of franchisee or cancel the contract due to poor service, and the customer may move or cancel for other reasons before the end of the Initial Business Offering Period.

Once you accept a customer, Coverall will assign the Service Agreement to you, excluding those Service Agreements that prohibit assignment, cover multiple locations, and apply to National Account Customers, subject to your payment in full of your Franchise Fee. The assignment will be subject to the terms and conditions of your Janitorial Franchise Agreement. (See attached Exhibit G, Franchise Owner Customer Acceptance Forms)

THE NON-REFUNDABLE FRANCHISE FEE

The Initial Franchise Fee is non-refundable.

PARTIAL REFUND FOR COVERALL'S FAILURE TO TIMELY OFFER INITIAL BUSINESS

You may request a refund of a portion of the Initial Franchise Fee if we do not: (i) offer you the full amount of Initial Business within the Initial Business Offering Period, or (ii) offer you within a reasonable time after the expiration of the Initial Business Offering Period an amount of Initial Business equal to that which you reasonably rejected during the Initial Business Offering Period, or (iii) offer to replace within a reasonable time an amount equivalent to the contract value of a customer lost by you through no fault of your own during the Initial Business guarantee Offering Period. The refund is equal to the then current Multiplier published and revised from time to time in the Franchise Owner Policies and Procedures Manual times the amount of Initial Business not offered to you less the unpaid cost of your background investigation. However, you may choose instead to reduce the size of the Package that you purchased. If you do, Coverall will refund the difference between the Franchise Fee you paid and the Franchise Fee customarily charged for the smaller Franchise Package. If, at the time of either refund you owe us money, then the amount of the refund will first be applied to any outstanding balance on any promissory note or other obligation you owe us, with any remaining sum paid to you. Such a refund fulfills our obligation to offer or provide any remaining portion of the Initial Business or replacement Initial Business, and as a condition of the refund, you will be required to sign a general release in favor of Coverall. After accepting this refund, if you decide to grow your business by acquiring customers from Coverall, you will have to purchase those customers. ***The refund will be your sole remedy.***

Coverall shall have no obligation to refund any portion of any payment made under your Janitorial Franchise Agreement if you are in breach of any material provision of the agreement, or any other agreement between you and Coverall, until all material breaches are cured.

¹Billing and Collection Services. We have the exclusive right to bill and collect in your business name from the customers that you service. We will invoice them on your behalf for your services and any supplies purchased by them. The customers pay us, then we pay you the balance remaining after deductions for your royalty and support fees, any note payments, the cost of supplies and/or equipment purchased by you from us, and any other authorized deductions (for example insurance premiums or electronic funds transfer fee) (the "Authorized Deductions"). If applicable, Coverall will remit on your behalf any state sales tax collected from your customers to the appropriate state taxing authority. Coverall reserves the right to apply the full amount received from any customer who cancels your services for any reason to reduce any financed or other debt owed by you to Coverall.

Royalty and support fees are based on monthly Gross Dollar Volume for all services, including special services and any one-time building cleaning and maintenance services (e.g., carpet cleaning and hard floor maintenance) which you perform for any customer. The Health-Based Cleaning System Training Program (“HBCS Training Program”) is included in the Initial Franchise Fee. Royalty and support fees may be discounted by Coverall in our sole discretion.

National Account Customers . With the exception of National Account Customers, you are entitled to receive the total amount collected from each customer, less all authorized deductions. National Account Customers are customers that have multiple national or regional locations. Coverall may retain a percentage, or another specified portion, of the total amount collected from the National Account Customer (the “Retention”). Therefore, the amount that you will receive for servicing a National Account Customer location may not be equivalent to a pro-rata share of the total monthly amount that is collected from that National Account Customer, or equivalent to a pro-rata share of the total monthly amount that is collected from that National Account Customer for the location serviced by you. To the extent that there is excess Retention, those funds are kept by Coverall. Royalty and support fees are billed to that National Account Customer. The Retention, however, does not affect the amount of Regular Service Volume offered to you to fulfill either your Initial Package or sold to you as Additional Business. If you accept a National Account Customer as Additional Business, then the Retention is in addition to the Sales and Marketing Fee you pay for Additional Business. If you accept a National Account Customer, the Service Agreement will not be assigned to you.

²Cash Flow Protection Program. Under our Cash Flow Protection Program, we will advance [loan] to you amounts billed to the customers, whether or not we have collected from the customer. Advances will be made no earlier than the last calendar day of the first month (if the last calendar day of the month falls on a weekend and/or holiday, payment will be made on the next business day) following the month the services were provided. Advances attributable to billings for any one customer shall not exceed an amount equal to billings for sixty (60) days and shall not remain outstanding for a period exceeding ninety (90) days from the date on which the amount of the billing was due from the customer. If advances remain uncollected from the customer at the end of ninety (90) days, Franchisee shall repay Coverall the total amount of the advance.

³All fees are imposed by and payable to us.

⁴**These fees in this Item 6 are nonrefundable.**

⁵Additional Business. We may occasionally offer you a new customer (including a National Account Customer), an increase in Regular Service Volume for a customer currently serviced by you, or a customer to fulfill your Initial Package or Business Owed the contract value of which exceeds the amount that we are obligated to offer you (“Additional Business”). You may accept or refuse Additional Business. As a condition of acceptance and purchase of Additional Business, you will be required to sign a general release in favor of Coverall. (See attached Exhibit G, Franchise Owner Customer Acceptance Forms.)

⁶Sales and Marketing Fee for Additional Business. The sales and marketing fee is charged for customers purchased by you from us to grow your business. (You do not have to purchase Additional Business from us.) The sales and marketing fee will be the then-current Multiplier published and revised from time to time in the Franchise Owner Policies and Procedures Manual. As a condition of your acceptance and purchase of Additional Business, you will be required to sign a general release in favor of Coverall. (See attached Exhibit G, Franchise Owner Customer Acceptance Forms.) The current Multiplier is 3.6 times one month’s Gross Dollar Volume for the Additional Business. The multiplier may not exceed 5.0. The amount of the sales and marketing fee that you will pay will be specified in writing at the time you accept Additional Business. If we are unable to provide or replace the Additional Business within a reasonable period of time, your sole remedy will be a refund of the sales and marketing fee you paid for that Additional Business. If at the time of the refund, you are indebted to us, your refund shall first be applied to that indebtedness before the balance, if any, is paid to you.

If we require you to be retrained as described in Item 5, our time to provide any Additional Business will be suspended from the time we request that you be retrained until you complete retraining to our satisfaction. If you locate or solicit new business on your own, you will not be charged a sales and marketing fee. However, royalty and support fees will be charged. We do not guarantee new business that you obtain; and billing and collection of all new business obtained by you shall be performed through Coverall, unless otherwise agreed by Coverall in writing.

Once Coverall's obligation to offer you Initial Business has been fulfilled, we have no obligation to offer you Additional Business. If we offer you Additional Business that you have not specifically requested and you accept it, we may finance up to fifty percent (50%) of the sales and marketing fee. If we require that you be retrained, our time to provide Additional Business will be suspended from the time we require retraining until you complete that training to our satisfaction. The amount that you pay for Additional Business is non-refundable, and if you financed the purchase of Additional Business through Coverall, you remain obligated to continue to pay Coverall. Coverall reserves the right to apply the full amount received from any customer who cancels your services for any reason to reduce any financed or other debt owed by you to Coverall.

⁷**Hospitality Account Customers.** The sales and marketing Fee does not apply to a Hospitality Account Customer, but a service fee does apply. A "Hospitality Account Customer" is typically a lodging facility; and the services include guest room cleaning, common area cleaning and laundry. The service fee for Hospitality Account Customers may fluctuate commensurate with occupancy levels. The service fee attributable to a Hospitality Account Customer will vary and is not capable of precise definition. If you accept a Hospitality Account Customer as a part of your Initial Business, and you lose that customer through no fault of your own within the 6-month and 12-month guarantee periods, and another Hospitality Account Customer is not available to replace your lost business, we may offer you commercial janitorial cleaning customers as replacement business. The amount of replacement business offered to fulfill the Initial Business guarantee will be equivalent to the amount of Initial Business filled by Hospitality Account Customer.

⁸**Special Services Finder's Fees.** Special Services Finder's Fees are applied to one-time services contracts, for example, window cleaning and strip and refinishing floors, unless you sell the service to the customers yourself and furnish all equipment, supplies and labor, in which case no finder's fee is payable. Royalty and support fees are charged. Special Services Finder's Fees may be discounted by Coverall in our sole discretion.

⁹**Business Protection Program.** Under our Business Protection Program, we may make available to you and you may wish to participate in the Coverall general liability insurance and bonding program, which have been placed through a major insurance company. Your background screening is used to determine your eligibility for either the Janitorial Fidelity Bond or the High-Risk Janitorial Fidelity Bond portion of the Business Protection Program. The Business Protection Program is subject to cancellation.

YOU MAY BE ABLE TO PROCURE THIS COVERAGE INDEPENDENTLY FOR LESS THAN THE COST OF PARTICIPATING IN COVERALL'S INSURANCE PROGRAMS.

As described in Items 8 and 11, you must obtain this insurance according to minimum specifications.

Participation in Coverall's Business Protection Plan provides the Franchisee with general liability insurance and fidelity bond coverage as described in Items 8 and 11. The deductibles and plan limits for Coverall's Business Protection Plan and are as follows:

<u>Business Protection Plan limits¹:</u>	<u>Deductible</u>
<u>General Liability</u> = \$1,000,000 per incident per customer location, with \$2,000,000 maximum per policy year.	\$1,000 per incident
<u>Non-Conviction Janitorial Fidelity Bond</u> = \$1,000,000 per incident, per customer location and a \$1,000,000 maximum limit per policy year.	\$5,000 per incident
<u>Umbrella</u> = \$8,000,000 per incident, with \$8,000,000 total of claims covered during the policy period.	\$10,000 per incident

¹ Defense costs and other allocated loss adjustment expenses are in addition to limits.

If you enroll in Coverall's Business Protection Plan, Coverall will waive (the "Waiver") certain of its contractual indemnification rights against you except for the applicable deductibles under the Plan (see Paragraph 21 of the Janitorial Franchise Agreement Exhibit A.1.) Accordingly, Coverall will not look to you for such contractual indemnification rights, to the extent that you are provided coverage for these acts by the Plan.

Coverall's Business Protection Plan, including Coverall's waiver, ***does not provide*** coverage for the following: 1) Workers' Compensation 2) Automobile 3) Medical 4) Dental 5) Plan Deductibles 6) Items Not Covered by the Applicable Policy.

YOU ARE NOT REQUIRED TO PARTICIPATE IN THE COVERALL BUSINESS PROTECTION PLAN. YOU MAY BE ABLE TO OBTAIN THIS COVERAGE AT A LOWER COST ON YOUR OWN. THE FEES PAID TO PARTICIPATE IN THE COVERALL BUSINESS PROTECTION PLAN EXCEED THE COST TO COVERALL FOR THESE PROGRAMS. THESE EXCESS FUNDS ARE RETAINED BY AND INURE SOLELY TO THE BENEFIT OF COVERALL. COVERALL TYPICALLY MAKES A PROFIT ON ITS BUSINESS PROTECTION PROGRAM.

¹⁰These amounts apply to the monthly dollar volume being serviced by Franchisee.

¹¹**On-The-Job Accident Program.** You may want to participate in our Franchise Owner On-the-Job Accident Insurance Program (the "Coverall Accident Insurance Program"). **This is not worker's compensation insurance and does not provide the scope of benefits available to you under a worker's compensation insurance policy.** The Coverall Accident Insurance Program provides coverage for the Franchisee and not Franchisee's employees. As described in Items 8 and 11, if you do not participate in the Coverall Franchise Owner On-the-Job Accident Insurance Program and are not covered by a workers' compensation policy, you must obtain comparable insurance coverage according to our minimum specifications, which may change from time to time. The rate charged to participate in the Coverall Accident Insurance Program is subject to change. Any changes in the minimum specifications or rates will be stated in the Coverall Franchise Owner Policies and Procedures Manual and/or by a written notice from us advising you of the changes. The Coverall Accident Insurance Program is subject to cancellation. The current Coverall Accident Insurance Program plan limits are as follows:

BENEFIT	LIMITS

DENTAL	\$250/tooth, up to \$2,500/accident

YOU ARE NOT REQUIRED TO PARTICIPATE IN THE COVERALL ACCIDENT INSURANCE PROGRAM. YOU MAY BE ABLE TO OBTAIN THE REQUIRED COVERAGE AT LOWER COST ON YOUR OWN. THE FEES PAID TO PARTICIPATE IN THE COVERALL ACCIDENT INSURANCE PROGRAM EXCEED THE COST TO COVERALL FOR THE PROGRAM. THESE EXCESS FUNDS ARE RETAINED BY AND INURE SOLELY TO THE BENEFIT OF COVERALL. COVERALL TYPICALLY MAKES A PROFIT ON ITS ACCIDENT INSURANCE PROGRAM.

¹²If you elect to participate in Coverall’s Franchise Owner On-the-Job Accident Insurance Program, then your rate will be 2.4%. These rates may change as provided in Footnote 11 above. (These rates include a .2% administration fee charged by Coverall.) Since the premium is a percentage of your Gross Dollar Volume, you may be able to procure this coverage elsewhere for less than the cost of participating in this Program. Coverall makes a profit on its Accident Insurance Program.

¹³If you knowingly provide Coverall with false information on the Franchise Owner Application, then Coverall, at its sole discretion, will charge a False Documentation/Information Fee in order to recover its administrative and other costs. This fee will not exceed \$200, unless otherwise stated in the Coverall Franchise Owner Policies and Procedures Manual.

¹⁴**Direct Deposit Fee.** If you choose to have your monthly Franchise distribution deposited directly to your business or other bank account, then you must pay Coverall a fee for this service. The fee is currently \$9.95 per month. Any change in this fee will be stated in the Coverall Franchise Owner Policies and Procedures Manual. This service may not be available in your Region.

¹⁵If Franchisee fails to obtain any or all insurance as specified herein and approved by Coverall, Coverall may (but shall not be required to), in addition to other remedies, purchase such insurance for the benefit of Franchisee in which event Franchisee agrees to promptly reimburse Coverall for the cost. In the event it becomes necessary for Franchisee to reimburse Coverall for the costs of insurance, Franchisee authorizes Coverall to deduct the costs of the insurance, on a monthly basis, or as is otherwise necessary, from amounts billed and collected from Franchisee’s customers.

¹⁶**Operating Advance.** Coverall may in its sole discretion, advance funds to you (“Operating Advance”) [in addition to our Cash Flow Protection Plan] against your customer receivables. You are required to repay such advances on the 30th day following the date upon which the advance is made along with the fee.

¹⁷**Initial Equipment and Supply Package.** The equipment, chemicals and supplies that you purchase for your Franchised Business must satisfy Coverall’s specifications. You will receive the specifications at Initial Training. If you choose, you may purchase your equipment, chemicals and supplies from Coverall, and Coverall may agree to finance such purchases. See Exhibit A to A.1 for Coverall’s current pricing of the Initial Equipment and Supply Package as of the date of this Disclosure Document. The items included in Coverall’s Initial Equipment and Supply Package and pricing of each package are subject to change, and any changes will be stated in the Coverall Franchise Owner Policies and Procedures Manual or written notice from us advising you of the changes.

¹⁸**Bid and Negotiation Fee.** If you request assistance from us with bidding (for example, establishing the contract price) for a potential customer, there will be a one-time fee, as published and revised from time to time in the Franchise Owner Policies and Procedures Manual. The current fee is 1.5 times one month’s Regular Service Volume of the customer.

¹⁹All fees are uniformly imposed except in those instances where Coverall reserves discretion with regards to the amount of the fee to be imposed, or where the amount of the fee cannot be determined until the occurrence of the event that triggers the imposition of the fee.

²⁰**Audit Fee.** If Coverall conducts an audit of your Franchised Business records and discovers that you are in violation of the in-term restriction against your involvement in another commercial cleaning or related business, or against diverting customers to another entity, then you must pay Coverall for any expenses or costs incurred in conducting the audit.

¹You may choose to finance a portion of the Initial Franchise Fee as described in Items 5 and 10.

²Most amounts are affected by the size of the Franchise Package you purchase. Generally, the greater the Initial Business purchased, the greater the amount of the initial investment. (See Item 5.)

³The Initial Franchise Fee is discussed in detail in Item 5. We offer financing for the Initial Franchise Fee at 12% interest as described in Item 10. The term of the loan is up to 3 years as described in Item 5. We will provide you with initial training and start-up cleaning customers, all of which are included in the Initial Franchise Fee. (See Exhibit A to A.1 for a detailed list of equipment, chemicals and supplies that you will need to purchase to start your Franchised Business.) The commercial janitorial industry is highly competitive; and customers can be lost for any number of reasons, including but not limited to, poor service, the customer chooses a lower priced provider, the customer goes out of business or files for bankruptcy protection, economic circumstances cause the customer to terminate outside vendors. Because of these factors, we are unable to predict with any certainty the point at which you might recover your initial investment in your franchised business.

⁴These fees are nonrefundable. You are required to form a corporation or limited liability company and obtain a business license prior to signing your Franchise Agreement. You will need to open a business checking account in connection with your business.

⁵Includes office supplies, business cards, and identification badges.

⁶You are required to purchase approved apparel at a cost of about \$15-\$30 per person for all persons performing services for your Franchised Business. Although we sell approved apparel, you are not required to purchase apparel from us. However, we must approve the use of any Coverall[®] Marks appearing on apparel purchased from third parties.

⁷You will need additional funds for expenditures during the start-up phase to the extent that these costs are not covered by your initial Gross Dollar Volume. We define the start-up phase to be four months after you begin servicing your first customer. If you purchase a P-2000, you may need to purchase a floor polisher, the purchase cost of which has been included in the maximum amount. We offer financing for the purchase of equipment from us as described in Item 10. The “additional funds” category reported here is not an assurance that additional working capital will not be needed. Your own managerial ability and other factors beyond our control may result in additional start-up expenditures or time.

⁸The cost of insurance varies depending upon your prior history, terms of payment, and various other factors. The range of prices for comprehensive liability insurance purchased through our Business Protection Program is ordinarily \$58 to \$351 per month, depending on your Gross Dollar Volume. The range of prices for job related accident insurance purchased through Coverall is ordinarily \$36 to \$220 per month, for \$1,000 and \$10,000 Franchise Packages, respectively. The rate for Coverall’s Accident Program will be 2.4% (including Coverall’s .2% administration fee) of monthly Gross Dollar Volume for the owners. Coverall’s rates for insurance coverages are subject to change per footnote 11 in Item 6. If such change(s) is made, the premium may differ by state(s). Some insurance companies require an up-front deposit to purchase worker’s compensation insurance. The fees collected by Coverall from its franchisees for participation in the Business Protection Program or the Accident Program may exceed the cost to Coverall for these programs. Fees in excess of cost are retained by Coverall. Coverall typically makes a profit on these programs.

⁹We do not require you to purchase or lease any real estate. Most franchisees operate their franchises from home. In addition, since most franchisees do not have employees during the start-up phase, payroll costs are not included here.

¹⁰These figures are estimated and we cannot guarantee that you will not have additional expenses starting the business. Your costs will depend on factors such as: how well you follow our Health-Based Cleaning System program; your management skill, experience, and business acumen; local economic conditions; the local market for cleaning services; customer retention rate, and competition. We relied on our experience in the commercial cleaning business since 1985 to compile these estimates. You should review these figures carefully with a business advisor before making any decision to purchase the franchise.

¹¹This amount includes the Initial Franchise Fee, a portion of which may be financed.

¹²You are required to have access to a personal computer or hand-held device with Internet access and full-web browser capabilities, and the ability to send and receive electronic mail. However, we are not specifying what type of device you use to access the Internet and electronic mail.

¹³You will need a vehicle in connection with this business. The low estimate is for fuel and routine maintenance only and assumes you have an insured vehicle. The high estimate assumes you do not already have an insured vehicle and need to lease one or make payments on a purchased one.

ITEM 8 **RESTRICTIONS ON SOURCES** **OF PRODUCTS AND SERVICES**

Quality control is an important part of the Coverall Health-Based Cleaning System Program. The success of a national franchise system depends upon high standards and uniformity of workmanship. In order to achieve these high standards, proper cleaning agents, supplies, and equipment must be used.

SUPPLIES AND EQUIPMENT

We use our purchasing power to negotiate arrangements with some suppliers for your benefit, which typically represent a savings to you of 5-10% off the manufacturer's retail list price. We may charge a mark-up on these sales. You are not required to purchase any goods, services, supplies, fixtures, equipment, or inventory, for your business from us. The cost of equipment, chemicals, supplies, and apparel purchased in accordance with specifications, through us or another approved supplier, represents (along with the purchase of required insurance) 70-80% of your non-payroll expenditures in establishing and operating your commercial cleaning franchise. This percentage does not include labor costs or the purchase of Additional Business.

Due to quality, control and branding considerations, you must purchase and use in your Franchised Business, supplies and equipment according to our specifications as set forth in directives issued from time to time and/or as published and revised from time to time in the Franchise Owner Policies and Procedures Manual. We identify approved suppliers and approved equipment, chemicals, and supplies. A current list of approved suppliers is available in Coverall's Franchise Owner Policies and Procedures Manual. We are an approved supplier of cleaning chemicals, janitorial supplies, cleaning equipment, and apparel. Approval qualification criteria include requirements such as the identification of product composition and compliance with OSHA requirements. If you would like to purchase non-approved equipment, chemicals, and supplies, you must submit a "Request for Approval" form, a sample of the proposed product or equipment (if possible), the Material Safety Data Sheet for the chemicals and the manufacturer's specifications. Upon receipt, we will test for performance indications, including: cleaning efficiency, safety, ease of application, durability, and economy, and notify you of our approval or disapproval within 30 days. There is no fee for this service. We will approve an item after this test if it meets approved supplier qualifications and the performance standards of a comparable, approved product. If we or a customer specify the use of specific products or equipment, you are obligated to purchase and use the specified products or equipment.

On or before the completion of Initial Training, if you do not purchase a starter-kit of equipment, chemicals and supplies from Coverall, you must demonstrate to Coverall that you have purchased the specified equipment, chemicals and supplies necessary to get started in your business. This is a one-time requirement.

We reserve the right to revoke our approval of a supplier, product or equipment if it is determined that it no longer meets quality standards. Upon written notification of revocation, you must cease using the disapproved supplier or product.

No officers of Coverall have any ownership interest in any suppliers used by Coverall.

In the 2012 fiscal year, our revenues from the sale of all equipment, chemicals, supplies, insurance, and apparel to janitorial franchisees were \$11,209,456 or 6.06% of our total revenues of \$184,944,548. We received discounts from vendors of 10% to 50% on our purchases of equipment, chemicals and miscellaneous supplies, which we re-sell to our janitorial franchisees. You may or may not receive the full benefit of these discounts. In addition, in 2012, we received rebates totaling \$176,227.99 from vendors. We retain, at our sole discretion, all rebates. All or some portion of any rebate may, at Coverall's sole discretion, be allocated to The Coverall Foundation, Inc.

COMPUTER EQUIPMENT

You are required to have access to a personal computer, or hand-held device, such as a cell phone, with Internet access and the ability to send and receive electronic mail and full-web browsing capabilities. You must provide Coverall with an electronic mail address. We are not specifying what type of device you use, as long as you have the ability to send and receive electronic mail and full-web browsing capabilities via the Internet.

INSURANCE SPECIFICATIONS

You are required, at your sole expense, to maintain insurance naming us as an additional insured on the face of each policy. You must obtain comprehensive liability insurance covering property damage, loss and personal injury in amounts not less than \$1,000,000 per occurrence, \$2,000,000 in the aggregate, and a \$5,000,000 umbrella policy. Your comprehensive liability insurance may not contain an exclusion for property in your care, custody, and control. Participation in Coverall's Business Protection Program provides Franchisee with the \$1,000,000 per occurrence,

\$2,000,000 in the aggregate general liability coverage and an \$8,000,000 umbrella, and Franchisee is named as an additional insured on Coverall's policy. (See Item 6 for Business Protection Plan limits.)

You must obtain comprehensive automobile liability insurance, including personal injury and property damage insurance, in the minimum amount of \$50,000, the amount required by state law, or the amount required by your customers. Participation in Coverall's Business Protection Program does not provide you with this coverage.

If you have employees, you must also obtain workers' compensation insurance for state statutory limits. In addition, if anyone other than a franchise owner provides services to customers on behalf of your franchised business, you must obtain workers' compensation insurance, regardless of state law. Coverall does not have a worker's compensation program to offer to its franchise owners at this time.

If you do not have workers' compensation insurance covering the owner of the franchised business, then you must obtain on-the-job accident insurance for yourself, with minimum coverages as follows: accidental death (\$20,000.00), accidental dismemberment (\$20,000.00), paralysis (\$20,000.00), temporary total disability (\$500.00 per week for 52 weeks), continuous disability (\$500.00 per week for 52 weeks), and accident medical expense (maximum benefit of \$50,000.00 for 52 weeks). The Coverall Accident Insurance Program has higher limits. (See Item 6 for Franchise Owner On-the-Job Accident Insurance Program Plan limits.)

You must also maintain employer's liability insurance in amounts no less than \$100,000 each accident, and comply with all state and federal laws to maintain a proper unemployment insurance account.

You must also obtain janitorial bonding in a minimum amount of \$100,000. Participation in Coverall's Business Protection plan provides this same coverage.

You may be able to procure the required insurance coverage elsewhere for less than the cost of participating in Coverall's insurance programs. If you choose to procure insurance on your own, you must provide proof of all required insurance to Coverall within ten (10) days of signing your Janitorial Franchise Agreement and upon demand by Coverall at any time during the term of your Janitorial Franchise. Failure to provide proof of insurance may result in suspension of the Initial Business Offering Period. All of your insurance policies shall name Coverall as an additional insured. If Franchisee fails to obtain any or all insurance as specified herein and approved by Coverall, Coverall may (but shall not be required to), in addition to other remedies, purchase such insurance for the benefit of Franchisee in which event Franchisee agrees to promptly reimburse Coverall for the cost, or if available, automatically enroll you in the applicable Coverall insurance program and deduct the premiums monthly. In the event it becomes necessary for Franchisee to reimburse Coverall for the costs of insurance, Franchisee authorizes Coverall to deduct the costs of the insurance, on a monthly basis, or as is otherwise necessary, from amounts to be paid by Coverall to Franchisee. (See Item 6). We will notify you of any modifications to the policy limits set forth above. Coverall reserves the right to change or modify all required coverages and premium rates. These programs are subject to cancellation, and minimum coverages are subject to increase or decrease from time to time in accordance with changes made to the Coverall Franchise Owner Policies and Procedures Manual and/or by Coverall providing you with written notice advising you of change(s).

We do not provide any material benefits to you if you buy from sources we approve.

BILLING AND COLLECTIONS

All of the commercial cleaning services that you provide must be through your franchised business with all billing and collection done through Coverall. If you obtain a customer on your own, unless otherwise agreed by Coverall in writing, billing and collection services for that customer shall be performed by Coverall. If applicable, Coverall will pay any state sales tax collected from your customers to the appropriate state taxing authority.

¹Depending on the Franchise Package size you choose the Initial Franchise Fee ranges from \$9,120 to \$37,000. If you pay this initial fee in cash or by credit card (Visa and MasterCard are accepted), you will receive an 8% discount as described in Item 5. In lieu of the cash discount, veterans qualify for a 10% veterans' discount on the Initial Franchise Fee. Veterans participating in the VetFran Program described in Item 5 receive a 25% discount on the Initial Franchise Fee. In order to assist credit-worthy franchisees in the purchase of the business, we typically finance between \$7,120 and \$16,650. The financed amount is currently evidenced by a Promissory Note and is payable over a 2 or 3 year period (at our option) in equal monthly installments at 12% interest per annum on the unpaid principal as described in Item 5. If Coverall agrees to temporarily suspend payment on any financed obligation, interest will continue to accrue on the outstanding balance. We reserve the right to change the terms, interest rate, and amounts financed. (A copy of our Promissory Note appears in this disclosure document as an attachment to Exhibit A.1.) We reserve the right to change the method by which we offer financing to franchisees so that in lieu of our accepting franchisees' promissory notes, we may offer franchisees lines of credit and/or make available financing through third party lenders upon terms and conditions to be determined by the third party lenders. We reserve the right to sell, assign, or discount promissory notes to a third party.

²The Initial Franchise Fee is uniform except as described in Item 5.

³The Promissory Note must be secured by all your business assets. The Promissory Note and Equipment Purchase Agreement, if any, as well as all sums due under the Franchise Agreement, must be guaranteed individually by you, members and shareholders. (See Guaranty form)

⁴If you do not pay on time, we can charge a late penalty. In the case of nonpayment or other default under the Promissory Note, or any financing provided by Coverall, or breach of the Franchise Agreement or any other agreement with us, we can require immediate payment of all amounts due, and/or terminate your franchise, and we can also collect our attorneys' fees and costs. (See Promissory Note.) Under the Equipment Purchase Agreement, we can require immediate payment of all amounts due and take back the equipment. (Equipment Purchase Agreement, Paragraphs 2

and 10). Your obligation to pay your financed debt to Coverall is not dependent upon your franchised business generating revenue. You must make your monthly payment until the debt is paid in full; failure to do so can result in a declaration of default and imposition of late fees.

⁵There is no waiver of legal rights in any financing contract.

⁶The interest rate on financed equipment purchases is 18% or the highest rate permitted by your state, whichever is less, on the unpaid balance.

⁷Monthly payments are due on the last calendar day of each month, beginning in the first month following the month in which service of the financed customer begins. (Franchise Agreement, Paragraph 7A) Under the Franchise Agreement, we deduct payments due us from funds paid by janitorial customers for services. However, failure of a customer to pay does not relieve you of your obligation to make monthly payments on your financed debt, and if in any given month your Gross Dollar Volume is zero, you must make your note payment to Coverall. If Coverall agrees to temporarily suspend payment on any financed obligation, interest will continue to accrue on the outstanding balance. See Item 11 for a description of our billing and collection services. (Franchise Agreement, Paragraph 16) With the exception of equipment purchases, we do not presently make available financing for franchisees with other sources, but we may in the future make financing available to you through a third party lender upon terms and conditions satisfactory to the third party lender.

⁸We usually finance up to 50% of the sales and marketing fee for Additional Business offered to you by Coverall. Additional Business requested by you must be paid for in full prior to Coverall offering you the requested amount of Additional Business, and as a condition of acceptance and purchase of Additional Business, you will be required to sign a general release in favor of Coverall. (See attached Exhibit G, Franchise Owner Customer Acceptance Forms.)

⁹Visa and MasterCard credit cards may be used to pay for the down payment or the financed portion of the Initial Franchise Fee. These credit cards may also be used to pay for all or any part of the down payment or the financed portion of the sales and marketing fee for Additional Business. The interest rates on Visa and MasterCard vary according to your vendor. You must check your card agreement to determine your interest rate.

¹⁰We usually finance up to 100% of a Bid and Negotiation Fee. If you request assistance with bidding (for example, establishing the contract price) for a potential customer, there will be a one-time fee.

During initial training, we distribute the manuals listed below, and other instructional materials. At Coverall's sole discretion, all Coverall manuals and instructional materials may be provided to you in electronic format only through internet based access. All Coverall instructional materials shall remain the property of Coverall and must be returned upon expiration, termination, or assignment of your Franchised Business. OUR OBLIGATIONS

Except as follows, Coverall is not required to provide you with any assistance.

Time for Offering Initial Business

We will offer you Initial Business located in the area(s) in which we do business. Coverall may or may not have an inventory of customers available to offer your dollar amount of Initial Business on the date you sign your Janitorial Franchise Agreement or on the date that you complete training, which is why for Franchise Packages up through \$3,000 per month, we have up to 120 business days from the date you complete your initial obligations to offer you business. And for Franchise Packages larger than \$3,000, we have more than 120 business days from the date you complete your initial obligations to offer you business. For each \$1,000 per month or portion in excess of \$3,000, add 30 business days. For example, if you purchase a P-5000, we have 180 business days from the date on which you complete your initial obligations to offer you that amount of business. Coverall's obligation to offer you sufficient customers to fill your Franchise Package does not begin until: i) you or your designated employee, as approved by Coverall, has successfully completed the Initial Training Program and ii) your background screening has been approved. The Initial Business Offering Period may be suspended if: i) Coverall requires you to attend retraining; or ii) you are in breach of any material provision of the Janitorial Franchise Agreement or any other agreement with Coverall. You must form a corporation or limited liability company, obtain a Federal Employer Identification Number, and obtain a business license, if applicable, prior to signing the Franchise Agreement. The customers offered to fulfill your Initial Business may be new customers recently acquired by Coverall or existing customers that become available for resale. A customer becomes available for resale because a customer has requested a replacement franchisee or a franchisee has abandoned a customer. Customers requesting a replacement franchisee because of poor service by that franchisee may be difficult to please. In addition, depending upon the results of your background screening, you may not meet certain customer criteria and customers may want to reject your services. The Service Agreements for customers that you accept will be assigned to you, excluding those Service Agreements that prohibit assignment, cover multiple locations, and apply to National Account Customers. The assignment is conditional and will be effective only upon payment in full of your Franchise Fee and sales and marketing fees financed by you. The assignment shall be subject to the terms and conditions of your Franchise Agreement. In addition, after assignment, Coverall shall retain the right to offer and sell special services, equipment, chemicals and supplies to your customers. (See attached Exhibit G, Franchise Owner Customer Acceptance Forms)

Franchisees typically begin servicing their first customer approximately two (2) months after signing the Franchise Agreement. However, this length of time varies according to when you begin your first customer and your personal readiness to begin based on training and preference.

Customer Guarantees

Commercial cleaning customers can be lost for any number of reasons, including but not limited to, poor service, the customer chooses a lower priced provider, the customer goes out of business or files for bankruptcy protection, economic circumstances cause the customer to terminate outside vendors. You can expect to lose customers, and that is a risk of doing business. Customer attrition is why, excluding customers lost for poor service, we provide limited customer guarantees. (See Item 19 below).

1. The Initial Business Guarantee

We guarantee your Initial Business. We do this to help you establish your new franchised business. You may qualify for either a 12 month guarantee or a 6 month guarantee, which begins on the date that you begin servicing the customer. We only guarantee customers lost through no fault of your own. If you qualify for either guarantee, we will replace the dollar volume of the lost customer, with one or more customers of equal dollar volume. This is a one-time only replacement. Replacement Business is not guaranteed. If the replacement customer(s) has a dollar volume in excess of that lost by you, you may have to pay us for the excess dollar volume.

This Initial Business guarantee is provided only under the following conditions:

- (a) To qualify for the 12 month guarantee, for each month from the date you begin servicing a customer, you must perform an inspection with the customer, and submit the Inspection Report (also known as an Survey Report), which must be signed by the customer, to us no later than the 5th day following the inspection. ***You must do all 12 inspections to qualify for the 12 month guarantee.*** If you do not, you are only entitled to the 6 month guarantee.
- (b) If you choose not to perform the inspections, or if you fail to do an inspection in any month or fail to timely submit a properly completed Inspection Report, you only qualify for a 6 month guarantee.
- (c) If a Hospitality Account Customer is offered to you to fulfill your Initial Business, the Initial Business Guarantee does not apply to the full Regular Service Volume of the Hospitality Account Customer, unless another Hospitality Account Customer is available as replacement business. To the extent that we offer commercial janitorial cleaning customers to replace the guaranteed Hospitality Account Customer(s) that you lost, the dollar volume of business offered to you will be prorated according to the amount that fulfilled your Initial Business. In other words, a guaranteed Hospitality Account Customer is only replaced dollar for dollar by another Hospitality Account Customer; but if we offer you commercial janitorial cleaning customers as replacement business you will receive less than the Regular Service Volume attributable to the Hospitality Account Customer that you lost.

2. Additional Business Guarantee

We further support you by offering an Additional Business Guarantee. Customers provided to you pursuant to your purchase of Additional Business are guaranteed for up to 6 months. You may qualify for a 6 month guarantee for Additional Business, which begins on the date that you begin servicing the customer; but only for customers lost through no fault of your own. To qualify for this 6 month guarantee, for each month from the date you begin servicing customer, you must perform an inspection with the customer, and submit the Inspection Report, which must be signed by the customer, to us no later than the 5th day following the inspection. ***You must do all 6 inspections to qualify for this 6 month guarantee.*** (Franchise Agreement, Paragraph 15.) This is your only remedy for lost Additional Business; and this is a one-time only replacement. The Additional Business guarantee does not apply to Hospitality Account Customers.

3. Promotional Business

There may be situations where we will offer you additional contract business volume without charging you the current sales and marketing fee ("Promotional Business"), this Promotional Business will be offered to you within a reasonable period of time. Promotional Business, which you do not pay for, is not guaranteed and will not be replaced regardless of whether the customers are lost through no fault of your own.

Fulfillment of Our Obligation to Offer Initial Business

If you reject a customer offered as part of your Initial Business, our obligation to offer you that amount of Initial Business within the Initial Business Offering Period will be considered fulfilled. However, we will continue to offer you business within a reasonable time after the expiration of the Initial Business Offering Period; provided, however, that if you unreasonably reject our offer of any Initial Business made within a reasonable time after the Initial Business Offering Period has expired, we may be deemed to have fulfilled our obligation to provide your Initial Business. Examples of unreasonable rejections of offered Initial Business include, but are not limited to the following: (1) too far when the account offered is within a 30 mile radius of your place of business; (2) the customer facility is too dirty; or (3) the customer revenue offered is too small because you want a single customer account to fulfill your entire Franchise Package. Voluntary abandonment by you of a customer accepted to fulfill Initial Business does not give rise to an obligation on Coverall's part to offer you more business; and that abandoned customer will be counted against your Franchise Package. (See Item 19 below.)

Billing and Collection Services

We provide you with billing and collection services. We will invoice customers in your business name each month for the cost of services and supplies that you provide (Franchise Agreement, Paragraph 16B). If a customer that we bill on your behalf is delinquent in payment, Coverall may, after discussing the customer with you, stop invoicing that customer. If you choose to continue servicing a delinquent customer, you do so at risk of non-payment. If your Franchised Business is servicing a National Account Customer, Coverall may unilaterally determine that services to that National Account Customer must cease and direct you to stop servicing any location or locations of that National Account Customer.

We will collect the monies due for your service from the customers and distribute it to you on a monthly basis, after deduction of the 5% royalty fee, the 10% support fee, any note payments for amounts you financed with us, and any sales and marketing fee, any transfer fee, any equipment lease payments, any special service finder's fees, any advances made by us, any authorized insurance charges, and any out-of-pocket costs (including attorneys' fees and court costs) which we incur in enforcing payment by your customers and any other deductions authorized by you (collectively, the "Authorized Deductions"). We are not required to engage attorneys, begin litigation, or do any acts (other than send monthly statements) in order to enforce payment by customers. (Franchise Agreement, Paragraph 16B) If applicable, Coverall will pay any state sales tax collected from your customers to the appropriate state taxing authority. You may choose to personally enforce payment on delinquent customer(s) which you are servicing, excluding National Account Customers. This includes your right at your expense to file a lawsuit for payment against a delinquent customer. If you collect monies due on a delinquent customer, you will be responsible to us for any unpaid royalties, support fees, note payments, and other payments (if any) due us on the amounts collected. You must keep us timely advised of any legal or other proceedings which you institute, including the outcome of any proceedings. (Franchise Agreement, Paragraph 16B). If you wish for Coverall to file a lawsuit against a delinquent customer, you will have to reassign the Service Agreement to Coverall. If we file a lawsuit for payment against a delinquent customer and we collect, you will be entitled to receive an amount net of our royalty and support fees and the costs of collection, including attorney's fees, costs, and expenses. Once we initiate a collection action (whether in-house collection efforts or a lawsuit) against a delinquent customer, after consulting with you, we may settle and compromise customer debt, which means that we may agree to accept less than the amount owed by the customer. If we agree to accept less than the amount owed by the customer, you will be entitled to receive an amount net of our royalty and support fees and the costs of recovery, including attorney's fees, costs and expenses. These fees may exceed the amount collected, in which event, you will not receive any payment.

Cash Flow Protection Program

While we are collecting the monies due from the customers you serviced, we will assist you in the operation of your business by advancing [loaning] to you the amount that we billed to the customer ("Cash Flow Advance"). This is our Cash Flow Protection Guarantee. It is a short-term, interest-free loan to you. Under our Cash Flow Protection Program, we will advance to you amounts that have been billed to customers serviced by you, whether or not we have collected those amounts, for a maximum of 60 days (two months). Cash Flow Advances are made on the last calendar day of the month following the month the services were rendered (if the last day of the month falls on a weekend and/or holiday, payment will be made on the next business day. If at the end of 90 days from the invoice date the

customer has not paid, advances will stop for that customer, and you must repay us the amounts billed and advanced. Repayment will ordinarily be over a period of 2 months through statement deductions. For example, if we advance \$100.00 in January (reflected on your January Franchisee Statement), and \$80.00 in February (reflected on your February Franchisee Statement), and no payments are collected from that customer within 90 days from the invoice date, you will repay \$100.00 in your March Franchisee Statement (identified as a Chargeback) and \$80.00 in April Franchisee Statement (identified as a Chargeback). (Franchise Agreement, Paragraph 6C) If you are not generating sufficient Gross Dollar Volume to repay the advance through statement deductions from (i.e., to cover the Chargeback), you must directly repay Coverall.

POST-OPENING ASSISTANCE:

1) We will be available to answer routine questions regarding your business. (Franchise Agreement Paragraph 16)

2) We will offer any additional training and introduction of new methods and materials through updating manuals, personal consultation, and/or group seminars. (Franchise Agreement, Paragraph 11, 16, and 17)

3) Under our Business Protection Program, we may make available to you and you may wish to participate in the Coverall general liability insurance and fidelity bonding program, which has been placed through a major insurance company. If you participate, you and Coverall will be named as insured. In addition to the premium, the cost includes a support fee and service charge as determined by Coverall. In consideration of our support fee and service charge, we will waive certain of our indemnification rights against participants in our Business Protection Program, except for the deductibles under the Program. This is an optional program, and is subject to modification and/or cancellation. You may obtain insurance through another source, provided the coverage meets the minimum requirements set forth in your Franchise Agreement. (Franchise Agreement, Paragraphs 17 and 20)

4) The Coverall Accident Insurance Program makes available on-the-job accident insurance. This is an optional program and is subject to modification and/or cancellation and premium rate modification. (Franchise Agreement, Paragraph 17) This insurance is personal, providing coverage only to you. Your employees or family members are not covered by this insurance.

5) We may periodically telephone and/or conduct site inspections of the customers you are servicing to assist you in maintaining and improving the quality of your services and to protect the Coverall brand. (Franchise Agreement, Paragraph 12)

6) We will assist you with promoting and soliciting additional and new business for your franchise. (Franchise Agreement, Paragraph 15)

7) We do not have an advertising fund, council, or cooperative, nor do we charge an advertising fee. At our discretion, we may advertise in print, radio, television, or other local, national, and international media. Our print advertising is produced both in-house and by an advertising agency. Although Coverall-produced marketing materials are available for purchase by you, you may use your own advertising materials subject to approval of our Marketing Department before distribution. (Franchise Agreement, Paragraph 17)

8) We do not require you to purchase or use electronic cash registers or computer systems. However, you are required to have access to some type of electronic device, such as a personal computer or hand-held device (cell phone), that can send and receive electronic mail and with full-web browsing capabilities. We do not specify what type of device you use to send and receive electronic mail or access the Internet. (Franchise Agreement, Paragraph 17)

9) We may assist you with bidding (for example, establishing the contract price) for a potential customer. There will be a one-time fee, as published and revised from time to time in the Franchise Owner Policies and Procedures Manual.

ITEM 12
TERRITORY

Due to the nature of the franchised business, you will not receive an exclusive territory or exclusive territory rights. You may face competition from other Coverall franchisees. Coverall is not able to state the exact number of miles that you may have to travel to a customer. However, in the ordinary course of business, we endeavor to offer you customers no more than a 30 mile radius from your franchised business. You may offer and render janitorial services to commercial customers only within the area(s) in which the Coverall Support Center, through which you have purchased your franchise, conducts business. We have established and will continue to establish other franchises, each licensed to use our service marks that may compete with you. In addition, we may sell supplies directly to customers. We and our affiliates have not established, and are not restricted from establishing any other franchises or company-owned outlets or other channels of distribution selling or leasing similar products or services under a different trademark.

At your request, we will use our best efforts to arrange for a relocation of your franchise to another Coverall location, even though we are not required to do so under the Franchise Agreement.

ITEM 13

PROVISIONAL PATENT APPLICATIONS

Type of Patent Application	Serial Number	Filing Date	Title
Utility	12/574,520	10/6/2009	Health-Based Cleaning System & Method

We have obtained and renewed copyright registrations with the United States Registrar of Copyrights for our janitorial, service, and territory disclosure documents, brochures, maintenance proposals, contracts, and business forms. We claim ownership of our systems, methods of operation, knowledge, know-how, training, procedures, forms, manuals, and computer software which we regard as a valuable and integral part of your franchise. We intend to renew our current copyrights and secure copyright protection for new material as we deem necessary. Coverall may in its sole discretion choose to defend or prosecute an action related to its copyrights. We do not agree to protect you against claims of infringement or unfair competition arising out of your use of our copyrights. We are not obligated by the Janitorial Franchise Agreement to participate in your defense or to indemnify you in the event that a third party sues you because of your use of our copyrights. However, we may in our sole discretion choose to do so.

In the event of modifications, changes, or discontinuations, Franchisee will upon receipt of written notice, and at its sole expense, promptly discontinue use of the discontinued trademarks and/or copyrights and adopt and promptly begin use of the new or modified trademarks and/or copyrights, and promptly implement the modifications and/or changes to the System. There are currently no effective or pending determinations, litigation, agreements, infringing uses, or superior prior rights actually known to us, which could materially affect your use of copyrights, and/or proprietary information in the United States.

CONFIDENTIAL MANUALS

We claim copyrights to our confidential and proprietary manuals and to the content of our on-line training program. We authorize you to access our on-line, internet-based training program and to use our Operations Training Manual, Sales Manuals, and Coverall Franchise Owner Policies and Procedures Manual, for which the tables of contents are attached as Exhibit F; and other proprietary and confidential printed materials during the term of your Franchise Agreement. In fact, you must operate your franchise according to the standards and procedures specified in the manuals. We may periodically revise our on-line training program, manuals and other materials, and you will be required to update your materials as revisions are provided to you to keep them current and to adhere to and operate your franchise in accordance with the revised standards and procedures.

CONFIDENTIAL INFORMATION

We claim property rights to all information concerning the Coverall System, including: operational, promotional, sales, and marketing techniques and methods; policies, procedures, and related materials; training procedures; franchisee and customer lists, pricing and billing services and procedures; and assistance with employee and customer relationships.

You must not divulge, reproduce, or use any of Coverall's confidential, proprietary, and copyrighted information during the Initial or Renewal Term of your franchise, except as authorized by the Franchise Agreement. You must promptly tell us if you learn of unauthorized use of our confidential, proprietary, and copyrighted information, and we will respond as we deem appropriate.

If your Franchise Agreement is terminated or not renewed, you must return to Coverall all confidential, proprietary, and copyrighted information including all forms, materials, books, records, software, and manuals which are in your possession, custody, or control.

We require that you obtain a signed Confidentiality/Non-Competition Agreement from each officer, director, member, and/or shareholder within ten (10) days of signing the Franchise Agreement and subsequently from additional officer, directors, members, and shareholders. We also require that you obtain a signed Employee Confidentiality/Non-Competition Agreement from all of your employees upon ten (10) days of signing the Franchise Agreement or upon ten (10) days of hire, whichever last occurs. The forms of these Agreements appear in this Franchise Disclosure Document as Exhibits A.3 and A.4.

ITEM 15 **OBLIGATION TO PARTICIPATE IN THE ACTUAL** **OPERATION OF THE FRANCHISE BUSINESS**

We do not require that you personally supervise the business, but strongly recommend that you directly participate in its management, supervision, and operation. Your operating manager/supervisor, if any, is not required to have an equity interest in your business, but should satisfactorily complete our training program. Our initial HBCS Training Program is available to you without charge.

Our franchisees are independent contractors operating commercial cleaning Franchised Businesses and not employees of Coverall. You are a business owner and you are not entitled to participate in any benefits programs offered by Coverall to those whom Coverall classifies as its employees; and you are not covered by either our workers' compensation insurance or unemployment compensation, unless as otherwise required by law. You must purchase this insurance on your own for the benefit of your Franchised Business. Should any state or federal agency or court determine that you fall within the definition of an employee [of Coverall] under any state or federal statute, Coverall does not intend to provide you retroactively or thereafter with any benefits (including but not limited to, vacation pay, overtime, rest and meal breaks, healthcare benefits, worker's compensation, or unemployment compensation) that it may provide to those whom Coverall classifies as employees, unless obligated by law to do so. Should any state or federal agency or court determine that you fall within the definition of an employee of Coverall under any state or federal statute, Coverall may, in its sole discretion, terminate or modify your Franchise Agreement.

You are buying a business, and you are a Franchised Business owner. We are not offering you a job; and you are not an employee.

ITEM 16 **RESTRICTIONS ON WHAT THE FRANCHISEE MAY SELL**

The Coverall System has been carefully developed over many years to provide high-quality services and products. You must provide all services and products we prescribe. In keeping with our high-quality standards, you may not provide unauthorized services or products.

We reserve the right to modify the types of services provided to customers and you must abide by those modifications. To ensure quality, we also approve the specifications of your chemicals and equipment as described in Item 8.

In addition to the standard janitorial commercial cleaning services, you may also become qualified through Coverall's training to offer and perform Special Services. Special Services include: ceiling cleaning, construction cleanup, and water damage restoration. Other Special Services may be added. Since customers often prefer to obtain their cleaning services from one source, we strongly recommend that you take part in our specialized training to be equipped to provide these services. You must comply with our reasonable training requirements. If you choose not to offer these Special Services, we may bring in a different franchise owner or other contractors to provide them.

We may also solicit special services from the customers to whom you are providing services. Special services we obtain for the premises you are servicing will ordinarily be offered to you first. If you do not accept the special services, or you have not completed the specialized training required for the service, or the business is for a facility separate from the premises you are cleaning, we can offer the business to another franchisee or contractor.

To ensure consistent quality throughout the Coverall System, you must adhere to the policies, procedures, and use of appropriate forms as set forth in training, the Coverall Franchise Owner Policies and Procedures Manual, Operations and Sales Manuals, and other manuals and written directives.

The customers that you service through your Franchised Business enter into contracts with Coverall; unless you obtain the customer yourself. These contracts will be assigned to you, excluding those Service Agreements that prohibit assignment, cover multiple locations, and apply to National Account Customers, contingent upon your payment in full of the Initial Franchise Fee or the financed portion of Additional Business that you purchase. You must not solicit or contact existing Coverall customers or prospects, unless we authorize you to do so, as in the case of providing Special Services. Because of the potential of interfering with a current Coverall customer assigned to another franchisee or a prospect being solicited by Coverall or another franchisee, you may not telemarket. You may bid on a customer yourself, and if you request, we will assist you in preparing written proposals to prospective customers identified by you. You may not solicit outside of the territory encompassed by your Support Center. We reserve the right to contact the customers that you are servicing, whether or not those customers were obtained by Coverall or you, through periodic physical inspections and telephone contact. If we determine that a customer is receiving poor service and the Coverall brand is impacted, we may terminate your service to that customer, regardless of whether Coverall procured that customer or you did.

You may not use the “Coverall[®]” service mark and confidential, proprietary, and copyrighted information to perform residential or other noncommercial cleaning services. You may not be associated with any other company offering commercial cleaning services during the term of your franchise. All of the commercial cleaning services that you provide must be through your franchised business with all billing and collection done by Coverall, regardless of whether Coverall procured the customer or you did.

ITEM 18 **PUBLIC FIGURES**

We do not use any public figure to promote our franchise.

ITEM 19
FINANCIAL PERFORMANCE REPRESENTATIONS

The FTC Franchise Rule permits a franchisor to provide information about the actual or potential financial performance of its franchised and/or franchisor-owned outlets, if there is a reasonable basis for the information, and if the information is included in the disclosure document. Financial performance information that differs from that included in Item 19 may be given only if: (1) a franchisor provides the actual records of an existing outlet you are considering buying; or (2) a franchisor supplements the information provided in the Item 19, for example, by providing information about possible performance at a particular location or under particular circumstances.

We do not make any representations about a franchisee's future financial performance or the past financial performance of company-owned or franchised outlets. We also do not authorize our employees or representatives to make any such representations either orally or in writing. If you are purchasing an existing outlet, however, we may provide you with the actual records of that outlet. If you receive any other financial performance information or projections of your future income, you should report it to the franchisor's management by contacting the Compliance Director in the Legal Department at the Global Support Center located at 350 SW 12th Avenue, Deerfield Beach, Florida 33442 (561-922-2534); the Federal Trade Commission, and the appropriate state regulatory agencies.

We sell our franchises as packages. The Franchise Package is described as a specified amount of Initial Business, which we must offer to you within a certain amount of time. For convenience and to be consistent with business practices in the janitorial franchise industry, we describe these Franchise Packages in terms of monthly Gross Dollar Volume (i.e., a P-1500 Franchise Package means \$1,500.00 in monthly Gross Dollar Volume). In addition, under the Franchise Agreement, we will guarantee your Initial Business for up to a maximum of 12 months, subject to the conditions described in Item 11 above. The Franchise Package purchased is not a guarantee that you will earn an equivalent amount of Gross Dollar Volume each month; neither does it mean that we are obligated at any time to replace lost customers to enable you to maintain that level of Gross Dollar Volume.

If we do not offer the Initial Business within the specified time, you may request a refund of a portion of the initial franchisee fee, as described in Item 5, above.

The monthly Gross Dollar Volume of the Initial Business that you purchase should not be considered as the actual or potential income or profit, you will realize. The total monthly Gross Dollar Volume you achieve are affected by many factors such as: the Initial Business may be offered in stages during the specified time period; you may decline a customer; you may lose a customer for poor service; the customer may cancel through no fault of your own and you did not perform the required inspections to earn the extended guarantee; and you may lose a customer through no fault of your own and there is a time lag before the replacement customer is offered.

Other factors affecting your Gross Dollar Volume are the quality and efficiency of your cleaning services; the degree to which you finance the purchase and operation of the franchise; and business expenses associated with operating your business, many of which expenses you control, such as wages to employees.

We make no disclosure as to when, or if, you will recover your investment in your franchised business. There are too many variables to permit a reliable estimate. Commercial cleaning customers can be lost for any number of reasons, including but not limited to, poor service, the customer chooses a lower priced provider, the customer goes out of business or files for bankruptcy protection, economic circumstances cause the customer to terminate outside vendors. In 2012, average customer attrition rate was 2.18% per month. You can expect to lose customers, and that is a risk of doing business. In 2012, the average life of a customer was forty-five (45) months, which is not an assurance that you will retain your customers for a similar period of time.

COVERALL'S FULFILLMENT OF FRANCHISE PACKAGES

We analyzed our compliance with the Franchise Agreement concerning the amount, timeliness, and refund requirements for Initial Business provided to our franchisees. We reviewed all franchise sales made during our fiscal year, and determined whether or not as of December 31, 2012 the Initial Business had been offered in compliance with the Franchise Agreement.

During our fiscal year January 1, 2012 to December 31, 2012, we sold 535 franchises. Of those sold, as of the close of the fiscal year: (a) franchisees either had their packages timely filled or have accepted our performance in 246 cases; or 46%; (b) we and the franchisee made a mutually acceptable adjustment to the franchise package, such as by our recalculation of the franchise fee or an extension of time to provide customers, in 11 cases; or 0.02%; (c) the time for us to provide initial customers under franchise packages had not expired in 278 cases, or 52%; and (d) it is undetermined whether the package has been filled in 0 cases, or 0%.

Therefore, we complied with the amount, timeliness, and recalculation requirements for Initial Business provided to our franchisees in 100% of the cases. Our compliance could not be determined in less than one percent of the sales. Substantiation of the data used in preparing these statistics will be made available upon request.

The basis for our claim about Initial Business is Paragraph 13 of the Franchise Agreement.

TERMS OF AGREEMENT

NOW, THEREFORE, for and in consideration of the mutual rights and obligations contained in this Agreement, Coverall and Franchisee agree as follows:

1. NATURE AND SCOPE OF FRANCHISE.

- A. Coverall sells and supports franchised commercial janitorial cleaning businesses (the "Franchised Business"). Franchisee is purchasing a Franchised Business and receives the right to use the Coverall System, a system for the ongoing development and operation of a commercial janitorial cleaning business, and the right to use certain Coverall trade names, service marks and trademarks, including the trade names "Coverall[®]," "Coverall Health-Based Cleaning System[®]," and/or such other names, designs, and logos as Coverall may from time to time designate (the "Marks"). The Coverall[®] System is operated widely within the United States of America and in certain foreign countries.
- B. Coverall owns the Coverall System and Marks, and has the right to authorize their adoption and use.
- C. The rights granted to Franchisee to operate the Franchised Business are set forth in this Agreement.
- D. The Franchised Business shall be operated in conformity with the Coverall System and adherence to Coverall's standards, policies and procedures as they may be issued from time to time.
- E. Franchisee intends by executing this Agreement to purchase a Franchised Business becoming an independent business owner of a Coverall[®] Franchised Business.

2. FRANCHISE GRANT AND TERM.

- A. Coverall grants Franchisee for the stated Term, the right, license, and privilege to adopt and use the Coverall System, to advertise to the public that Franchisee is a franchisee of Coverall, and to adopt and use, but only in connection with the sale of commercial cleaning services and the provision of commercial cleaning services, the Marks that Coverall shall designate from time to time.
- B. The Term of this Agreement is twenty (20) years.
- C. Upon the expiration of the Term of this Agreement, Franchisee shall have no further right to operate a Franchised Business unless Coverall and Franchisee execute a written renewal agreement ("Renewal Agreement"). The Renewal Agreement shall be upon the terms and conditions as Coverall is then granting to new franchises, which terms and conditions may be materially different from the terms and conditions of this Agreement. There is no charge to renew the Franchise. As a condition of renewal, Franchisee shall execute a general release in favor of Coverall.
- D. The Term shall begin on the Effective Date.

3. TERRITORY.

Franchisee is not granted an exclusive territory. Franchisee may conduct the Franchised Business only in the area covered by the Coverall Support Center where Franchisee bought the Franchised Business ("the Area"). Coverall will sell numerous janitorial franchises in the Area.

4. FRANCHISE FEE.

The Franchise Fee stated on Page 1 is non-refundable.

5. ROYALTY AND SUPPORT FEE.

Franchisee is obligated to pay Coverall a Royalty and Support Fee on Franchisee's monthly Gross Dollar Volume. Gross Dollar Volume includes all service fees billed to a customer. The Royalty is for the right to use the Coverall System and the Marks; and the Support Fee is for the support that Coverall provides to Franchisee.

- A. Royalty. Franchisee shall pay Coverall a Royalty in an amount equal to five percent (5%) of Franchisee's monthly Gross Dollar Volume billed, and the Royalty shall be payable monthly on the last calendar day of the month following the month in which Franchisee serviced the customers.
- B. Support Fee. Franchisee shall pay Coverall a Support Fee equal to ten percent (10%) of Franchisee's monthly Gross Dollar Volume billed, and the Support Fee shall be payable monthly on the last calendar day of the month following the month in which Franchisee serviced the customers.

6. OTHER FEES.

- A. Special Services Finder's Fee. Special service contracts are one-time, non-recurring contracts for services such as carpet cleaning, strip and waxing, window washing, or initial cleaning. A fee shall be charged for special service contracts obtained by Coverall and accepted by Franchisee. However, there shall be no fee charged for special service contracts obtained solely by Franchisee.
- B. Transfer Fee.
 - (i) The Transfer Fee charged pursuant to Coverall's consent to the assignment in whole or in part of the Franchised Business and/or this Agreement to a third party is the fee as published and revised from time to time, in the Franchise Owner Policies and Procedures Manual (the "Policies and Procedures Manual").
 - (ii) The Customer Transfer Administrative Fee charged for transfer of a customer to another Franchisee is ten percent (10%) of the Regular Service Volume attributable to each transferred customer, not to exceed Five Hundred Dollars (\$500) per customer transferred.
 - (iii) The Business Owed Transfer Administrative Fee charged for the transfer of Business Owed to another franchisee is ten percent (10%) of the Business Owed transferred. (Business Owed is defined in Paragraph 13.)
- C. Bid and Negotiation Fee. If Franchisee requests assistance from Coverall with bidding (for example, establishing the contract price) for a potential customer, there will be a one-time fee as published and revised from time to time in the Policies and Procedures Manual.

7. PAYMENT OF FEES AND OTHER OBLIGATIONS.

Coverall supports Franchisee by billing and collecting Franchisee's Gross Dollar Volume, its customer receivables. (See Paragraph 16B.) Franchisee hereby authorizes Coverall to deduct from Franchisee's Gross Dollar Volume, or any other amounts collected on Franchisee's behalf, the financed portion of the Franchise Fee (principal and interest), Royalties, Support Fees, the financed portion of any Sales and Marketing Fees for the purchase of Additional Business (principal and interest), Special Services Finder's Fees, any Retentions for National Account Customers, any service fees for Hospitality Account Customers, the financed portion of equipment purchases (principal and interest), fees charged to participate in any Coverall insurance programs, any other obligations due and owing to Coverall by Franchisee, and any other fees or charges that Franchisee may authorize Coverall to deduct ("Authorized Deductions").

8. BUSINESS MULTIPLIERS.

The Business Multipliers are factors that determine the amount that either Franchisee must pay Coverall for Additional Business, or that Coverall may pay to Franchisee to purchase Franchisee's customers or Business Owed. The Business Multipliers are the factors published and revised from time to time in the Policies and Procedures Manual. The Business Multiplier applied to purchases of Additional Business by Franchisee is higher if Franchisee has previously lost customers for cause.

9. TRAINING.

Franchisee acknowledges the importance of quality and uniformity of business operation among all Franchised Businesses in the Coverall System; and Franchisee agrees to enroll Franchisee or, with Coverall's consent, Franchisee's designated employee(s) in the Initial Training program.

- A. Initial Training is a forty (40) plus hour program that consists of classroom and on-site instruction on, among other things, cleaning techniques, customer service, and business management.
- B. Initial Training may take up to eight (8) weeks to complete, or longer depending upon Franchisee's schedule.
- C. Coverall's obligation to offer Franchisee sufficient customers to fill Franchisee's Franchise Package does not begin until:
 - (i) Franchisee or Franchisee's designated employee, as approved by Coverall, has satisfactorily completed the Initial Training;
 - (ii) Franchisee has complied with the provisions of Paragraph 10 of this Agreement; and
 - (iii) Franchisee's background screening has been approved.

10. INCORPORATION, BUSINESS LICENSE AND BUSINESS BANK ACCOUNT.

Prior to signing this Agreement, Franchisee shall form a corporation or limited liability company; procure a business license, if applicable; obtain a Federal Employer Identification Number ("FEIN"); and open a business bank account in the name of the Franchised Business.

11. MANUALS.

Coverall shall loan Franchisee the Coverall Operations Manual and Policies and Procedures Manual (the "Manuals"); and grant access to Coverall's on-line training program. The Manuals contain detailed proprietary information about the Coverall System. Franchisee agrees to promptly adopt and use exclusively the methods, policies and procedures contained in the Manuals; the Manuals are revised from time to time. Franchisee acknowledges that Coverall owns all proprietary rights in and to the Coverall System, and that the information revealed in the Manuals, in their entirety, constitutes confidential trade secrets. Without the prior written consent of Coverall, Franchisee shall not disclose the content of the Manuals to any person, except employees of Franchisee for purposes related solely to the operation of the Franchised Business, nor shall Franchisee reprint or reproduce the manuals in whole or in part for any purpose except in connection with the instruction of Franchisee's employees in the operation of the Franchised Business. Upon termination of the Franchise for any reason, Franchisee shall return the Manuals to Coverall.

12. COMPLIANCE WITH COVERALL SYSTEM.

Franchisee agrees that every component of the Coverall System is important to Coverall and the operation of the Franchised Business, including, but not limited to, uniformity of services, appearance, and adherence to Coverall standards and policies. Coverall shall have the right to observe and evaluate from time to time Franchisee's business operations, including but not limited to, inspecting any customer premises serviced by Franchisee to assure that the quality of the services rendered is in accordance with Coverall standards and policies.

13. THE FRANCHISE PACKAGE.

Franchisee purchased the Franchise Package described on Page 1. Coverall is obligated to fulfill that Franchise Package by offering Franchisee commercial cleaning customers within the Initial Business Offering Period described on Page 1. Coverall procures commercial cleaning customers and offers those customers to Franchisee to fulfill the Franchise Package and get Franchisee started in the Franchised Business. Franchisee may accept or reject an offered customer.

Coverall does not have an inventory of customers and that is why Coverall has a specified number of business days from the date on which Franchisee completes mandatory training to offer customers to fill the Franchise Package. The Regular Service Volume that Coverall is obligated to offer Franchisee is commonly referred to as "Business Owed." Business Owed refers to Initial Business, to Additional Business purchased by Franchisee, and to Replacement Business owed pursuant to certain guarantees.

- A. The Franchisee Fee includes Initial Business. The amount of Initial Business is equal to the Franchise Package purchased. Initial Business is a specific dollar amount of Regular Service Volume.
- B. The Franchise Package purchased is not a guarantee that Franchisee will earn an equivalent amount of Gross Dollar Volume each month; and except for customers lost during the guarantee period, neither does it mean that Coverall is obligated at any time to replace lost customers to enable Franchisee to maintain that level of Gross Dollar Volume.
- C. Coverall is obligated to offer Franchisee, within the Initial Business Offering Period, one or more commercial cleaning customers to fulfill the Initial Business. The customers offered to Franchisee may be new customers recently acquired by Coverall; or existing customers that become available for resale. Coverall's obligation to offer customers to Franchisee does not arise until Franchisee has satisfied the obligations of Paragraph 9.
- D. If Franchisee accepts a customer offered to fulfill Initial Business that has Regular Service Volume in excess of that required to fulfill Initial Business, the excess Regular Service Volume is Additional Business and Franchisee must pay Coverall for the excess as provided in Paragraph 15. As a condition of acceptance and purchase of Additional Business, you will be required to sign a general release in favor of Coverall.
- E. The Service Agreements for customers accepted by Franchisee will be assigned to Franchisee subject to the terms and conditions of this Agreement and the Assignment, and will become assets of the Franchised Business. The Assignment shall be conditional subject to, among other things, payment in full of the financed portion of the Franchise Fee or purchases of Additional Business. Assignment of the Service Agreements shall not prohibit Coverall from selling Special Services, equipment, chemicals or supplies to Franchisee's customers. Franchisee may accept and service National Account Customer locations, locations of local multiple location customers, or customers with contracts that prohibit assignment; but these customers will not be assigned to Franchisee and Franchisee's only interest in such customers will be the right to receive the amounts specified in Paragraph 16B(ii).
- F. If Franchisee refuses to accept any customer offered by Coverall to fulfill Initial Business, the time for offering the Initial Business is extended; and Coverall shall remain obligated to offer, within a reasonable period of time after the expiration of the Initial Business Offering Period, the amount of Initial Business reasonably refused by Franchisee.
- G. The Initial Business Offering Period may be suspended if:
 - (i) Coverall requires Franchisee to attend retraining; or
 - (ii) Franchisee is in breach of any material provision of this Agreement or any other agreement between Coverall and Franchisee.
- H. If the Initial Business Offering Period expires and Coverall has not offered Franchisee sufficient customers with adequate Regular Service Volume to satisfy the total amount of Initial Business, Franchisee may request Coverall to:
 - (i) Pay Franchisee for the amount of the Franchise Package not timely offered times the Business Multiplier applicable to the purchase of Additional Business under this Paragraph 13H as published and revised from time to time in the Policies and Procedures Manual; and
 - (ii) Coverall shall first apply refunds due pursuant to 13H (i) to any obligations owed by Franchisee to Coverall, and pay the balance, if any, to Franchisee.

This is the sole remedy available to Franchisee for Coverall's failure to timely offer Initial Business.

14. THE COVERALL INITIAL BUSINESS GUARANTEE.

Coverall provides a limited guarantee of the Initial Business accepted by Franchisee. The purpose of the guarantee is to help Franchisee through the start-up phase of the Franchised Business. The guarantee applies only to customers lost through no fault of Franchisee; and entitles Franchisee to a one (1) time replacement of each customer accepted by Franchisee to fulfill Initial Business. The guarantee does not apply to Initial Business customers voluntarily abandoned by Franchisee.

- A. Franchisee is entitled to an unqualified six (6) month guarantee; and may be eligible for a qualified twelve (12) month guarantee as described below. Either guarantee entitles Franchisee to a one-time replacement

of Initial Business Regular Service Volume (customer) lost through no fault of Franchisee. Coverall will within a reasonable period of time offer Franchisee one or more customers generating Regular Service Volume at least equal to that lost by Franchisee to fulfill the guarantee.

- B. The guarantee period begins to run on the date that Franchisee begins servicing the Initial Business customer.
- C. If the customer(s) offered to replace the guaranteed lost Initial Business generates Regular Service Volume in excess of that lost and Franchisee accepts the customer, Franchisee will have to pay Coverall for the excess Regular Service Volume. The payment to Coverall shall be equivalent to the Business Multiplier times the excess Regular Service Volume.
- D. If the customer lost through no fault of Franchisee within the Initial Business guarantee period is a Hospitality Account Customer (typically a lodging or restaurant facility), and there are no Hospitality Account Customers available to replace the lost customer, Coverall is only obligated to offer Franchisee sufficient customers to replace the amount of Initial Business filled by the Hospitality Account Customer.
- E. To qualify for a twelve (12) month guarantee, for each month from the date Franchisee begins servicing an Initial Business customer, Franchisee must perform an inspection with the customer, and submit the Inspection Report (forms available at the Support Center), which must be signed by the customer, to Coverall no later than the fifth (5th) day following the inspection. Franchisee must do all 12 inspections to qualify for the 12 month guarantee.

15. GROWING THE FRANCHISE BUSINESS.

After Franchisee's Franchise Package is filled, Coverall is not obligated to offer Franchisee additional Regular Service Volume ("Additional Business"). Franchisee may grow the Franchised Business by i) personally obtaining customers for the Franchised Business, ii) purchasing Additional Business from Coverall, or iii) purchasing Additional Business from other Coverall franchise owners. As a condition of acceptance and purchase of Additional Business from Coverall, you will be required to sign a general release in favor of Coverall. Additional Business, including National Account Customers, may be new customers recently acquired by Coverall, or they may be existing customers that become available for resale.

- A. The fee charged for Additional Business is the Business Multiplier times the Regular Service Volume Franchisee desires to purchase (the "Sales and Marketing Fee"). Franchisee will pay a higher multiple if Franchisee has previously lost a customer for cause. Once Franchisee has paid in full for the Additional Business, Coverall will have a reasonable period of time from the date of payment in full within which to offer the Additional Business. If Coverall does not offer the Additional Business within a reasonable period of time, Franchisee will be entitled to a refund of the Sales and Marketing Fee paid to Coverall.
- B. From time to time, Coverall may initiate an offer of Additional Business to Franchisee. If Franchisee accepts the offer, Franchisee shall pay the Sales and Marketing Fee stated in Paragraph 15A. Coverall may finance up to fifty percent (50%) of the Sales and Marketing Fee.
- C. Additional Business purchased from Coverall is guaranteed for a one time only replacement for six (6) months from the date that Franchisee first services the customer but only if i) Franchisee performs a monthly inspection with the customer, and ii) submits the Inspection Report in accordance with Coverall's then-current policies and procedures as published and revised from time to time in the Policies and Procedures Manual; and the customer is lost through no fault of Franchisee. Franchisee must do all six (6) inspections to qualify for this guarantee. Coverall will replace this Additional Business within a reasonable period of time. If Coverall does not offer the replacement Additional Business within a reasonable period of time, Franchisee's sole remedy is a refund of the Sales and Marketing Fee paid to Coverall. Coverall shall first apply any refund due under this Paragraph 15C to any obligations owed by Franchisee to Coverall, and pay the balance, if any, to Franchisee. The Additional Business guarantee does not apply to customers obtained by Franchisee, to Hospitality Account Customer Customers or to promotional Regular Service Volume provided to Franchisee by Coverall free of charge.

- 16. BUSINESS AND SUPPORT SERVICES PROVIDED BY COVERALL. Coverall provides business and support services to Franchisee for the Support Fee paid to Coverall. Coverall will provide the following services:

- A. Additional Training. Franchisee is required to complete Initial Training in the Coverall System. Subsequent training is Additional Training, and may include, but shall not be limited to, any training course offered in the Initial Training, or any other training provided by Coverall to Franchisee and/or Franchisee's employee(s). Additional Training may also include courses introducing new methods and any certification requirements developed after the Initial Training, which Additional Training may be mandatory in Coverall's sole discretion. Franchisee's Additional Training may be offered online, through webinars, personal consultation and/or through group seminars. Personal consultations may be scheduled at the request of Franchisee and may be conducted by telephone or in person. There is no charge for Additional Training.
- B. Billing and Collection. Coverall provides billing and collection services for Franchisee, including billing customers for services and supplies provided by Franchisee, collecting the amounts due from those customers, and remitting to Franchisee the amounts collected from those customers on Franchisee's behalf, less Authorized Deductions. Coverall has the exclusive right to bill and collect in your business name from your customers during the Term of this Agreement.
- (i) At the beginning of each month, Coverall shall invoice and collect payment from Franchisee's customers according to the customer contract (the "Service Agreement"), and for any other services and supplies that may have been provided by Franchisee. On the last calendar day of the month following the month in which the services and supplies were provided by Franchisee (if the last calendar day of the month falls on a weekend and/or holiday, payment will be made on the next business day), Coverall will distribute to Franchisee amounts collected from Franchisee's customers less the Authorized Deductions. If applicable, Coverall will remit any state sales tax collected from Franchisee's customers to the appropriate state taxing authority.
 - (ii) With the exception of National Account Customers that Franchisee's Franchised Business may service, Franchisee is entitled to receive the total amount collected from each customer, less all Authorized Deductions. National Account Customers are customers that have multiple national or regional locations. Coverall may retain a percentage, or another specified portion, of the total amount collected from the National Account Customer (the "Retention"). Therefore, the amount that Franchisee will receive for servicing a National Account Customer location may not be equivalent to a pro rata share of the total monthly amount that is collected from the National Account Customer, or equivalent to the amount that is collected from the National Account Customer for the location serviced by Franchisee. To the extent that there is excess Retention, those funds are kept by Coverall. The Retention, however, does not affect the amount of Regular Service Volume offered to you to fulfill either your Initial Package or sold to you as Additional Business.
 - (iii) If a customer discontinues Franchisee's services for any reason and the customer is Franchisee's only customer, Coverall shall have the right to apply the entire amount of any payment subsequently collected by Coverall from that customer to any amount owed by Franchisee to Coverall. Nothing contained in this Paragraph 16B(iii), however, shall be construed to release Franchisee from its obligations to Coverall for any amount remaining due after applying the funds received from the discontinued customer.
 - (iv) If a customer that Coverall bills on Franchisee's behalf is delinquent in payment, Coverall may, after consulting with Franchisee, stop invoicing that customer. If Franchisee chooses to continue servicing a delinquent customer, Franchisee does so at the risk of non-payment.
 - (v) If Coverall must file a lawsuit against a delinquent customer and Coverall collects from that customer, Franchisee will be entitled to receive the amount collected net of Coverall's Royalty and Support Fee and the costs of collection, including attorney's fees, costs, and expenses.
 - (vi) Coverall may, after consulting with Franchisee, settle and compromise delinquent customer obligations, which means that Coverall may agree to accept less than the amount owed by the customer. Franchisee will be entitled to receive the amount collected net of Coverall's Royalty and Support Fee and the costs of recovery, including attorney's fees, costs and expenses.
 - (vii) The balance of the funds collected from Franchisee's delinquent customers pursuant to Paragraphs 16B(v) and (vi) will first be applied to any amount owed by Franchisee to Coverall, and the balance, if any will be paid to Franchisee.
 - (viii) Franchisee agrees to cooperate with Coverall in the collection of delinquent customer receivables,

- including but not limited to reassignment of the Service Agreement to Coverall.
- (ix) If Franchisee chooses at its own expense to file a lawsuit to collect from a delinquent customer, Franchisee must pay Coverall its Royalty and Support Fee on any amount collected.

C. Cash Flow Protection Services. Coverall will advance [loan] to Franchisee the amounts billed to Franchisee's customers, whether or not those amounts have been collected. Advances will be made no earlier than the last calendar day of the first month following the month the services and supplies were provided (if the last calendar day of the month falls on a weekend and/or holiday, payment will be made on the next business day). Advances attributable to billings for any one customer shall not exceed an amount equal to billings for sixty (60) days and shall not remain outstanding for a period exceeding ninety (90) days from invoice date. If advances remain uncollected from the customer at the end of ninety (90) days, Franchisee shall repay Coverall the total amount billed to the customer that is advanced to Franchisee. Coverall may recover the advance through Franchise Statement Deductions. However, if Franchisee has insufficient Gross Dollar Volume to cover the advances, then Franchisee must pay Coverall directly.

17. FRANCHISEE BUSINESS OPERATIONS.

Franchisee acknowledges that every component of the Coverall System is important to Coverall, its Franchisees, and to the operation of the Franchised Business. Franchisee shall comply with the entire Coverall System, including but not limited to the following:

- A. Franchisee to Attend Training Course. Franchisee shall attend and successfully complete Initial Training, and any other Additional Training that Coverall may require from time to time. Coverall may, in its sole discretion, agree in writing to allow a designee of Franchisee to attend initial Training instead of Franchisee. Franchisee's employees may also attend training.
- B. Retraining of Franchisee. If any of the following events occur, Franchisee may be required to attend retraining:
- (i) Within a sixty (60) day period, any two (2) customers being serviced by Franchisee, complains about Franchisee's faulty workmanship, lack of trustworthiness, or any other claimed default by Franchisee; or
 - (ii) At any time any customer being serviced by Franchisee cancels Franchisee's services for faulty workmanship, lack of trustworthiness, or other default under that customer's Service Agreement; or
 - (iii) Pursuant to Paragraph 18, Coverall discontinues Franchisee's services to a customer.

In the event of retraining, the time within which Coverall must offer any remaining Initial Business or Additional Business will be suspended from the time Franchisee is requested to attend retraining until Franchisee completes retraining to Coverall's satisfaction.

- C. Staffing. Franchisee shall be responsible for all employment decisions and functions of the Franchised Business, including without limitation, hiring, firing, training, wage and hour compliance, compliance with federal immigration laws, record keeping, and supervision.
- D. Franchisee to Use Coverall Approved Equipment, Chemicals and Cleaning Supplies. Franchisee shall use only Coverall specified equipment, chemicals and cleaning supplies in Franchisee's Franchised Business. Specifications may change from time to time, and Franchisee shall at Franchisee's sole expense comply with any such changes. Coverall will provide Franchisee with specifications at Initial Training and the procedures to obtain approval on non-approved equipment, chemicals, and supplies will be published and revised from time to time in the Policies and Procedures Manual.
- E. Identifying Franchisee's Franchised Business Franchisee shall identify its Franchised Business as an independently owned and operated franchise of Coverall (in the manner Coverall specifies) and cause all persons involved in the operation of the Franchised Business to reflect that independent status with customers and other third parties. Franchisee shall cause all persons involved in the operation of the Franchised Business to wear approved apparel. Franchisee shall comply with customer-imposed requirements, which may include the use of identification badges.

- F. Insurance. Franchisee shall acquire and maintain in effect the following insurance coverage in the following minimum amounts, or in the amounts that Coverall may require according to the Policies and Procedures Manual, as published and revised from time to time:
- (i) Janitorial bonding in an amount not less than \$100,000;
 - (ii) Comprehensive liability insurance covering property damage, loss and personal injury in amounts not less than \$1,000,000 per occurrence; \$2,000,000 in the aggregate; and a \$5,000,000 umbrella policy, which policy shall not contain an exclusion for property in Franchisee's care, custody and control;
 - (iii) Comprehensive automobile liability insurance, including personal injury and property damage insurance, in the minimum amount of \$50,000, or the amount required by state law, whichever is higher;
 - (iv) Workers' compensation insurance for Franchisee and its employees for statutory limits (regardless of the requirements of state law, if Franchisee has employees, utilizes subcontractors or is assisted by family members, Franchisee shall purchase workers' compensation insurance);
 - (v) If Franchisee does not have workers' compensation covering the owner of the Franchise business, then Franchisee must obtain on-the-job accident and disability coverage for the owners of the Franchise having the following minimum coverage: accidental death (\$20,000.00), accidental dismemberment (\$20,000.00), paralysis (\$20,000.00), temporary total disability (\$500.00 per week for 52 weeks), continuous disability (\$500.00 per week for 52 weeks), and accident medical expense (maximum benefit of \$50,000.00 for 52 weeks);
 - (vi) Employer's liability insurance in amounts no less than \$100,000.00 each accident for Franchisee and all of its employees; and
 - (vii) Franchisee shall comply with all state and federal laws to maintain a proper unemployment insurance account.

All insurance policies shall name Coverall as an additional insured. Franchisee shall provide Coverall with proof of the above insurance coverage prior to Franchisee starting his Franchised Business and no later than ten (10) days after Franchisee completes Initial Training. If Franchisee fails to obtain any or all insurance as specified herein and approved by Coverall, Coverall may (but shall not be required to), in addition to other remedies, purchase such insurance for the benefit of Franchisee in which event Franchisee agrees to promptly reimburse Coverall for the cost. In the event it becomes necessary for Franchisee to reimburse Coverall for the costs of insurance, Franchisee hereby authorizes Coverall to deduct the costs of the insurance, on a monthly basis, or as is otherwise necessary, from Franchisee's Gross Dollar Volume.

Franchisee may choose to participate in Coverall's Business Protection Plan and other insurance programs that offer some of the insurance coverage required by this Paragraph. The cost of participating in Coverall's Business Protection Plan or other insurance programs is typically more expensive than similar insurance coverage available from other sources. Coverall earns a profit on its Business Protection Plan and other insurance programs.

- G. Franchisee to Abide by Policies and Procedures. Franchisee shall be free to conduct its business as it deems best in providing services to its customers. However, Franchisee understands and acknowledges that implementation of the Coverall System is essential to the Coverall® brand in order to:
- (i) Develop and maintain quality operating standards;
 - (ii) Increase the demand for the services sold by other franchisees and by Coverall on behalf of all franchisees operating Coverall Franchised Businesses; and
 - (iii) Protect Coverall's reputation and goodwill.

Franchisee may not implement any modification to the System without Coverall's prior written consent. Coverall shall have the right to incorporate any modification to the System developed by Franchisee without compensation to Franchisee.

- H. Franchisee to Abide by all laws. Franchisee agrees to abide by all of the terms of this Agreement, the Policies and Procedures Manual and all federal, state and local laws, including but not limited to:
- (i) Franchisee shall obtain all applicable business licenses and/or registrations from all local or state

- agencies having jurisdiction over Franchisee's Franchised Business, as required. Franchisee shall furnish Coverall proof that Franchisee obtained the applicable business licenses and registrations.
- (ii) Franchisee shall be solely responsible to pay any taxes or other assessments due to any governmental agencies.
 - (iii) Franchisee is solely responsible for the payment of the employer's portion of social security and other taxes required to be withheld for Franchisee's employees.
 - (iv) Franchisee shall also pay all taxes withheld from employee wages, and premiums for unemployment and worker's compensation insurance, as required by law.
 - (v) Franchisee shall provide Coverall, upon demand, proof of payment of all taxes due and compliance with all laws.
- I. Modification to the System. Franchisee acknowledges and agrees that due to changes in competitive circumstances, presently unforeseen changes in the needs of the market place, changing customer demands, presently unforeseen technological innovations, and for protection of the Marks, the Coverall System must be subject to modification in order to best serve the interests of Coverall, Franchisee, and the Coverall System. Accordingly, Franchisee expressly acknowledges and agrees that Coverall may from time to time alter, modify, or change the components of the Coverall System, including, but not limited to, modifying, altering, varying, and adopting new products, services, equipment, techniques, methods, programs, standards, training, sales training, forms, and policies and procedures; adding to, deleting from, or modifying those programs and services which Franchisee is authorized to offer; and changing, improving, or modifying the Marks. Franchisee agrees, at Franchisee's own expense, to adopt on a timely basis (but in no case later than sixty (60) days after notice) any such modifications to the Coverall System set forth in updates or changes to the Policies and Procedures Manual, or in other written communications, as if they were a part of the Coverall System at the time of the execution of this Agreement. Coverall shall notify Franchisee in writing as to changes in the Policies and Procedures Manual or other changes in the operational structure of the Franchise.
- J. Coverall's Right to Audit. Franchisee agrees to keep true and accurate business records and books of account which shall be open to inspection by Coverall or its duly authorized agent during regular business hours, and Coverall shall have the right to examine same, including other related records. Upon Coverall's request, Franchisee shall prepare and/or produce to Coverall such records and books, and any other information, including without limitation financial statements and personal and business income tax returns, that will permit Coverall to verify that all fees due Coverall are fully, accurately, and truthfully accounted for, and that Franchisee is not otherwise in breach of this Agreement. Franchisee shall be responsible to reimburse Coverall for the cost of the audit if the audit reveals a violation of Paragraph 19A of this Agreement. Coverall's right to reimbursement shall be in addition to any other rights or remedies it has under this Agreement or otherwise.
- K. Computer Equipment. Franchisee must have access to a personal computer or other device with Internet access and full-web browsing capabilities, the ability to send and receive electronic mail, and must provide Coverall with an email address.
- L. Website. Franchisee may establish a website only upon obtaining Coverall's prior written consent. Franchisee shall adopt the format specified by Coverall from time to time for Janitorial Franchise websites; and shall not upload its website to the web until approved by Coverall's Marketing Department. Franchisee agrees, upon Coverall's request, to link its website to the official Coverall website, and/or remove its current website and adopt the format then mandated by Coverall's Marketing Department.
- M. Franchisee Service to Customers. All services provided to the customers of the Franchised Business shall be performed in a good and workmanlike manner, satisfactory to the customers, and in accordance with Coverall standards. High quality services are essential to the reputation and goodwill associated with the Coverall System and Marks.
- N. Voluntary Abandonment of Customer by Franchisee. If Franchisee desires to cease servicing a customer, Franchisee shall give Coverall ten (10) days' written notice before ceasing service. In such event, any remaining guarantee for the Regular Service Volume shall be deemed to have been fulfilled, and Coverall shall have no obligation to replace the Regular Service Volume. If the customer cancels its Service Agreement, Franchisee shall remain liable to pay any outstanding balance due on any financing related to the customer(s) abandoned by Franchisee. If, however, Coverall successfully transitions the abandoned customer to another Franchisee and but for Franchisee's abandonment, Franchisee would otherwise qualify for a guarantee, Coverall may, in its sole discretion, replace the Regular Service Volume lost due

to Franchisee's abandonment of the customer applying the applicable Business Multiplier. In such instance, the replacement Regular Service Volume is not guaranteed.

18. PROTECTION OF THE GOODWILL OF THE SYSTEM. Coverall, the Coverall System and Marks, and Coverall's franchisees benefit from Coverall's goodwill, which arises out of Coverall's reputation in the market place. In order to protect Coverall and its franchisees from the harm that arises from Franchisee activities that diminish Coverall's goodwill and Marks, Franchisee agrees that the assignment of Service Agreements to Franchisee shall become null and void, and Coverall shall have the right to terminate Franchisee's services to any customer and void any applicable guarantee upon the occurrence of any of the following:
- A. Franchisee fails to perform its obligations to the customer's satisfaction; or,
 - B. Franchisee breaches the terms of the Service Agreement; or,
 - C. The customer has made an oral or written complaint to Coverall; or,
 - D. Upon notice and opportunity to cure a service issue, Franchisee fails to satisfactorily perform within the cure period, and the customer remains dissatisfied; or
 - E. Franchisee receives three (3) written notices of failure to perform within a period of sixty (60) consecutive days, regardless of whether Franchisee cured the deficiencies; or
 - F. Coverall receives a request from a customer to terminate its Service Agreement; or,
 - G. Coverall receives a request from a customer to remove and replace Franchisee; or
 - H. Franchisee fails to service a customer on any two (2) occasions within a period of sixty (60) days; or
 - I. Franchisee ceases or unreasonably refuses to service a customer; or
 - J. Franchisee engages in conduct that reflects materially and adversely upon the operation and reputation of Coverall's and/or Franchisee's business(es) or the Marks or the System.

19. RESTRICTIONS.

Franchisee agrees and covenants as follows:

- A. In-Term Restrictions. During the Term of this Agreement and any Renewal Term, Franchisee shall not, without the prior written consent of Coverall, directly or indirectly, engage in, or acquire any financial interest in (either as an individual, principal, owner, agent, employee, partner, stockholder, or director) any business which performs commercial janitorial and related commercial cleaning and maintenance services, or engages in the franchising of commercial cleaning businesses, or any related business anywhere in the Area. Franchisee shall not divert any customer of its Franchised Business to another entity, whether or not that entity is directly or indirectly controlled by Franchisee unless Franchisee obtains Coverall's written consent.
- B. Post-Term Restrictions. In the event this Agreement is assigned, terminated, or expires, for any reason whatsoever, Franchisee shall not solicit, directly or indirectly, without the prior written consent of Coverall: (i) any customer serviced at any time by Franchisee during the term of this Agreement for the purpose of providing, directly or indirectly, any type of cleaning or related services; (ii) any current employee of Coverall, or (iii) any franchisee of Coverall for a period of eighteen (18) months from the date of assignment, termination, or expiration.

Should a customer serviced by Franchisee prior to termination initiate contact with Franchisee for the purpose of engaging Franchisee to provide cleaning or related services to customer, unless Coverall has otherwise agreed in writing, Franchisee shall decline to provide such services until such time as the term of this non-solicitation covenant has expired.

- C. Use of Coverall System. Franchisee shall not appropriate, use or duplicate the Coverall System, or any portion thereof, for use in any other commercial or residential cleaning, maintenance or related business.
- D. Confidentiality. Franchisee shall not disclose or reveal any portion of the Coverall System to a non-franchisee other than to Franchisee's employees who have a need to know in order to carry out the functions of their employment.
- E. License and Goodwill Restrictions. Franchisee shall acquire no right to use, or to license the use of, any name, Mark, or other intellectual property right granted or to be granted herein, except in connection with

the operation of the Franchised Business. Franchisee has no right, title or interest in or to Coverall's goodwill. Goodwill inures solely to the benefit of Coverall.

20. FRANCHISEE IS AN INDEPENDENT CONTRACTOR. Franchisee is and shall remain at all times a completely independent contractor in business for itself operating a commercial cleaning Franchised Business, and shall have no right or interest in or authority over Coverall, the Coverall System, or any of Coverall's goodwill, property or business. Franchisee hereby acknowledges that it has no authority to sign on behalf of Coverall any written agreement.

- A. Neither Franchisee, nor Franchisee's employees, are employees of Coverall. Neither Coverall nor Franchisee is the principal, agent, employer, employee, partner, officer, director, or owner of the other. Franchisee shall always hold itself out as an independent contractor in its dealings and communications with the public.
- B. Franchisee acknowledges and agrees that it is not an employee of Coverall; that Franchisee intended to buy a Franchise business; and that Franchisee does not intend to become an employee of Coverall. Franchisee is the owner of a Franchised Business, a business owner in all respects, and is not entitled to participate in any benefits provided by Coverall to those whom Coverall classifies as its employees; and Franchisee is not covered by either Coverall's workers' compensation insurance or unemployment compensation. Franchisee must purchase this insurance on its own for the benefit of employees of its Franchised Business. Should any state or federal agency or court determine that Franchisee falls within the definition of an employee of Coverall under any state or federal statute, Coverall does not intend to provide Franchisee retroactively or thereafter with any benefits (including but not limited to, vacation pay, overtime, rest and meal breaks, healthcare benefits, worker's compensation, or unemployment compensation) that it may provide to those whom Coverall classifies as employees, unless obligated by law to do so. Coverall may, in its sole discretion, terminate or modify this Agreement upon any such determination by a state or federal agency or court that Franchisee is an employee of Coverall.

21. INDEMNIFICATION.

Franchisee shall be solely responsible for its business operations, including but not limited to, the services and results of services performed by Franchisee and its employees for Franchisee's customers, and shall indemnify and hold harmless Coverall and its affiliates, and directors, officers and employees of each, and all other Coverall franchisees from all expenses, fines, suits, proceedings, claims, losses, damages, liabilities or actions of any kind or nature (including, but not limited to, costs and attorneys' fees) arising out of or in any way connected with Franchisee's business operations. Franchisee further agrees that if Coverall is made a party to a lawsuit or other legal action in connection with the activities of Franchisee, then Coverall may tender the defense and/or prosecution of the case to Franchisee who shall be responsible for diligently pursuing the case or action at Franchisee's expense, or Coverall may hire counsel directly to protect its interests and bill Franchisee for all costs and attorneys' fees incurred, and Franchisee shall promptly reimburse Coverall costs and expenses incurred. The obligations of Franchisee pursuant to this Paragraph shall survive the expiration or termination of this Agreement. If Franchisee participates in in Coverall's Business Protection Plan, Coverall will waive certain of its contractual indemnification rights against Franchisee except for the applicable deductibles under the Coverall Business Protection Plan.

22. ASSIGNMENT.

- A. Coverall's Right to Assign the Franchise Agreement. Coverall may, without the consent of Franchisee, assign this Agreement, or Coverall's rights and duties under this Agreement, to any other entity or third party, whether affiliated with or independent of Coverall. Coverall may also assign to any other entity or third party, whether affiliated with or independent of Coverall, any promissory note or other negotiable instrument of Franchisee which is payable to Coverall, either in conjunction with or independent of this Agreement. Coverall's rights under this Agreement shall inure to the benefit of any assignee or legal successor to Coverall.

- B. Franchisee's Right to Assign the Franchise Agreement. Except as stated below, neither Franchisee nor any shareholder or member of Franchisee may transfer or assign any interest in the Agreement, the Franchised Business or shares or membership interests in Franchisee. Franchisee may, with the written consent of Coverall obtained after thirty (30) days written notice to Coverall, which consent will not be unreasonably withheld, transfer or assign all or part of its interest in this Agreement, the Franchised Business, or shares or membership interests in Franchisee provided that:
- (i) Franchisee provides Coverall a copy of any written agreements relating to the proposed Assignment, and any additional information which Coverall may require in order to determine whether it will grant its consent to the proposed assignment, including but not limited to, background investigations of the assignee(s);
 - (ii) If an Assignment of 100% of Franchisee's interest in the Franchised Business or this Agreement, the assignee enters into the Janitorial Franchise Agreement then used by Coverall for granting new franchises;
 - (iii) Franchisee shall pay Coverall the then current Transfer Fee as published in the Policies and Procedures Manual;
 - (vi) Franchisee pays to Coverall all amounts due by Franchisee to Coverall or Franchisee's assignee, subject to Coverall's consent, assumes all such obligations owed to Coverall;
 - (v) Franchisee executes confidentiality and non-solicitation agreements in assignee's favor and in Coverall's favor with terms and conditions the same as the confidentiality and non-solicitation covenants in this Agreement;
 - (vi) The assignee shall have the ability to immediately be in compliance with all laws, regulations and ordinances governing the operation of a commercial janitorial cleaning business;
 - (vii) Franchisee executes a general release, in a form satisfactory to Coverall, of any and all claims against Coverall and its affiliates and their officers, directors, employees, and agents; and
 - (viii) Any person to whom the shares or membership interests are transferred or assigned agree to be bound by the guaranty provisions of this Agreement and execute Coverall's then standard Guaranty Agreement to personally guaranty the obligations of Franchisee to Coverall and execute Coverall's then standard Confidentiality Agreement.

If, at the time of an assignment by Franchisee, there is Initial Business or Additional Business to which Franchisee ("the assignor") is entitled, which Coverall has not yet provided, this Initial or Additional Business shall be provided by Coverall to the assignee within a reasonable period of time after the assignee successfully completes the initial Training program.

If at the time of an assignment of this Agreement, Franchisee is servicing customers and those customers will be transferred to assignee, the assignee shall, within forty-five (45) days from the date of the assignment, complete to Coverall's satisfaction Initial Training. Until assignee completes the Initial Training to Coverall's satisfaction, the assignor shall remain responsible for assignor's customers, including but not limited to, supervising the assignee and/or assignee's employees servicing of the customers. If the assignee does not complete training to Coverall's satisfaction within forty-five (45) days, or assignor does not provide the required supervision, Coverall may at the end of this forty-five (45) day period terminate the assignee and Coverall will have no obligation to replace the Regular Service Volume that assignee received from assignor. However, assignee's Franchise Agreement may be terminated prior to the expiration of forty-five (45) days if the assignee is in default under the terms of the Franchise Agreement.

Coverall may, in Coverall's sole discretion, withhold written consent of any proposed assignment in the event that Franchisee is in default under the terms of this or any other agreement with Coverall until default is cured.

- C. Franchisee's Right to Transfer Customers or Business Owed. Franchisee must obtain Coverall's written consent before transferring any customer or Business Owed to another franchisee, which consent will not be unreasonably withheld. Transfer Fees equal to ten percent (10%) of the Regular Service Volume attributable to each transferred customer, not to exceed \$500 each, and ten percent (10%) of the Business Owed transferred will be assessed.

23. DEFAULT AND TERMINATION.

- A. Coverall may terminate this Agreement, effective upon delivery of written notice of termination to Franchisee, if:
- (i). Franchisee (or any of its owners) has made or makes any material misrepresentation or omission in its franchise application or in acquiring the Franchised Business;
 - (ii). Franchisee becomes insolvent, admits in writing the inability to pay Franchisee's monetary obligations as they mature, is adjudicated a bankrupt, voluntarily files a petition for liquidation or reorganization under any provision of the United States Bankruptcy Code, makes an assignment for the benefit of creditors or takes any other action pursuant to any federal or state insolvency statute;
 - (iii). Franchisee makes an unauthorized assignment of this Agreement, the Franchised Business, or an ownership interest in Franchisee;
 - (iv). In connection with the operation of the Franchised Business, Franchisee (or any of its owners) engages in any dishonest, immoral, unethical or illegal conduct which might adversely affect the reputation of the Franchised Business or Coverall or the goodwill associated with the Marks;
 - (v). In the event of Franchisee's or its principal owner's death or disability, this Agreement or the principal owner's interest in the Franchise is not assigned in accordance with the provisions of Paragraph 22 of this Agreement; or
 - (vi). Franchisee fails, on three (3) or more separate occasions within any twelve (12) month period, to comply with the terms of this Agreement, any other agreement between Franchisee and Coverall, or any Service Agreement, whether or not it corrects the failure after receipt of written notice.
- B. Coverall may terminate this Agreement, effective upon delivery of written notice of termination to Franchisee, if Franchisee fails to cure the following defaults within ten (10) days after delivery written notice of the default:
- (i) Franchisee breaches this Agreement, any other agreement between Franchisee and Coverall, or any Service Agreement; or
 - (ii) Franchisee abandons the Franchised Business by failing to actively operate the Franchised Business for a period of ninety (90) consecutive days.

24. PROCEDURES AFTER EXPIRATION, TERMINATION OR ASSIGNMENT.

Upon expiration, termination for any reason, or assignment of this Agreement, Franchisee shall cease to be a Coverall Franchisee and shall do all of the following acts and things, each of which shall survive the termination of this Agreement:

- A. Immediately pay to Coverall all monies due to the date of expiration, termination, or assignment, and cease doing business as a Coverall franchisee. Any amounts due Coverall at or after Franchisee's termination may be offset against any amounts collected by Coverall on Franchisee's behalf.
- B. Immediately and permanently discontinue the use of the Coverall System and all Coverall Marks, or any other name or designation indicating or tending to indicate that Franchisee is or ever was an authorized Coverall franchisee. Furthermore, Franchisee shall not promote or advertise the fact that Franchisee was formerly a franchisee or affiliate of Coverall.
- C. Except in the case of an assignment of this Agreement, promptly surrender to Coverall all documents, including but not limited to, the Coverall Manuals, marketing material, letterhead, business forms, bearing the Coverall Marks, or any designation indicating or tending to indicate that Franchisee is or was an authorized Coverall franchisee.
- D. Immediately and permanently discontinue all advertising for the Franchised Business.
- E. Maintain all books, records, and reports required by Coverall pursuant to Paragraph 17J for a period of not less than three (3) years after the termination, and allow Coverall to perform a final audit of Franchisee's books and records during normal business hours within the three (3) year period.
- F. Immediately and permanently discontinue wearing any apparel indicating or tending to indicate that the Franchise is or was an authorized Coverall Franchise, and promptly surrender to Coverall all apparel bearing a Coverall Mark.
- G. All obligations of the parties which survive the expiration or termination of this Agreement shall continue in full force and effect.

- H. If Coverall terminates this Agreement, Franchisee may with Coverall's consent, which consent shall not be unreasonably withheld, sell its customers and/or Business Owed to another Coverall franchisee; or Coverall may purchase some or all of Franchisee's customers and/or Business Owed. Customers and Business Owed that Franchisee has not paid for in full are not eligible for either sale to another Franchisee or purchase by Coverall; such customers shall revert to Coverall. The amount due to Franchisee upon Coverall's purchase of Franchisee's customers and/or Business Owed will first be applied to satisfy any monetary obligations owed by Franchisee to Coverall; and the balance, if any, may, in Coverall's sole discretion, be paid to Franchisee in two (2) or more installments. As a condition precedent to Franchisee's receipt of payment from Coverall, Franchisee shall assist with the transition of any customers to another franchisee; and Franchisee may be required to execute an asset purchase agreement, which shall contain, among other provisions, a general release in favor of Coverall. Coverall will pay Franchisee an amount equal to the Multiplier applicable to such purchases as provided in the Policies and Procedures Manual times the Regular Service Volume purchased. Upon termination, Franchisee forfeits all rights to its customers; and any customers not sold by Franchisee shall revert to Coverall.
- I. Upon expiration of the Term of this Agreement:
- (i) Coverall shall have an option to purchase some or all of Franchisee's customers and Business Owed, if any, excluding any promotional (free) Business Owed, which option shall be exercisable in Coverall's sole discretion. Customers and Business Owed that Franchisee has not paid for in full are not eligible for purchase by Coverall; such customers shall revert to Coverall. The option price shall be the Multiple applicable to such purchases as provided in the Policies and Procedures Manual times the Regular Service Volume attributable to those customers. The amount due upon Coverall's purchase of Franchisee's customers will first be applied to satisfy any monetary obligations owed by Franchisee to Coverall; and the balance, if any, may, in Coverall's sole discretion, be paid to Franchisee in two (2) or more installments. As a condition precedent to Franchisee's receipt of payment from Coverall, Franchisee shall assist with the transition of any customers to another franchisee; and Franchisee may be required to execute an asset purchase agreement, which shall contain, among other provisions, a general release in favor of Coverall.
 - (ii) If Coverall declines to exercise its option and Franchisee is in good standing, not in default under any provision of this Agreement, and has fully paid its obligations to Coverall:
 - a) Franchisee may, with the exception of National Account Customers or customers having contracts that prohibit assignment, retain its then-existing fully paid customers, and Coverall will waive those provisions of Paragraph 19B that might be construed to prevent Franchisee from servicing those customers. All other provisions of Paragraph 19B shall remain in full force and effect.
 - b) Coverall may purchase Franchisee's fully paid Business Owed, if any, excluding any promotional (free) Business Owed, at the Multiple applicable to such purchases as provided in the Policies and Procedures Manual times the Business Owed as reflected on Coverall's books and records.
 - c) The purchase price will first be applied to satisfy any monetary obligations owed by Franchisee to Coverall; and the balance, if any, will be paid to Franchisee.
 - d) Customers for which Franchisee has not paid in full will revert to Coverall; and any unpaid Business Owed is not eligible for purchase by Coverall.
 - e) Franchisee shall execute a general release in favor of Coverall.

25. INFORMAL DISPUTE RESOLUTION/MEDIATION.

If a dispute arises between Coverall and Franchisee and if the dispute is not resolved or settled, Coverall and Franchisee agree that prior to filing any proceeding, whether in arbitration or (if permissible) in court, they will attempt, in good faith, to settle the dispute by non-binding mediation administered pursuant to the Commercial Mediation Rules of the American Arbitration Association, or as otherwise agreed upon in writing by the parties. The mediation shall take place in the Area in which Franchisee conducts its business, and shall be administered by a neutral mediator agreed upon by the parties. In the event Coverall and Franchisee are unable to agree upon a mediator within 15 days of the date on which either party requests mediation of a matter, the mediator shall be designated by the American Arbitration

Association. The costs of the mediation shall be shared equally by the parties unless otherwise agreed in writing.

26. DISPUTE RESOLUTION/ARBITRATION.

- A. Arbitration. Except as otherwise provided in this Agreement, all controversies, disputes or claims between Coverall, its officers, directors, agents and/or employees (in their respective capacities) and Franchisee (and Franchisee's owners, officers, directors, agents and/or employees and/or any guarantors of this Agreement) arising out of or related to this Agreement or the validity of this Agreement or any provision thereof (including this arbitration agreement, the validity and scope of which Coverall and Franchisee acknowledge and agree is to be determined by an arbitrator, not a court), any related agreement between the parties or the validity thereof, the relationship of the parties hereunder or under any related agreement between the parties, and/or any specification, standard or operating procedure of Coverall, including those set forth in the Policies and Procedures Manual, which controversies, disputes or claims are not resolved in accordance with Paragraph 26, shall be submitted promptly for binding arbitration. The arbitration shall take place in the Area in which Franchisee conducts its business. Arbitration shall be subject to the Federal Arbitration Act and not any state arbitration law and, except as otherwise provided in this Agreement or agreed upon by the parties in writing, the then current Rules of the American Arbitration Association for Commercial Arbitration.
- B. Franchisee and Coverall agree that arbitration shall be conducted on an individual, not a class wide basis, that only Coverall (and its officers, directors, agents and/or employees) and Franchisee (and Franchisee's owners, officers, directors and/or guarantors) may be parties to any arbitration proceeding described in this Paragraph 26B, and that no such arbitration between Coverall and Franchisee shall be consolidated with any other proceeding between Coverall and any other Franchisee or third party. Notwithstanding the foregoing or anything to the contrary in this Agreement, if any court or arbitrator determines that all or any part of this Paragraph 26B is unenforceable with respect to a dispute that otherwise would be subject to arbitration under this Paragraph, then Coverall and Franchisee agree that this arbitration clause shall not apply to that dispute and that such dispute shall be resolved in a judicial proceeding.
- C. The parties agree that in connection with any arbitration proceeding, each party must submit or file any compulsory counterclaim (as defined by the Federal Rules of Civil Procedure) within thirty (30) days of the date of the submission or filing of the claim to which it relates or such counterclaim shall be forever barred. The parties also agree to be bound by, and the arbitrator shall be bound to apply, the provisions of any applicable limitation on the period of time in which claims must be brought, including any set forth in this Agreement. Further, the parties agree that discovery may be conducted in accordance with the provisions of the Federal Rules of Civil Procedure; provided, however, that neither party shall be required to make the initial disclosures required under Rule 26(a)(1) of the Federal Rules of Civil Procedure.
- D. The decision of the arbitrator shall be conclusive and binding upon all parties, and judgment upon the award may be entered in any court of competent jurisdiction. The arbitrator shall not have the authority to declare any mark generic or otherwise invalid. Franchisee and Coverall waive to the fullest extent permitted by law any right or claim for any punitive or exemplary damages. Coverall reserves the right, but has no obligation, to advance Franchisee's share of the cost of any arbitration proceeding and by doing so shall not be deemed to have waived or relinquished Coverall's right to seek the recovery of those costs.
- E. Injunction and Specific Performance. Notwithstanding anything in Paragraphs 25 and 26 to the contrary, Coverall and Franchisee shall be entitled to apply at any time directly to a court of competent jurisdiction for the entry of preliminary and permanent injunctions and orders of specific performance. The prevailing party shall be entitled to collect from the non-prevailing party an amount equal to the costs incurred by the prevailing party in obtaining relief, including, without limitation, attorney's fees, litigation costs and expenses, as well as any damages incurred.
- F. Attorneys' Fees. Should either party incur attorney's fees in order to enforce the terms and conditions of this Agreement, including post-term covenants, the prevailing party shall be entitled to reimbursement by the other party of all litigation costs, including attorneys' fees.
- G. Survival. The parties agree that the provisions of this Paragraph 26 are intended to benefit and bind certain third party non-signatories and shall continue in full force and effect subsequent to and notwithstanding the expiration or termination of this Agreement.

- H. WAIVER OF JURY TRIAL. TO THE EXTENT PERMITTED BY APPLICABLE LAW COVERALL AND FRANCHISEE (AND FRANCHISEE'S OWNERS, OFFICERS, DIRECTORS AND/OR ANY GUARANTORS OF THIS AGREEMENT) IRREVOCABLY WAIVE TRIAL BY JURY IN ANY ACTION, PROCEEDING, OR COUNTERCLAIM, WHETHER AT LAW OR IN EQUITY, BROUGHT BY EITHER OF THEM.
27. TIME TO ASSERT CLAIMS. Any and all claims and actions arising out of or relating to this Agreement, the relationship of Franchisee and Coverall, or Franchisee's operation of its business, brought by any Party hereto against the other, shall be commenced within two (2) years from the occurrence of the facts giving rise to such claim or action, or such claim or action shall be barred. This limitations period shall be enforceable to the fullest extent permitted by law.
28. GOVERNING LAW. This Agreement shall be interpreted and governed by the laws of the state in which the Franchise granted herein is located.
29. ENTIRE AGREEMENT. This is the full agreement of the parties. Any matter which is not actually written down and included in this document is not a term of this Agreement. To avoid any later misunderstanding about the exact terms of the Agreement, each party affirms, by signing this Agreement, that it has not relied on any comment, promise, or representation not actually included in this Agreement. By signing this Agreement, the parties mutually agree that no evidence shall be admitted in any proceeding as to the existence of any term or promise claimed to be a part of the Agreement unless that term is explicitly stated within the Agreement.

Coverall of _____

FO# _____

\$ _____, _____

FOR VALUE RECEIVED, _____ ("Franchisee") agrees to pay to the order of Coverall North America, Inc. dba Coverall of _____ ("Coverall"), in lawful money of the United States of America, the principal sum of _____ Dollars (\$ _____), with interest from the date above at the rate of twelve percent (12%) per annum on the unpaid balance of the principal sum until paid. Franchisee further promises to pay that principal sum and interest in installments as follows: Initial installment of _____ Dollars (\$ _____) on _____, _____ and _____ successive monthly installments of _____ Dollars (\$ _____) each on the same day of each succeeding calendar month until all such payments have been made, on which date the entire balance of principal and interest unpaid shall be due and payable.

This note may be prepaid without penalty.

It is agreed that each installment, when paid, shall be credited first to interest then due and the remainder to principal. Should the interest not be paid, it shall, at the sole option of Coverall, become part of the principal and will then bear the same interest as the principal.

If default is made in the payment of any installment of principal or interest when due, then the whole sum of principal and interest shall become immediately due and payable at the option of Coverall, with interest from the date of default at the rate of fifteen percent (15%) per annum until paid on the entire unpaid principal and interest.

This note and all other obligations, direct or contingent, of Franchisee or any endorser to Coverall, shall become fully due and payable immediately at the option of Coverall without demand or notice upon the happening of any of the following events:

1. The failure of Franchisee to pay when due any installment of the principal and/or interest of this note.
2. The failure of Franchisee to timely keep or properly perform any of the recitals, covenants, conditions, representations, warranties, obligations or guarantees contained in any agreement between Coverall and Franchisee.
3. The levy of any attachment, execution, or any other process against all or any part of the assets of Franchisee.
4. The failure of Franchisee to pay, withhold, collect or remit any tax or tax deficiency when assessed or due.
5. The suspension of the business of Franchisee, or the making of a general assignment for the benefit of creditors, or the commencement of proceedings for dissolution or liquidation, or the commencement of proceedings under any bankruptcy, insolvency, readjustment of debt or liquidation law or statute of the federal or state governments, or the adjudication as bankrupt or insolvent, or the involuntary appointment of a receiver, or applications therefor, or the making of a bulk sale or the giving notice of intention to do so.
6. The failure by Franchisee to execute, as above, any documents, which Coverall deems necessary to convert Franchisee's obligation to another form of financing.
7. At any time when, in the sole opinion of Coverall, Franchisee's financial responsibility becomes impaired or unsatisfactory.

Notwithstanding anything to the contrary in this Promissory Note or in any document previously executed by Franchisee and Coverall, in the event the services performed by Franchisee for customers of their Coverall Franchised Business are discontinued in accordance with the provisions of Paragraph 18 of the Janitorial Franchise Agreement, Coverall shall have the right to apply the entire amount of any payment received by Coverall from the customer(s) after discontinuation of services to the balance due on this Promissory Note. The application of such funds shall not be construed to release the Franchisee from any obligation to pay any amounts remaining due to Coverall (principal or interest).

In the event an attorney is employed by Coverall in collection of any amounts due hereunder, Franchisee shall pay to Coverall its reasonable attorneys' fees and costs incurred in such collection.

The obligation evidenced by this note is to be construed in accordance with the laws of the State or District in which the Franchisee conducts its Coverall business.

GUARANTY TO COVERALL JANITORIAL FRANCHISE AGREEMENT

FO# _____

In consideration of, and as an inducement to Coverall North America, Inc. dba Coverall of _____ (“Coverall”), entering into a Janitorial Franchise Agreement (“the Agreement”) dated _____, _____, with _____ (“Franchisee”), the undersigned (“the Guarantor(s)”) does hereby unconditionally guaranty, personally, the obligations of the Franchisee under the Agreement, as follows:

1. Guarantor(s) jointly, severally and unconditionally guaranties to Coverall performance of all responsibilities, duties, indebtedness and obligations of the Franchisee under the Agreement, including, but not limited to (a) payment of any fees due under the Agreement, including, but not limited to, initial fee, royalties, management fees, assignment fees, interest or late fees, training fees (if any) and fees for products, supplies or services furnished by Coverall to Franchisee; (b) obligations to hold harmless, defend and indemnify Coverall and related parties; and (c) any and all advances, debts, obligations, notes and liabilities of the Franchisee incurred in connection with or as a result of the Agreement, previously, now, or hereafter made, incurred, or created, voluntary or involuntary and, however arising.

2. Guarantor(s) authorizes Coverall, (whether or not after revocation or termination of this Guaranty) without notice or demand (except as may be required by law) and without affecting or impairing Guarantor(s)' liability hereunder, from time to time, to (a) renew, compromise, extend, accelerate, or otherwise change the time for performance of, or otherwise change the terms of the obligation or any part thereof; and (b) release or substitute any one or more of the Guarantors, if there is more than one.

3. Any indebtedness of the Franchisee now or hereafter held by Guarantor(s) is hereby subordinated to the indebtedness of the Franchisee to Coverall, and all such indebtedness shall, if Coverall so requests, be collected, enforced, and received by Guarantor(s) as trustee(s) for Coverall, and be paid over to Coverall on account of the indebtedness of Franchisee to Coverall, without affecting or impairing in any manner the liability of Guarantor(s) under the other provisions of this Guaranty.

4. Guarantor(s) waives any right to require Coverall to (a) proceed against the Franchisee; (b) proceed against or exhaust any security held from the Franchisee; or (c) pursue any other remedy in Coverall's power whatsoever. Guarantor(s) waives any defense based on or arising out of any defense of the Franchisee other than payment in full of the indebtedness, including, but not limited to, any defense based on or arising out of the disability of the Franchisee, the unenforceability of the indebtedness or any part thereof from any cause, or the cessation from any cause of the liability of the Franchisee, other than payment in full of the indebtedness. Coverall may, at its election, foreclose on any security held by Coverall by one or more judicial sales, whether or not every aspect of any such sale is commercially reasonable, or exercise any other right or remedy Coverall may have against the Franchisee or any security, without affecting or impairing in any way the liability of Guarantor(s) under this Agreement, except to the extent the indebtedness has been paid. Guarantor(s) waives any defense arising out of such an election by Coverall, even if the election operates to impair or extinguish any right of reimbursement or subrogation or other right or remedy of Guarantor(s) against the Franchisee or any security. Until all indebtedness of the Franchisee to Coverall is paid in full, even though that indebtedness is in excess of Guarantor's liability under this Agreement, Guarantor(s) shall (a) have no right of subrogation; (b) waive any right to enforce any remedy that Coverall now has or may hereafter have against Franchisee; and (c) waive any benefit of, and any right to, participation in any security now or hereafter held by the Franchisee. Guarantor(s) waives all presentments, demands for performance, notices of protest, notices of dishonor, notices of acceptances of this Guaranty, and notices of the existence, creation, or incurring of new or additional indebtedness. Guarantor(s) assumes all responsibility for keeping informed of the Franchisee's financial condition and assets, and of all other circumstances bearing upon the risk of nonpayment of the indebtedness and the nature, scope, and extent of the risks that Guarantor(s) assumes and incurs hereunder, and agrees that Coverall shall have no duty to advise Guarantor(s) of information known to it regarding those circumstances or risks.

5. Guarantor(s)' obligations hereunder are joint and several, and independent of those of the Franchisee, and a separate action or actions may be brought and prosecuted against the Guarantor(s) whether action is brought against the Franchisee and/or Guarantor(s), or whether the Franchisee and/or the Guarantor(s) be joined in any such action or actions; and the Guarantor(s) waives the benefit of any statute of limitations affecting the Guarantor(s)' liability hereunder, or the enforcement thereof.

6. In addition to the amounts guaranteed under this Agreement, Guarantor(s) jointly and severally agrees to pay reasonable attorneys' fees and all other costs and expenses incurred by Coverall in enforcing this Guaranty in any action or proceeding, arising out of, or relating to, this Guaranty.

7. It is not necessary for Coverall to inquire into the powers of the Franchisee or the officers, directors, or agents acting or purporting to act on their behalf, and any obligations made or created in reliance upon the professed exercise of such powers shall be guaranteed hereunder.

8. If any provision of this Guaranty contravenes or is held invalid under the laws of any jurisdiction, this Guaranty shall be construed as though it did not contain that provision, and the rights and liabilities of the parties of this Agreement shall be construed and enforced accordingly.

9. In addition to the above provisions, Guarantor(s) agrees to comply with all provisions and covenants in the Agreement related to the protection of the Coverall trade and service marks and the Coverall confidentiality and trade secrets (both in-term and post term). PROMISSORY NOTE

FOR VALUE RECEIVED, the Franchise Owner, whose signature appears on this Equipment Purchase Agreement (the "Agreement") agrees to pay to the order of Coverall North America, Inc. ("Coverall"), in lawful money of the United States of America, the principal sum stated on Page 1 of this Agreement, with interest from the date of execution, at the rate of eighteen (18%) per annum on the unpaid balance of the principal amount until paid in full.

This note may be prepaid without penalty.

It is agreed that each installment, when paid, shall be credited first to interest then due and the remainder to principal. Should the interest not be so paid, it shall, at the sole option of Coverall, become part of the principal and thereafter bear like interest as the principal.

Should Franchise Owner default in the payment of any installment of principal or interest when due, then the whole sum of principal and interest shall become immediately due and payable at the option of Coverall, with interest from the date of the default at the rate of twenty-one percent (21%) per annum until paid on the entire unpaid principal and interest.

Franchise Owner agrees that the obligation evidenced by this Promissory Note shall, at Coverall's option, upon Coverall first giving Franchise Owner thirty (30) days written notice, be converted from a Promissory Note to a revolving line of credit granted by Coverall to Franchise Owner. Under the line of credit, Franchise Owner will remain obligated to pay to Coverall the monthly amount payable under this Promissory Note; however, if the line of credit issued to Franchise Owner is, with Franchise Owner's consent, increased to an amount exceeding the principal balance evidenced by this Promissory Note, Franchise Owner shall, in addition to the monthly amounts currently payable under the Agreement and this Promissory Note, be required to pay Coverall each month, an amount equal to at least twelve and one half percent (12-1/2 %) of the amount by which Franchise Owner's gross monthly billings (regular service and special services) for each prior month exceeds the amount of gross monthly billings originally acquired by this note and other notes of Franchise Owner converted to the line of credit. In the event of a conversion to a line of credit exceeding the gross monthly billings originally acquired by this note and other notes of Franchise Owner converted to the line of credit, Coverall shall also have the right, upon first giving Franchise Owner thirty (30) days written notice, to increase or decrease the rate of interest on the line of credit. Interest on the entire line of credit, including amounts which were payable under this note, shall be calculated on the outstanding daily balance of Franchise Owner's obligation to Coverall. In the event of such conversion, (i) the terms of default; and (ii) Coverall's right to accelerate the obligation in the event of default, shall remain the same. Franchise Owner will, upon receipt from Coverall of written notice to convert this obligation, execute such instruments and/or documents, as Coverall deems necessary. Failure by Franchise Owner to do so will be deemed an event of default under this Promissory Note. Details of the Coverall line of credit program, if and when adopted, will appear in the Coverall Policy and Procedure Manual as it may, from time to time be updated and/or modified, or in a written policy directive setting forth these details.

Furthermore, this note and all other obligations, direct or contingent, of Franchise Owner or any endorser, shall become fully due and payable immediately at the option of Coverall without demand or notice upon the happening of any of the following events:

1. The failure of Franchise Owner to pay when due any installment of the principal and/or interest.
2. The failure of Franchise Owner to timely keep or properly perform any of the recitals, covenants, conditions, representations, warranties, obligations or guarantees contained in any agreement between Coverall and Franchise Owner.
3. The levy of any attachment, execution, or any other process against all or any part of the assets of Franchise Owner.
4. The failure of Franchise Owner to pay, withhold, collect or remit any tax or tax deficiency when assessed or due.
5. The suspension of the business of Franchise Owner, or the making of a general assignment for the benefit of creditors, or the commencement of proceedings for dissolution or liquidation, or the commencement of proceedings under any bankruptcy, insolvency, readjustment of debt or liquidation law or statute of the federal or state governments, or the adjudication as bankrupt or insolvent, or the involuntary appointment of a receiver, or applications for a receiver, or the making of a bulk sale or the giving notice of intention to do so.
6. The failure by Franchise Owner to execute documents that Coverall deems necessary to convert Franchise Owner's obligation to another form of financing.
7. At any time when, in the sole opinion of Coverall, Franchise Owner's financial responsibility shall become impaired or unsatisfactory.

Notwithstanding anything to the contrary in this Promissory Note or in any document previously executed by Franchise Owner and Coverall, in the event the services performed by Franchise Owner on any Customer Account(s) are discontinued in accordance with the provisions of Paragraph 10B of Franchise Owner's Janitorial Franchise Agreement, Coverall shall have the right to apply toward the balance (principle and/or interest) of this Promissory Note, or toward the balance due on any line of credit provided to Franchise Owner, the entire amount of any payment received by Coverall from the Customer Account(s) at any time after date of the discontinuation of services. Application of payments received from the Customer Accounts being serviced by the Franchise Owner shall be in addition to any remaining payment(s) due from the Franchise Owner under this Agreement and Promissory Note, or under any line of credit payment.

In the event an attorney is employed by Coverall to enforce any of these terms, Franchise Owner shall pay Coverall's reasonable attorneys' fees and costs, which amount(s) shall be secured by this Promissory Note.

The obligation evidenced by this note is to be construed in accordance with the laws of the State or District in which the Franchise Owner conducts its Coverall business.

TERMS AND CONDITIONS

4. **THIRD PARTY CLAIMS.** Seller shall not be liable to Purchaser for, and Purchaser shall indemnify and hold Seller harmless with respect to any third party, from any liability, claim, loss, damage, or expense of any kind or nature caused directly or indirectly by the inadequacy of any item of the Equipment; the use or performance of any item of the Equipment; any interruption or loss of business or other consequential damage whether or not resulting from any of the foregoing; levying of any state and local taxes, including sales and use and personal property taxes, as well as loss of federal income tax benefits by Seller.

5. **TAXES, ASSESSMENTS AND FEES.** Purchaser agrees to pay all licensing, filing, and registration fees; to keep the Equipment free of all liens and encumbrances; to pay for all personal property taxes assessed against the equipment, to pay all other taxes, assessments, fees, and penalties which may be levied or assessed in respect to the Equipment, its use or any interest, or any lease payments, including but not limited to all federal, state, and local taxes, however designated, levied or assessed, whether upon Purchaser or Seller or the Equipment or upon the sale, ownership, use or operation, excepting any income taxes levied on the Seller.

6. **SECURITY INTEREST.** To secure the prompt and complete payment, performance and observance of all the obligations of Buyer hereunder, including payment of the Promissory Note or other financing described in Paragraph 2 hereof, Purchaser hereby grants, assigns, mortgages, pledges, hypothecates and transfers to Seller, a continuing Lien and Security Interest (the "Security Interest") in the Equipment, which shall be the Collateral for such Security Interest.

7. **UCC FILINGS.** The parties agree that either a photographic or other reproduction of this Agreement or a description of the Equipment may

be filed with a Financing Statement, and shall be sufficient along with the Financing Statement, under the Uniform Commercial Code. Seller may file or record the Financing Statement with respect to the Equipment so as to give notice to any interested parties. The cost of any UCC filing shall be paid by Purchaser, and Seller shall be authorized to deduct this amount from Purchaser's Franchisee Statement.

8. **INSURANCE.** Until Purchaser has fully paid for the Equipment, Purchaser shall, at Purchaser's own cost and expense, keep the Equipment insured for the full amount secured by this Agreement against damage or loss resulting from any and all risks to which it might foreseeably be exposed and risks designated by Seller. The Policy of Insurance shall be issued by an insurance company acceptable to Seller and shall provide for the loss payable under it being paid to both Purchaser and Seller as their interests may appear. A duplicate copy of each policy shall be delivered by Purchaser to Seller, who shall be named as an additional insured.

9. **RIGHT OF INSPECTION.** Seller, either in person or by agent, shall have the right at any and all reasonable times, and at reasonable intervals, to enter the premises where the Equipment is located and inspect the Equipment.

10. **DEFAULT.** Should Purchaser fail to perform any provision of this Agreement, or should Purchaser fail to pay any obligation created by this Agreement as it becomes due, then Purchaser shall be in default of this Agreement. Seller shall have all the rights and remedies afforded by a secured party under the Uniform Commercial Code. Seller may:

- c. Enter Purchaser's premises and dispose of the Equipment in the manner provided by the Uniform Commercial Code; and
- d. Apply the proceeds received from the sale or other disposition of the Equipment on default of Purchaser, in addition to the items specified in Article 9 of the Uniform Commercial Code, to the payment of reasonable attorneys' fees and legal expenses incurred by Seller as a result of Purchaser's default.

11. **ASSIGNMENT BY SELLER.** Seller may assign this Agreement and its rights to a third party. Purchaser acknowledges that the terms and conditions of this Agreement have been fixed in anticipation of the possible assignment of Purchaser's rights under this Agreement to a third party (the "Assignee") which will rely on and be entitled to the benefit of the provisions of this Agreement. Purchaser agrees to recognize in writing (if so requested) any such assignment within five (5) days after receipt of written notice thereof and to thereafter pay all sums due Seller under a Promissory Note or Line of Credit directly to the Assignee. Any assignment shall be subject to Purchaser's rights to use and possession of the Equipment under this Agreement, provided Purchaser is not in default.

12. **ASSIGNMENT BY PURCHASER.** Purchaser shall not assign this Agreement or sell any item of Equipment without the prior express written consent of Seller, which consent shall be subject to such terms and conditions as Seller, in its sole discretion, may determine.

Notice by mail shall be deemed received on the third (3rd) business day following the date the same was deposited in the United States Mail.

15. **SEVERABILITY; CAPTIONS.** All of the paragraphs and subparagraphs of this Agreement are distinct and severable and if any paragraphs or subparagraphs shall be deemed illegal, void, or unenforceable, the validity, legality or enforceability of any other paragraph or subparagraph of this Agreement shall not be affected. Captions of paragraphs and subparagraphs are for purposes of convenience only and do not constitute any part of, or modify, amend or otherwise change the language or intent of the paragraphs and subparagraphs.

16. **WAIVERS.** Waiver of any one or more defaults by the Seller shall not operate as a waiver of successive or other defaults and all of the Seller's rights shall continue notwithstanding any waiver or waivers.

17. **ENTIRE AGREEMENT; MODIFICATION.** The undersigned acknowledge that they, and each of them, have read this Agreement in full. No representations or agreements, whether oral or written, except as set forth in this Agreement have been made or relied upon. Independent Auditor's Report

To the Board of Directors
CNA Holding Corporation and Subsidiaries
Deerfield Beach, Florida

Report on the Financial Statements

We have audited the accompanying consolidated financial statements of CNA Holding Corporation and its subsidiaries (the "Company") which comprise the consolidated balance sheets as of December 31, 2012 and 2011, and the related consolidated statements of operations, stockholder's equity and cash flows for the year ended December 31, 2012 and for the period from February 23, 2011 through December 31, 2011 (the "Successor Period") and from January 1, 2011 through February 22, 2011 (the "Predecessor Period") and the related notes to the consolidated financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of CNA Holding Corporation and its subsidiaries as of December 31, 2012 and 2011, and the results of their operations and their cash flows for the year ended December 31, 2012 and for the periods from February 23, 2011 through December 31, 2011 (the "Successor Period") and from January 1, 2011 through February 22, 2011 (the "Predecessor Period") in accordance with accounting principles generally accepted in the United States of America.

Notes to Consolidated Financial Statements

Note 1. Nature of Business and Significant Accounting Policies

Nature of business: CNA Holding Corporation (“CNA Holding”) and its wholly-owned subsidiaries (collectively referred to as the “Company” doing business as “Coverall Health-Based Cleaning Systems”) is a sales and marketing company engaged in the business of procuring commercial cleaning customers, selling franchises, equipment, and supplies. The Company sells three types of franchises: Service (“Master”), Territory, and Janitorial. Masters are licensed to implement the Company’s business model in an exclusive territory: procuring customer accounts, selling, training, and supporting Janitorial franchises. Masters pay the Company royalties on their business revenue. Territory franchises are licensed to use the “Coverall” marks in the operations of a commercial janitorial business in an exclusive territory. Territory franchises are responsible to procure and service their own cleaning customers and pay the Company a royalty on their gross revenue.

Janitorial franchisees are licensed to use the “Coverall” marks and system in the service of commercial cleaning customers. The Company provides the Janitorial franchisee with an initial book of customers to service; training, billing, and collection services; and ongoing support in exchange for a franchise fee and ongoing royalty and support fees. The Company provides financing for its Janitorial franchisees’ initial franchise fee, purchases of additional business and equipment. The Company conducts its business in company-owned support centers throughout the United States of America (U.S.). The Company’s Master, Territory, and Janitorial franchises are located in various regions in the U.S. Internationally the Company has Master franchisees operating in Canada, Asia and Australia. The Company has international Territory franchisees operating in Qatar and the Dominican Republic.

The Company procures janitorial service contracts with commercial customers and then assigns the right to service the customers to its Janitorial franchisees. The Company makes available certain insurance programs for its Janitorial franchisees for a fee.

A summary of the Company’s significant accounting policies follows:

Principles of consolidation: The accompanying consolidated financial statements include the accounts of CNA Holding Corporation and its wholly-owned subsidiaries: Coverall North America, Inc., Melton Franchise Systems, Inc. and Coverall of Boston, Inc. All material intercompany accounts and transactions have been eliminated in consolidation.

Basis of presentation: As further discussed in Note 2, in February 2011, the Company and its affiliate lenders entered into an Agreement of Merger (the “Agreement”) with Coverall Second Holding LLC (“CSH”), which resulted in the sale of 100% of the stock of the Company to CSH. In connection with this transaction, the Company has elected to use the push-down basis of accounting to establish a new accounting and reporting basis for the Company in its consolidated financial statements based on CSH’s basis in the net assets acquired determined in accordance with the acquisition method under the Business Combinations Topic of the Accounting Standards Codification (“ASC”). Under this guidance, the assets acquired and liabilities assumed by CSH are generally recognized at their fair value at the date of the acquisition, with certain exceptions. As a result, the Company’s results of operations and cash flows for the period prior to February 23, 2011 (the transaction closing date) is not comparable with the period after the business combination (February 23, 2011 through December 31, 2011) and therefore have been presented separately in these financial statements. For purposes of presentation and disclosure, the Company is referred to as the “Predecessor” for the period before February 23, 2011, the date of consummation of the business combination, and as the “Successor” as of and for the period thereafter.

Notes to Consolidated Financial Statements

Note 1. Nature of Business and Significant Accounting Policies (Continued)

The results of the operations of Melton Franchise Systems, Inc. are included in the accompanying statements of operations from May 17, 2012, the acquisition date.

Use of estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the U.S. requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amount of revenues and expenses during the reporting period. Accordingly, actual results could differ from those estimates reported.

Revenue recognition: The Company sells franchises and is obligated to provide the Janitorial franchisee with an initial minimum janitorial revenue base (depending upon the size of the package purchased) and training. The current franchise term is 20 years with a renewal option. The Company recognizes revenue from the sale of franchises after all material obligations relating to the sale have been substantially performed or satisfied by the Company and collectability of the financed portion of sale is reasonably assured. Outstanding performance obligations under the janitorial franchise agreement are included in deferred revenue. Effective February 23, 2011, the Company changed its revenue recognition policy from the installment method to the accrual method. The change resulted from new management's assessment of franchisee note collectability. The change was made on February 23, 2011, upon the merger transaction described in Note 2.

The Company obtains cleaning customers under service agreements for its franchisees. The right to service the cleaning customers is then offered to its Janitorial franchisees. The Company provides the Janitorial franchisee with monthly billing and collection services for these cleaning customers and remits the funds collected to the Janitorial franchisee after deducting the royalty and support fees of up to 5% and 10%, respectively, any financing payments due, and other amounts paid for by the Company on the franchisee's behalf. The Company accounts for gross billings to cleaning customers as janitorial service revenues and the net remittances to franchisees before financing payments as janitorial service costs. Revenues from janitorial services are recognized as the services are provided and are recorded net of sales taxes.

The Company enters into Master franchise agreements, which grant the Master franchisee the right to implement the Company's business model in an exclusive territory. The term of these agreements is 20 years with provision for renewal. Under the terms of the Master franchise agreements, the Company is obligated to train the Master franchisee, provide software and disclosure document templates, marketing, site and equipment selection, staff selection, and training. The Company recognizes revenue from the sale of Master franchises when the significant initial obligations are completed and when the Master franchisee has paid or is deemed to have the financial ability to pay the Master franchisee fee.

Other franchise revenues: Unit franchisees (Janitorial), at their discretion, may purchase chemicals, supplies, and products from the Company. Revenues from goods and services sold to franchisees by the Company are recognized when goods are shipped and services are performed. The Master franchisee pays the Company monthly royalty fees of 5.5% of business revenue and a percentage of defined service revenue according to volume achieved. Royalties from Master and Territory franchisees are recognized based on reported or estimated monthly sales activity of the franchisees.

Cash: The Company maintains its cash in bank deposit accounts which, at times, may exceed federally-insured limits. The Company has not experienced any losses in such accounts.

Notes to Consolidated Financial Statements

Note 1. Nature of Business and Significant Accounting Policies (Continued)

Restricted cash: Restricted funds represent cash collateral as a guarantee for an outstanding letter of credit and funds reserved for settlements of, or satisfaction of judgments related to, certain litigation as required per the credit agreement discussed in Note 5.

Accounts receivable and notes receivable from franchisees: Accounts receivable and notes receivable from franchisees are carried at amounts management believes are collectible. The Company determines the allowance for doubtful accounts based on a combination of historical experience, aging analysis, and information on specific accounts. Account balances are written off against the allowance after all means of collection have been exhausted and the potential recovery is deemed remote. Recoveries of receivables previously written off are recorded as income when received. Interest income from franchise notes receivable is recognized when collected. Past due status is based on the contractual terms of the receivables.

In 2011, the Company adopted the *Disclosures about the Credit Quality of Financing Receivables and the Allowance for Credit Losses* guidance. The guidance enhances disclosure requirements to assist users of financial statements in assessing an entity's credit risk exposure and evaluating the adequacy of an entity's allowance for credit losses. The guidance requires entities to disclose the nature of credit risk inherent in their financed receivables, the procedure for analyzing and assessing credit risk, and the changes in both the receivables and the allowance for credit losses by portfolio segment and class. The adoption of this guidance did not have a material effect on the Company's consolidated financial statements as the Company only has one class of financed receivables which are homogeneous and of similar credit quality.

Inventories: Inventories, consisting primarily of cleaning supplies and equipment, are valued at the lower of cost or market. The first-in first-out method is used to determine the cost of inventory.

Equipment and leasehold improvements: Equipment and leasehold improvements are stated at cost. Depreciation of equipment is computed using the straight-line method over the estimated useful lives of the assets, which range from two to five years. Leasehold costs and improvements are amortized over the lesser of the estimated useful lives or the remaining lease terms.

Concentration of credit risk: Financial instruments that potentially subject the Company to concentrations of credit risk consist principally of cash, accounts receivable, and notes receivable. Concentrations of credit risk with respect to accounts receivable and notes receivable are limited due to the Company's large number of customers and their dispersion across several geographic areas as well as industries.

Debt issuance costs: Debt issuance costs, included in other assets in the accompanying consolidated balance sheets, represent the cost of obtaining financing arrangements and are being amortized using the effective interest method over the term of the related debt agreement. As of December 31, 2012 and 2011, debt issuance costs amounted to approximately \$2,054,000 and \$554,000, net of accumulated amortization, respectively. Interest expense related to the amortization of debt issuance costs for the year ended December 31, 2012 was \$683,000, which includes the write-off of approximately \$530,000 of unamortized costs related to the debt that was refinanced (see Note 5). Interest expense was \$111,000 and \$34,000 for the period from February 23, 2011 through December 31, 2011 and January 1, 2011 through February 22, 2011, respectively.

CNA Holding Corporation and Subsidiaries

Notes to Consolidated Financial Statements

Note 1. Nature of Business and Significant Accounting Policies (Continued)

Advertising: The Company expenses advertising and promotion costs as incurred. Advertising expense totaled approximately \$519,000 for the year ended December 31 2012, \$559,000 for the period from February 23, 2011 through December 31, 2011 and \$91,000 for the period from January 1, 2011 through February 22, 2011. These costs are included within selling, general, and administrative expenses in the accompanying consolidated statements of operations.

Rent expense: Rent expense for operating leases, which may have escalating rentals over the term of the lease, is recorded on a straight-line basis over the initial lease term. The difference between rent expense and rent paid is recorded in accrued expenses in the accompanying consolidated balance sheet.

Stock-based compensation: The Company measures the cost of employee services received in exchange for an award of equity instrument at the grant date fair value and on a straight-line basis over the requisite service period.

Business combination: In accordance with the Financial Accounting Standards Board's ("FASB") guidance on accounting for *Business Combinations*, the identifiable assets acquired and liabilities assumed were generally recognized based on their estimated fair values. Management, in consultation with independent third party valuation experts, estimates fair values based upon assumptions they believed to be reasonable. These estimates are based on historical experience and information obtained from management. Critical estimates in valuing certain of the intangible assets include future expected cash flows from revenue, assumptions about the period of time the acquired intangible assets will continue to be used by the Company, and discount rates applied to the expected cash flows (see Note 2).

Goodwill: The Company's goodwill was recorded as a result of the Company's change in ownership on February 23, 2011 and the May 17, 2012 acquisition of Melton Franchise Systems, Inc. Goodwill represents the excess of the purchase price over the value assigned to identifiable assets acquired and liabilities assumed at the acquisition date.

Intangible assets: Intangible assets consist of the Company's trademark, customer and franchisee relationships, which are amortized on a straight-line basis over their estimated useful lives, which range from four to fifteen years.

Impairment of goodwill and other long-lived assets: The Company is required to assess goodwill and other indefinite-lived intangible assets for impairment annually, or more frequently if circumstances indicate impairment may have occurred. The Company performs its impairment assessment annually. If the carrying value of an indefinite-lived intangible asset exceeds its fair value, an impairment loss is recognized in an amount equal to that excess.

In 2012, the Company adopted the qualitative assessment guidance for its goodwill impairment evaluation. Under this method, management assesses qualitative factors to determine if it is more likely than not (a likelihood of more than 50%) that the fair value of a reporting unit is less than its carrying amount. If, after assessing the totality of events or circumstances, the Company determines that it is not more likely than not that the fair value of a reporting unit is less than its carrying amount, no further testing is necessary. If, however, the Company determines that it is more likely than not that the fair value of a reporting unit is less than its carrying amount, then the Company needs to perform the first step of the two-step goodwill impairment test as described below.

Notes to Consolidated Financial Statements

Note 1. Nature of Business and Significant Accounting Policies (Continued)

The first step assesses goodwill for impairment by comparing the carrying value of the reporting unit to its fair value using the present value of expected future cash flows. If this first step of the goodwill impairment test identifies a potential impairment, the Company performs a second step to determine the amount of impairment loss, if any. The Company determines the fair value utilizing discounted cash flows and incorporates assumptions that it believes marketplace participants would utilize. When available and as appropriate, comparative market multiples and other factors to corroborate the discounted cash flow results are used.

Based on a qualitative assessment, no indicators of impairment were identified as of December 31, 2012.

The Company also evaluates the recoverability of its other long-lived assets, including amortizable intangible assets, if circumstances indicate impairment may have occurred. This analysis is performed by comparing the respective carrying values of the assets to the current and expected future cash flows, on an undiscounted basis, to be generated from such assets. If such analysis indicates that the carrying value of these assets is not recoverable, the carrying value of such assets is reduced to fair value. No impairment charges were recorded during the year ended December 31, 2012 and during the periods from February 23, 2011 through December 31, 2011 and from January 1, 2011 through February 22, 2011.

Fair value measurements: The Company has adopted the *Fair Value Measurement and Disclosure* guidance for all assets and liabilities that are recognized or disclosed at fair value in the financial statements. The guidance defines fair value as the price that would be received upon sale of an asset or paid upon transfer of a liability in an orderly transaction between market participants at the measurement date and in the principal or most advantageous market for that asset or liability. The fair value should be calculated based on assumptions that market participants would use in pricing the asset or liability, not on assumptions specific to the entity.

In determining the appropriate levels, the Company performs a detailed analysis of the assets and liabilities that are subject to the guidance. The guidance provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). Valuations performed maximize the use of observable inputs and minimize the use of unobservable inputs.

The three levels of the fair value hierarchy are defined as follows:

- Level 1 – inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that are accessible at the measurement date.
- Level 2 – inputs to the valuation methodology include quoted prices in markets that are not active or quoted prices for similar assets and liabilities in active markets, and inputs that are observable for the asset or liability, either directly or indirectly, for substantially the full term of the financial instrument.
- Level 3 – inputs to the valuation methodology are unobservable, reflecting the entity's own assumptions about assumptions market participants would use in pricing the asset or liability.

CNA Holding Corporation and Subsidiaries

Notes to Consolidated Financial Statements

Note 1. Nature of Business and Significant Accounting Policies (Continued)

Income taxes: Deferred income taxes are provided on a liability method whereby deferred tax assets are recognized for deductible temporary differences and operating loss and tax credit carryforwards and deferred tax liabilities are recognized for taxable temporary differences. Temporary differences are the differences between the reported amounts of assets and liabilities and their tax bases. Deferred tax assets are reduced by a valuation allowance when, in the opinion of management, it is more likely than not that some portion or all the deferred tax assets will not be realized. Deferred tax assets and liabilities are adjusted for the effects of changes in tax laws and rates on the date of enactment.

When tax returns are filed, it is highly certain that some positions taken would be sustained upon examination by the taxing authorities, while others are subject to uncertainty about the merits of the position taken or the amount of the position that would be ultimately sustained. As it relates to the Company's accounting for uncertainty in income taxes, the benefit of a tax position is recognized in the financial statements in the period during which, based on all available evidence, management believes it is more likely than not that the position will be sustained upon examination, including the resolution of appeals or litigation processes, if any. Tax positions taken are not offset or aggregated with other positions. Tax positions that meet the more-likely-than-not recognition threshold are measured as the largest amount of tax benefit that is more than 50% likely of being realized upon settlement with the applicable taxing authority. The portion of the benefits associated with tax positions that exceeds the amount measured as described above (if any) would be reflected as a liability for unrecognized tax benefits in the accompanying consolidated balance sheets. In the event the Company were to recognize interest and penalties related to uncertain tax positions, it would be recognized in the consolidated financial statements as income tax expense.

The Company did not have any uncertain positions that would affect the consolidated results of operations and financial position for the year ended December 31, 2012 and for the periods from February 23, 2011 through December 31, 2011 and from January 1, 2011 through February 22, 2011.

With few exceptions, the Company is no longer subject to income tax examinations by the U.S. federal, state or local tax authorities for years before 2009.

Loss contingencies: Certain conditions may exist as of the date the consolidated financial statements are issued. Such conditions may result in a loss to the Company but will only be resolved when one or more future events occur or fail to occur. The Company assesses such contingent liabilities, and such assessment inherently involves an exercise of judgment. In assessing loss contingencies related to legal proceedings that are pending against the Company or unasserted claims that may result in such proceedings, the Company evaluates, with the assistance of its legal counsel, the perceived merits of any legal proceedings or unasserted claims as well as the perceived merits of the amount of relief sought or expected to be sought therein. In the event a loss contingency is subject to certain indemnification agreements the Company recognizes an asset related to an indemnification recovery only when realization is deemed probable, and only to the extent of the related loss recognized in the consolidated financial statements. All loss contingency accruals and related indemnification assets are included on the accompanying balance sheet in accrued expenses and prepaid expenses and other current assets, respectively, as of December 31, 2012 and 2011.

Reclassifications: Certain reclassifications were made to the 2011 financial statements to conform to the 2012 presentation, with no effect on net loss or stockholder's equity.

Notes to Consolidated Financial Statements

Note 1. Nature of Business and Significant Accounting Policies (Continued)

Subsequent events: Management has evaluated subsequent events through March 22, 2013, which is the date the consolidated financial statements were available to be issued.

Note 2. Business Combinations

On May 17, 2012, the Company, by the effects of a stock purchase agreement acquired 100% of the issued and outstanding capital stock of Melton Franchise Systems, Inc. ("Melton") in exchange for total consideration of \$10,000,000. The consideration transferred consisted of a cash payment of \$9,000,000, seller financed subordinated unsecured debt in the amount of \$500,000 and a \$500,000 cash holdback placed in escrow. In accordance with business combination accounting, the net assets of the acquired entity were adjusted to their estimated fair values as of the date of acquisition which, are summarized in the following table:

Cash	\$ 593,000
Accounts receivable	702,000
Notes receivable	766,000
Inventories	8,000
Prepaid expenses	9,000
Other assets	21,000
Equipment and leasehold improvements	119,000
Intangible assets	6,900,000
Goodwill	5,511,000
Total assets acquired	14,629,000
Accounts payable	1,975,000
Accrued expenses	325,000
Deferred revenue	660,000
Deferred tax liabilities	1,669,000
Total liabilities assumed	4,629,000
Net assets acquired	\$ 10,000,000

The goodwill of \$5,511,000 arises primarily from the cumulative processes, procedures and knowledge of the Company's workforce. None of the goodwill is expected to be deductible for income tax purposes.

The fair value of the intangible assets obtained, consisting of \$4,500,000 in customer relationships and \$2,400,000 in franchisee relationships were estimated by applying discounted cash flow models. These fair value measurements were based on significant inputs that are not observable. The assumptions made by management in determining the fair value included a discount rate based on a weighted-average cost of capital, an estimated average growth rate and estimated attrition rates for the customer relationships and franchisee relationships.

Note 2. Business Combination (Continued)

Acquired notes receivable, of approximately \$766,000, consists of gross contractual receivables of approximately \$979,000 after reduction for \$100,000 in fair value adjustments and approximately \$113,000 for contractual cash flows that are estimated to be uncollectible.

Transaction costs, including costs with related parties, of approximately \$1,235,000 consist of professional fees incurred by the Company related to the transaction and are included on the accompanying consolidated statement of operations for the year ended December 31, 2012.

On February 4, 2011, the Company entered into an Agreement of Merger with Coverall Second Holding, LLC ("CSH"), a wholly-owned subsidiary of Coverall First Holding, LLC. Effective February 23, 2011, CSH acquired 100% of the Company's common stock in exchange for total consideration of \$39,901,000. Note 2. Business Combination (Continued)

In accordance with the Merger Agreement, the Company received an indemnification commitment from the Seller for damages, legal fees and costs related to certain litigation outstanding as of February 23, 2011. See Note 7, Commitments and Contingencies, for discussion of the litigation matters which existed at the acquisition date. The pre-acquisition contingencies for which the Company was indemnified totaled \$3,860,000 as of February 23, 2011. These contingent liabilities and related indemnified assets are included in the accompanying schedule of net assets acquired as accrued expenses and other assets, respectively.

The goodwill of \$22,593,000 arises primarily from the cumulative processes, procedures and knowledge of the Company's workforce. None of the goodwill is expected to be deductible for income tax purposes.

Acquired notes receivable, of approximately \$5,558,000, consists of gross contractual receivables of approximately \$7,236,000 after reduction for \$830,000 in fair value adjustments and approximately \$848,000 for contractual cash flows that are estimated to be uncollectible.

The fair value of the intangible assets obtained, consisting of \$4,700,000 in a trademark assets, \$11,370,000 in customer relationships and \$13,900,000 in franchisee relationships were estimated by applying discounted cash flow models. These fair value measurements were based on significant inputs that are not observable. The assumptions made by management in determining the fair value included a discount rate based on a weighted-average cost of capital, an estimated average growth rate and estimated attrition rates for the customer relationships and franchisee relationships.

Transaction costs of approximately \$1,500,000 consist of investment banking and professional fees incurred by the Predecessor related to the sale of the Company and are included on the accompanying statement of operations for the period from January 1, 2011 through February 22, 2011.

The change in the carrying value of goodwill for the year ended December 31, 2012 and for the period from February 23, 2011 to December 31, 2011 is as follows:

Note 5. Long-Term Debt and Revolving Line of Credit (Continued)

The \$6,000,000 senior subordinated term loan bore interest at 13%. Borrowings outstanding on this senior subordinated term loan were \$6,000,000 as of December 31, 2011. The agreement also included a clause requiring the Company to pay a fee ("Deferred Fee") to the lender. The Deferred Fee was based on the average daily outstanding balance multiplied by 3%. As of December 31, 2011, the accrued fee totaled \$156,000. The loan was paid in full on December 17, 2012 in conjunction with the refinance of the Company's debt.

Borrowings on the credit agreements discussed above were collateralized by substantially all the Company's assets. The credit agreements contained certain restrictive covenants requiring, among other things, the maintenance of certain financial ratios.

On February 23, 2011, the Company entered into subordinated note agreements with its Seller and affiliate lenders totaling \$10,000,000. The notes bore interest at 10% and included a paid-in-kind interest which accrued at 2% and was added to the principal amount of the notes monthly. Outstanding borrowings bear interest at a rate equal to the prime rate plus 4.5% (7.75% as of December 31, 2012). The Company has the option to adjust the interest rate on all or portion of the outstanding balance to the tranche LIBOR rate plus 5%. The tranche LIBOR Rate is the greater of 2% and the 1 month, 2 month or 3 month LIBOR rate, whichever the Company selects. The Company can have a maximum of 4 outstanding tranche loans at any point in time. Outstanding borrowings under the line of credit were \$525,000 and \$0 as of December 31, 2012 and 2011, respectively. The line of credit expires in December 2017.

On December 17, 2012, the Company refinanced its February 23, 2011 debt with a new third party lender. The new senior secured loan agreement consists of four term loans totaling \$39,800,000. The loan requires quarterly principal payments of \$248,750 from March 31, 2013 through September 30, 2014 and \$497,500 from December 2014 through maturity date of December 2017. Interest is payable monthly commencing December 31, 2012. The credit agreement includes a mandatory prepayment in the event that excess cash flow, as defined in the agreement, is available. Borrowings outstanding on this term loan were \$39,800,000 as of December 31, 2012. Borrowings are collateralized by substantially all the Company's assets. The credit agreements contain certain restrictive covenants requiring, among other things, the maintenance of certain financial ratios.

In connection with the acquisition of Melton Franchise Systems, Inc. the Company entered into a subordinated unsecured promissory note in the amount of \$500,000. Note 6. Income Taxes (Continued)

The Company's net operating loss carryforwards are approximately \$3,000,000 for federal and \$2,500,000 for state income tax purposes, which expire beginning in 2023. The Company's ability to utilize these net operating losses to offset future taxable income of the Company will be subject to annual limitations under the Internal Revenue Code section 382, Change in Ownership Rule.

The components of the provision for (benefit from) income taxes for the year ended December 31, 2012 and for the periods from February 23, 2011 through December 31, 2011 and from January 1, 2011 through February 22, 2011 are as follows:

The difference between the federal income computed by the statutory federal income tax rate and the Company's actual income tax benefit, as reflected in the accompanying consolidated financial statements, is primarily due to graduated tax rates, tax credits, permanent differences and state income taxes, net of federal tax benefit.

Note 7. Commitments and Contingencies

Leases: The Company leases real property facilities under agreements accounted for as operating leases which contain renewal options and escalation provisions that expire on various dates through September 2020.

Year Ending December 31,	Amount
2012	\$ 2,591,000

Note 7. Commitments and Contingencies (Continued)

Self-Insurance Programs: Effective March 1, 2005, the Company is self-insured for its general liability insurance. Under this program, the estimated liability on claims incurred and claims incurred but not reported as of December 31, 2012 and 2011 was approximately \$1,376,000 and \$1,204,000, respectively. Since September 1, 2005 the Company is self-insured for its employee medical insurance program. Under this program, the estimated liability on claims incurred and claims incurred but not reported as of December 31, 2012 and 2011 was approximately \$488,000 and \$174,000, respectively. These liabilities were determined with the assistance of actuaries based on historical and industry information along with certain assumptions about future events. Changes in actual experience could cause these estimates to differ from actual claims paid in the future based on the effects of trends in loss severity and frequency. Although considerable variability is inherent in such estimates, management believes that the reserves for losses are adequate.

Litigation: The Company has been named as a defendant in a class action lawsuit where several franchisees in a certain state have alleged, among other things, that the Company misclassifies its franchisees as independent contractors. Partial Summary Judgment was granted in this case during 2010 holding that the Company's franchisees were misclassified. On September 23, 2011, a class was certified by the Court. On May 10, 2012 a partial judgment in the amount of \$2,900,000 was entered, which has been recorded as of December 31, 2012 and included in accrued expenses in the accompanying consolidated balance sheets. No final judgment has been entered. The Company intends to appeal this decision.

In late 2011, a group of franchisees, outside the class that was certified, submitted demands for arbitration to the American Arbitration Association. The Company intends to vigorously defend itself in these arbitration proceedings. Litigation exposure represents a key area of judgment and is subject to uncertainty and certain factors outside of management's control. Such uncertainties impact management's ability to determine whether it is probable that a liability exists and whether the amount can be reasonably estimated. Therefore, at this time, management cannot determine the probable outcome of these matters.

The Company has been involved in a similar case in another state. In 2011, the parties agreed on a provisional class settlement which was approved by the Court in February 2012. A provisional class settlement amount of \$1,100,000 was recorded as of December 31, 2012 and 2011 and included in accrued expenses in the accompanying consolidated balance sheets.

In addition, the Company is also involved in litigation that arises in the ordinary course of business. While the Company intends to vigorously defend these actions, management is unable to make an estimate of the amount or range of loss that could result from an unfavorable outcome of these matters. Management believes that the ultimate outcome should not have a material adverse effect on the Company's financial statements.

Note 8. Retirement Plan

Substantially all employees are covered by the Company's 401(k) plan. The Company discontinued matching its contribution as of June 1, 2009. There were no contributions made during the years ended December 31, 2012 and 2011.

Note 11. Stock Options

In October 2011, the Board of Directors established the "2011 Equity Incentive Plan" (the "plan"), which is non-qualified. Under the plan, 1,054,054 shares of common stock have been reserved for issuance. Options vest ratably over seven years and have a contractual life of one to ten years.

The fair value of each option award is estimated on the date of grant using the Black-Scholes option-pricing model that uses the assumptions noted in the table below. The closed-form valuation technique incorporates assumptions for the expected volatility of the stock price, the expected term of the option, expected dividends and risk-free interest rate for the expected term of the option. Expected volatility is based on the historical volatility of the stock value of comparable public companies. An approximate industry sector index is one that is representative of the industry sector in which the nonpublic entity operates. The expected term of the option is based on the average period that the options vest and expire. The risk-free interest rate takes into account the time-value of money. The risk-free rate for periods within the contractual life of the option is based on the U.S. Treasury yield curve in effect at time of grant. Estimated forfeitures are based on historical pre-vesting forfeitures. Revisions to those estimates are made in subsequent periods if actual forfeitures differ from those estimates. The Company has not included dividend payments in its estimate as dividends are not expected to be paid.

The fair value of each option granted during the year ended December 31, 2012 was estimated using the following assumptions:

Expected life	8.5 years
Forfeiture rate	30%
Volatility percentage	36.4%
Interest rate	1.09%
Dividends	none

INDEPENDENT AUDITORS' REPORT

To the Board of Directors and Stockholders of
CNA Holding Corporation
Boca Raton, Florida

We have audited the accompanying consolidated statements of operations, stockholders' deficiency, and cash flows of CNA Holding Corporation and subsidiaries (the "Company") for the year ended December 31, 2010. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, such consolidated financial statements present fairly, in all material respects, the results of its operations and its cash flow for the year ended December 31, 2010, in conformity with accounting principles generally accepted in the United States of America.

CNA HOLDING CORPORATION AND SUBSIDIARIES

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED DECEMBER 31, 2010 (AMOUNTS ROUNDED TO THOUSANDS, EXCEPT PER SHARE AND OPTION AMOUNTS)

1. ORGANIZATION AND NATURE OF BUSINESS

Organization — CNA Holding Corporation (“CNA Holding” or the “Company”), a Delaware corporation, was formed on February 4, 2005. CNA Holding owns 100% of the outstanding voting equity of its subsidiaries: Coverall North America, Inc. (CNA), Majco Acquisition, LLC, Coverall of the Carolinas Acquisition, LLC, and Coverall Hospitality Services, Inc. During December 2008, TBNC, Inc., a subsidiary acquired during 2007, was merged into CNA.

CNA Holding has authorized 1,500,000 shares of \$0.01 par value common stock.

Nature of Business — The Company is a sales and marketing company engaged in the business of procuring commercial cleaning customers, selling franchises, equipment, and supplies. The Company sells three types of franchises: Service (“Master”), Territory, and Janitorial. Masters are licensed to implement the Company’s business model in an exclusive territory: procuring customer accounts, selling, training, and supporting Janitorial franchises. Masters pay the Company royalties on their business revenue. Territory franchises are licensed to use the “Coverall” marks in the operations of a commercial janitorial business in an exclusive territory. Territory franchises are responsible to procure and service their own cleaning customers and pay the Company a royalty on their gross revenue. Janitorial franchisees are licensed to use the “Coverall” marks and system in the service of commercial cleaning customers. The Company provides the Janitorial franchisee with an initial book of customers to service; training, billing, and collection services; and ongoing support in exchange for a franchise fee and ongoing royalty and management fees. The Company provides financing for its Janitorial franchisees’ initial franchise fee, purchases of additional business, and equipment. The Company conducts its business in company-owned support centers throughout the United States of America (U.S.). The Company’s Master, Territory, and Janitorial franchises are located in various regions in the U.S. Internationally, the Company has Master franchisees operating in Canada, Asia, Australia, and South America. The Company has international Territory franchisees operating in Qatar and the Dominican Republic.

The Company procures janitorial service contracts with commercial customers and then delegates the right to service the customers to its Janitorial franchisees.

The Company makes available certain insurance programs for its Janitorial franchisees for a fee.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Principles of Consolidation — The consolidated financial statements include the accounts of CNA Holding and its wholly owned subsidiaries. All significant intercompany accounts and transactions have been eliminated in consolidation.

Use of Estimates — The preparation of financial statements in conformity with accounting principles generally accepted in the U.S. requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Significant assumptions and estimates were used in the determination of the collectibility of the Company’s accounts receivable and notes receivable from franchisees, the carrying values of its long-lived assets, including goodwill and other intangibles, and the estimated liability for the Company’s self-insurance programs. Accordingly, actual results could differ from those estimates reported.

Cash and Cash Equivalents — The Company considers all highly liquid investments purchased with an original maturity of three months or less to be cash equivalents.

Property and Equipment — Depreciation of property and equipment is computed using the straight-line method over the estimated useful lives of the assets, which range from three to five years. Leasehold costs and improvements are amortized over the lesser of the estimated useful lives or the remaining lease terms.

The Company leased equipment under several lease agreements through 2010, which were accounted for as capital leases. The assets and liabilities under capital leases were recorded at the lower of the net present value of the minimum lease payments or the fair value of the assets. The assets were amortized over the related lease term.

Impairment of Long-Lived Assets — In accordance with ASC 360, *Property, Plant, and Equipment*, the Company evaluates the carrying value of long-lived assets whenever events or changes in circumstances indicate that the carrying amount of such assets may not be recoverable. An impairment loss is required when the net book value of assets exceeds the related projected undiscounted future cash flows. The amount of impairment, if any, is measured by comparing the net book value of the assets to its fair value, which is determined by discounting future cash flows. No impairment charges were recorded during 2010.

Goodwill and Other Intangible Assets — Goodwill represents the purchase price in excess of the fair value of the net assets acquired in business combinations. Other intangibles consist primarily of acquired customer lists and reacquired franchise rights. The customer lists are being amortized over three years, the reacquired rights over 20 years, and noncompete agreements are amortized over the term of the agreements.

Goodwill is tested for impairment on an annual basis or between annual tests, if an event occurs or circumstances change that would reduce the fair value of a reporting unit below its carrying amount. The Company performed its goodwill impairment test during the last quarter of 2010, which indicated no goodwill impairment as of December 31, 2010. The Company has not recorded any goodwill impairment since the adoption of ASC 350, *Intangibles — Goodwill and Other*.

Advertising — The Company expenses advertising and promotion costs as incurred. Advertising expense totaled approximately \$1,015,000 for the year ended December 31, 2010. These costs are included within selling, general, and administrative expenses in the accompanying consolidated statement of operations.

Income Taxes — The Company adopted ASC 740, *Income Taxes*, (“ASC 740”) at the beginning of fiscal year 2009. ASC 740 clarifies the accounting for the uncertainty in income taxes recognized in an enterprise’s financial statements. The interpretation requires the Company to recognize in the financial statements the tax effect of a position only if it is “more likely than not” to be sustained based solely on its technical merits, otherwise no benefits of the position are to be recognized. Moreover, the “more likely than not” threshold must continue to be met in each reporting period to support continued recognition of a benefit. The adoption of ASC 740 did not have a significant effect on the Company’s results of operations or financial condition.

Revenue Recognition — Janitorial franchise sales and services are performed at support centers throughout the U.S. The Company is obligated to provide the Janitorial franchisee with an initial minimum janitorial revenue base (depending upon the size of the package purchased), a starter kit of supplies and equipment, and training. The current franchise term is 20 years with a renewal option.

The Company recognizes revenue under the installment method from the sale of Janitorial franchises and from additional business volume sold to its franchisees, after all material services or conditions relating to the sale have been substantially performed or satisfied by the Company. Amounts financed by the Company are recorded as deferred revenue and recognized as payments are received.

The Company obtains cleaning customers under service agreements entered into with the Company. The right to service the cleaning customers is then offered to its Janitorial franchisees. The Company provides the Janitorial franchisee with monthly billing and collection services for these cleaning customers and remits the funds collected to the Janitorial franchisee after deducting the royalty and management fees of up to 5% and 10%, respectively, any financing payments due, and other amounts paid for by the Company on the franchisee's behalf. The Company accounts for gross billings to cleaning customers as janitorial service revenues and the net remittances to franchisees before financing payments as janitorial service costs. Revenues from janitorial services are recognized as the services are provided.

Costs incurred in obtaining the cleaning contracts are deferred and amortized to expense as the revenue from the sale of Janitorial franchises and additional business to the Janitorial franchisees is recognized.

The Company enters into Master franchise agreements, which grant the Master franchisee the right to implement the Company's business model in an exclusive territory. The term of these agreements is 20 years with provision for renewal. Under the terms of the Master franchise agreements, the Company is obligated to train the Master franchisee, provide software and disclosure document templates, marketing, site and equipment selection, staff selection, and training. The Master franchisee pays the Company monthly royalty fees of 5.5% of business revenue and a percentage of defined service revenue according to volume achieved. The Company recognizes revenue from the sale of Master franchises when the significant initial obligations are completed and when the Master franchisee has paid or is deemed to have the financial ability to pay the Master franchisee fee. Royalties are recognized based on reported or estimated monthly sales activity of the Master franchisees.

Other Franchise Revenues — The Company recommends that all unit franchisees (Janitorial) use only approved chemicals, supplies, and products. Revenues from goods and services sold to franchisees by the Company are recognized when goods are shipped and services are performed.

Stock-Based Compensation — The Company accounts for stock-based compensation using the fair value method of expense recognition. The Company has elected to utilize the Black-Scholes option-pricing model to determine the fair value of any future option grants and recognize compensation expense on a straight-line basis over the requisite service period of the grant.

Comprehensive Loss — There are no components of comprehensive income/loss other than the Company's net loss for the year ended December 31, 2010.

Subsequent Events — The Company has evaluated subsequent events through the time of issuing these financial statements on March 29, 2011, and noted there were no events that are subject to recognition or disclosure, except for the transaction disclosed in Note 10.

New Accounting Pronouncements — In June 2009, the FASB issued ASC 810, *Consolidation* ("ASC 810"). ASC 810 requires ongoing reassessments of whether an enterprise is the primary beneficiary of a variable interest entity and also eliminates the quantitative approach previously required to determine the primary beneficiary of a variable interest entity. ASC 810 is effective for the first annual and interim reporting periods beginning after November 15, 2009. The Company has evaluated the impact of the provisions of ASC 810 and it did not have a material impact on its consolidated financial statements.

In July 2010, the FASB issued Accounting Standards Update (ASU) No. 2010-20, *Disclosures About the Credit Quality of Financing Receivables and the Allowance for Credit Losses*, (“ASU 2010-20”). ASU 2010-20 enhances current disclosure requirements to assist users of financial statements in assessing an entity’s credit risk exposure and evaluating the adequacy of an entity’s allowance for credit losses. ASU 2010-20 requires entities to disclose the nature of credit risk inherent in their finance receivables, the procedure for analyzing and assessing credit risk, and the changes in both the receivables and the allowance for credit losses by portfolio segment and class. ASU 2010-20 is effective for the Company’s fiscal year beginning January 1, 2011. The Company is evaluating the effect the ASU will have in the disclosures in the Company’s consolidated financial statements.

3. PROPERTY AND EQUIPMENT

Depreciation and amortization expense related to property and equipment was approximately \$905,000 for the year ended December 31, 2010.

4. GOODWILL AND OTHER INTANGIBLES

Amortization expense for the year ended December 31, 2010 amounted to \$1,079,000.

5. INCOME TAXES

The components of the benefit from income taxes for the year ended December 31, 2010 are approximately as follows:

	2010
Current	\$ 106,000
Deferred	<u>(592,000)</u>
Total	<u>\$ (486,000)</u>

As discussed in Note 2, the Company adopted ASC 740 at the beginning of fiscal year 2009. In the event the Company were to recognize interest and penalties related to uncertain tax positions, it would be recognized in the consolidated financial statements as income tax expense.

6. COMMITMENTS AND CONTINGENCIES

Leases — The Company has obligations under noncancelable operating leases. The operating leases expire at various dates and, in many cases, provide for renewal options and are subject to annual increases.

A summary of the future minimum lease payments as of December 31, 2010, for noncancelable leases with remaining terms of more than one year is as follows:

Years Ending December 31	
2011	\$2,380,000
2012	2,031,000
2013	1,602,000
2014	1,100,000
2015	531,000
Thereafter	<u>750,000</u>
Total	<u>\$8,394,000</u>

Rent expense under operating leases totaled approximately \$3,082,000 for the year ended December 31, 2010.

Litigation — The Company has been named as a defendant in a purported class action lawsuit where several franchisees in a certain state have alleged, among other things, that CNA misclassifies its franchisees as independent contractors. Damages have not been specified in the lawsuit. Partial Summary Judgment was granted in this case during 2010 holding that the Company’s franchisees were misclassified. No class has been certified as of December 31, 2010, and the Company intends to appeal this decision.

Currently, the Company is involved in a similar case in another state. Plaintiffs have filed a Motion for Class Certification and supporting memoranda on November 15, 2010, and the Company filed its opposition on March 18, 2011. Hearing is scheduled for April 8, 2011.

In addition, the Company is also involved in litigation that arises in the normal course of its business.

While the Company intends to vigorously defend these actions, management is unable to make an estimate of the amount or range of loss that could result from an unfavorable outcome of all pending litigation. Management believes that the ultimate outcome from all pending litigation should not have a material adverse effect on the Company’s financial position, results of operations, or cash flows.

7. RETIREMENT PLAN

Substantially all employees are covered by the Company’s 401(k) plan. The Company discontinued its matching contribution as of June 1, 2009.

8. STOCK OPTION PLAN

In March 2005, all outstanding options of CNA were canceled as part of the financial restructuring of the Company. Concurrently, the Company adopted a new stock option plan (the “Plan”) under CNA Holding. Under the Plan, 125,000 shares of common stock were reserved for issuance upon exercise of stock options. CNA Holding granted 99,552 options to employees and directors with an exercise price of \$11.00 per share in 2005. The outstanding options expire in 2015 and vest 20% either upon execution or within three months of the grant date, with the remaining 80% vesting ratably over a four-year period beginning on a date specified in each stock option agreement. During 2010, no options were issued under this plan.

On July 28, 2006, the Company adopted a new stock option plan (the “2006 Plan”) under CNA Holding. Under the 2006 Plan, 97,173 shares of common stock were reserved for issuance upon exercise of stock options. The Stock Incentive Committee, appointed by the Company’s Board of Directors, administers the 2006 Plan and is authorized to grant options thereunder to all eligible employees, officers and directors, and consultants of CNA Holding.

During 2010, no options were granted under the 2006 Plan, 60 options were forfeited, and 410 shares of options were exercised.

The changes to the Company’s outstanding stock options for 2010 are as follows:

	<u>Years Ended December 31,</u> <u>2010</u>	
	Options	Weighted-Average Exercise Price

A summary of the status of the Company’s nonvested options as of December 31, 2010, and changes during the year then ended are as follows:

The information about stock options outstanding as of December 31, 2010, is summarized as follows:

9. RELATED-PARTY TRANSACTIONS

On July 28, 2006, ACC and CNA Holding entered into a Management Services Agreement whereby ACC (for an annual fee equal to the greater of \$300,000 or 3.5% of EBITDA as defined in the agreement) provides management and consulting services to the Company. During 2010, the Company paid \$300,000 in fees related to this agreement, which are included in selling, general, and administrative expenses in the accompanying consolidated statements of operations. In 2010, Ares Capital Corporation (“Ares”) purchased all shares of ACC.

During 2010, the Company incurred \$5,125,000 in interest expense on outstanding debt with ACC.

10. SUBSEQUENT EVENTS

On February 4, 2011, Ares, CLP Second Holding LLC (CLP), the Company, and its lenders entered into an Agreement of Merger (the “Merger Agreement”). Pursuant to the terms of the Merger Agreement, all of the Company’s common stock was acquired by CLP and the Company received an approximately \$13,000,000 capital contribution from CLP. In addition, concurrently with the Merger Agreement, the Company entered into a new credit facility with a new third-party lender for \$19,500,000 comprised of a \$13,500,000 term loan and a \$6,000,000 senior subordinated term loan. Further, the Company also obtained a new revolving line of credit with \$5,000,000 of availability. The capital contribution and funds from the new credit facility were used to pay down a portion of the then-outstanding balance of the Company’s Senior Secured Credit Agreement and Credit Agreement, with the remaining balance on the Senior Secured Credit Agreement converted into a \$10,000,000 new subordinated note from Ares. The new term loan, senior subordinated term loan, credit facility, and subordinated note bear interest at the London InterBank Offered Rate (LIBOR) plus 5.5%, 13%, LIBOR plus 5%, and 12%, respectively, and mature during 2016. The new agreements contain certain restrictive covenants requiring, among other things, the maintenance of certain financial ratios. At February 4, 2011, the Company’s outstanding debt totaled \$29,500,000.

In addition, in connection with the Merger Agreement, all of the Company’s stock options that had not been exercised prior February 4, 2011, were forfeited and canceled.

FOR VALUE RECEIVED, the Franchise Owner, whose signature appears on this Customer Acceptance Form (the “Acceptance Form”) agrees to pay to the order of Coverall Health-Based Cleaning System® (“Coverall”), in lawful money of the United States of America, the principal sum stated in ¶ E of this Acceptance Form, with interest from the date established pursuant to ¶ E, at the rate of twelve percent (12%) per annum on the unpaid balance of the principal amount until paid in full.

This note may be prepaid without penalty.

It is agreed that each installment, when paid, shall be credited first to interest then due and the remainder to principal. Should the interest not be so paid, it shall, at the sole option of Coverall, become part of the principal and thereafter bear like interest as the principal.

Should Franchise Owner default in the payment of any installment of principal or interest when due, then the whole sum of principal and interest shall become immediately due and payable at the option of Coverall, with interest from the date of the default at the rate of fifteen percent (15%) per annum until paid on the entire unpaid principal and interest.

Furthermore, this note and all other obligations, direct or contingent, of Franchise Owner or any endorser hereof to Coverall, shall become fully due and payable immediately at the option of Coverall without demand or notice upon the happening of any of the following events:

1. The failure of Franchise Owner to pay when due any installment of the principal and/or interest.
2. The failure of Franchise Owner to timely keep or properly perform any of the recitals, covenants, conditions, representations, warranties, obligations or guarantees contained in any agreement between Coverall and Franchise Owner.
3. The levy of any attachment, execution, or any other process against all or any part of the assets of Franchise Owner.
4. The failure of Franchise Owner to pay, withhold, collect or remit any tax or tax deficiency when assessed or due.
5. The suspension of the business of Franchise Owner, or the making of a general assignment for the benefit of creditors, or the commencement of proceedings for dissolution or liquidation, or the commencement of proceedings under any bankruptcy, insolvency, readjustment of debt or liquidation law or statute of the federal or state governments, or the adjudication as bankrupt or insolvent, or the involuntary appointment of a receiver, or applications for a receiver, or the making of a bulk sale or the giving notice of intention to do so.
6. The failure by Franchise Owner to execute documents that Coverall deems necessary to convert Franchise Owner’s obligation to another form of financing.
7. At any time when, in the sole opinion of Coverall, Franchise Owner’s financial responsibility shall become impaired or unsatisfactory.

Notwithstanding anything to the contrary in this Promissory Note or in any document previously executed by Franchise Owner and Coverall, in the event the services performed by Franchise Owner on any Customer(s) are discontinued in accordance with the provisions of Paragraph 10 of Franchise Owner’s Janitorial Franchise Agreement, Coverall shall have the right to apply toward the balance (principle and/or interest) of this Promissory Note, the entire amount of any payment received by Coverall from the Customer(s) at any time after date of the discontinuation of services. Application of payments received from the Customer(s) being serviced by the Franchise Owner shall be in addition to any remaining payment(s) due from the Franchise Owner under this Acceptance Form and Promissory.

In the event an attorney is employed by Coverall in collection of any amounts due hereunder, Franchise Owner shall pay to Coverall its reasonable attorneys’ fees and costs incurred in such collection.

The obligation evidenced by this note is to be construed in accordance with the laws of the State or District in which the Franchise Owner conducts its Coverall business.

GENERAL RELEASE OF CLAIMS. Franchise Owner, on behalf of itself and its current and former agents, principals, employees, representatives, attorneys, accountants, and successors and assigns, hereby releases Coverall and its current and former members, agents, principals, officers, directors, shareholders, employees, representatives, attorneys, accountants, subsidiaries, divisions, predecessors, and successors and assigns, of and from any and all manner of obligation, debt, liability, tort, covenant, contract, agreement, undertaking, and account, and any and all claims or causes of action, statutory or common law, that Franchise Owner had, has, or may have, through the date of this Acceptance Form, known or unknown, including but not limited to any and all claims or causes of action arising under or related to whatever rights and claims Franchise Owner had, has, or may have under your State's Wage and Hour Laws (the "Released Claims"), excepting only Coverall's prospective obligations under the Franchise Owner's Janitorial Franchise Agreement. Franchise Owner warrants and represents that it has not assigned or otherwise transferred any claim or cause of action released by this Paragraph. Franchise Owner further warrants and represents that it is not the subject of any bankruptcy proceeding. Franchise Owner acknowledges and agrees that it may hereafter discover facts different from, or in addition to, those facts known to it, or which it now believes to be true with respect to the Released Claims. Franchise Owner nevertheless agrees that the release set forth in this Acceptance Form has been negotiated and agreed on that it is intended to include and does include in its effect, without limitation, all claims which Franchise Owner does not know or suspect to exist in its favor, and that this release expressly contemplates the extinguishment of all such claims.

FOR VALUE RECEIVED, the Franchise Owner, whose signature appears on this Customer Acceptance Form (the “Acceptance Form”) agrees to pay to the order of Coverall Health-Based Cleaning System® (“Coverall”), in lawful money of the United States of America, the principal sum stated in ¶ D of this Acceptance Form, with interest from the date established pursuant to ¶ D, at the rate of twelve percent (12%) per annum on the unpaid balance of the principal amount until paid in full.

This note may be prepaid without penalty.

It is agreed that each installment, when paid, shall be credited first to interest then due and the remainder to principal. Should the interest not be so paid, it shall, at the sole option of Coverall, become part of the principal and thereafter bear like interest as the principal.

Should Franchise Owner default in the payment of any installment of principal or interest when due, then the whole sum of principal and interest shall become immediately due and payable at the option of Coverall, with interest from the date of the default at the rate of fifteen percent (15%) per annum until paid on the entire unpaid principal and interest.

Furthermore, this note and all other obligations, direct or contingent, of Franchise Owner or any endorser hereof to Coverall, shall become fully due and payable immediately at the option of Coverall without demand or notice upon the happening of any of the following events:

1. The failure of Franchise Owner to pay when due any installment of the principal and/or interest.
2. The failure of Franchise Owner to timely keep or properly perform any of the recitals, covenants, conditions, representations, warranties, obligations or guarantees contained in any agreement between Coverall and Franchise Owner.
3. The levy of any attachment, execution, or any other process against all or any part of the assets of Franchise Owner.
4. The failure of Franchise Owner to pay, withhold, collect or remit any tax or tax deficiency when assessed or due.
5. The suspension of the business of Franchise Owner, or the making of a general assignment for the benefit of creditors, or the commencement of proceedings for dissolution or liquidation, or the commencement of proceedings under any bankruptcy, insolvency, readjustment of debt or liquidation law or statute of the federal or state governments, or the adjudication as bankrupt or insolvent, or the involuntary appointment of a receiver, or applications for a receiver, or the making of a bulk sale or the giving notice of intention to do so.
6. The failure by Franchise Owner to execute documents that Coverall deems necessary to convert Franchise Owner’s obligation to another form of financing.
7. At any time when, in the sole opinion of Coverall, Franchise Owner’s financial responsibility shall become impaired or unsatisfactory.

Notwithstanding anything to the contrary in this Promissory Note or in any document previously executed by Franchise Owner and Coverall, in the event the services performed by Franchise Owner on any Customer(s) are discontinued in accordance with the provisions of Paragraph 10 of Franchise Owner’s Janitorial Franchise Agreement, Coverall shall have the right to apply toward the balance (principle and/or interest) of this Promissory Note, the entire amount of any payment received by Coverall from the Customer(s) at any time after date of the discontinuation of services. Application of payments received from the Customer(s) being serviced by the Franchise Owner shall be in addition to any remaining payment(s) due from the Franchise Owner under this Acceptance Form and Promissory.

In the event an attorney is employed by Coverall in collection of any amounts due hereunder, Franchise Owner shall pay to Coverall its reasonable attorneys’ fees and costs incurred in such collection.

The obligation evidenced by this note is to be construed in accordance with the laws of the State or District in which the Franchise Owner conducts its Coverall business.
